*The Early Martyr Narratives* Jan 11 2022 From Eusebius of Caesarea, who first compiled a collection of martyr narratives around 300, to Thierry Ruinart, whose *Acta primorum martyrum sincera et selecta* was published in 1689, the selection and study of early hagiographic narratives has been founded on an assumption that there existed documents written at the time of martyrdom, or very close to it. As a result, a search for authenticity has been and continues to be central, even in the context of today's secular scholarship. But, as Éric Rebillard contends, the alternative approach, to set aside entirely the question of the historical reliability of martyr narratives, is not satisfactory either. Instead, he argues that martyr narratives should be considered as fluid "living texts," written anonymously and received by audiences not as precise historical reports but as versions of the story. In other words, the form these texts took, between fact and fiction, made it possible for audiences to readily accept the historicity of the martyr while at the same time not expect to hear or read a truthful account. In *The Early Martyr Narratives*, Rebillard considers only accounts of Christian martyrs supposed to have been executed before 260, and only those whose existence is attested in sources that can be dated to before 300. The resulting small corpus contains no texts in the form of legal protocols, traditionally viewed as the earliest, most official and authentic records, nor does it include any that can be dated to a period during which persecution of Christians is known to have taken place. Rather than deduce from this that they are forgeries written for the sake of polemic or apologetic, Rebillard demonstrates how the literariness of the narratives creates a fictional complicity that challenges and complicates any claims of these narratives to be truthful.

**First Martyr of Liberty** Jul 25 2020 First Martyr of Liberty explores how Crispus Attucks's death in the 1770 Boston Massacre led to his achieving

mythic significance in African Americans' struggle to incorporate their experiences and heroes into the mainstream of the American historical narrative. While the other victims of the Massacre have been largely ignored, Attucks is widely celebrated as the first to die in the cause of freedom during the era of the American Revolution. He became a symbolic embodiment of black patriotism and citizenship. This book traces Attucks's career through both history and myth to understand how his public memory has been constructed through commemorations and monuments; institutions and organizations bearing his name; juvenile biographies; works of poetry, drama, and visual arts; popular and academic histories; and school textbooks. There will likely never be a definitive biography of Crispus Attucks since so little evidence exists about the man's actual life. While what can and cannot be known about Attucks is addressed here, the focus is on how he has been remembered--variously as either a hero or a villain--and why at times he has been forgotten by different groups and individuals from the eighteenth century to the present day.

This exhaustive work is the first to cover the topic.

*The Myth of Persecution* Dec 30 2020 In *The Myth of Persecution*, Candida Moss, a leading expert on early Christianity, reveals how the early church exaggerated, invented, and forged stories of Christian martyrs and how the dangerous legacy of a martyrdom complex is employed today to silence dissent and galvanize a new generation of culture warriors. According to cherished church tradition and popular belief, before the Emperor Constantine made Christianity legal in the fourth century, early Christians were systematically persecuted by a brutal Roman Empire intent on their destruction. As the story goes, vast numbers of believers were thrown to the lions, tortured, or burned alive because they refused to renounce Christ. These saints, Christianity's inspirational heroes, are still venerated today. Moss, however, exposes that the "Age of Martyrs" is a fiction—there was no sustained 300-year-long effort by the Romans to persecute Christians. Instead, these stories were pious exaggerations; highly stylized rewritings of Jewish, Greek, and Roman noble death traditions; and even forgeries designed to marginalize heretics, inspire the faithful, and fund churches. The traditional story of persecution is still taught in Sunday school classes, celebrated in sermons, and employed by church leaders, politicians, and media pundits who insist that Christians were—and always will be—persecuted by a hostile, secular world. While violence against Christians does occur in select parts of the world today, the rhetoric of persecution is both misleading and rooted in an inaccurate history of the early church. Moss urges modern Christians to abandon the conspiratorial assumption that the world is out to get Christians and, rather, embrace the consolation, moral instruction, and spiritual guidance that these martyrdom stories provide.

**The Ghosts of Martyrs Square** Mar 01 2021 NOT SINCE THOMAS FRIEDMAN'S FROM BEIRUT TO JERUSALEM IN 1989 HAS A JOURNALIST OFFERED SUCH A POIGNANT AND PASSIONATE PORTRAIT OF LEBANON—A UNIQUELY PLURALIST ARAB COUNTRY STRUGGLING TO DEFEND ITS VIABILITY IN A TURBULENT AND TREACHEROUS MIDDLE EAST. Michael Young, who was taken to Lebanon at age seven by his

Lebanese mother after the death of his American father and who has worked most of his career as a journalist there for American publications, brings to life a country in the crossfire of invasions, war, domestic division, incessant sectarian scheming, and often living in fear of its neighbors. Young knows or has known many of the players, politicians, writers, and religious leaders. A country riven by domestic tensions that have often resulted in assassinations, under the considerable sway of Hezbollah (in alliance with Iran and Syria), frequently set upon by Israel and Syria, nearly destroyed by civil war, Lebanon remains an exception among Arab countries because it is a place where liberal instincts and tolerance struggle to stay alive. An important and enduring symbol, Lebanon was once the outstanding example of an (almost) democratic society in an inhospitable, dangerous region—a laboratory both for modernity and violence, as a Lebanese intellectual who was later assassinated once put it. Young relates the growing tension between a domineering Syria and a Lebanese opposition in which charismatic leader and politician Rafiq al-Hariri was assassinated and the Independence Intifada—the Cedar Revolution—broke out. His searing account of his country's confrontation with its domestic and regional demons is one of hope found and possibly lost. In this stunning narrative, Young tells us what might have been his country's history, and what it may yet be.

*Martyrdom and Memory* Aug 18 2022 Martyrs are produced, Elizabeth Castelli suggests, not by the lived experience of particular historical individuals but by the stories that are later told about them. And the formulaic character of stories about past suffering paradoxically serves specific theological, cultural, or political ends in the present. *Martyrdom and Memory* explores the central role of persecution in the early development of Christian ideas, institutions, and cultural forms and shows how the legacy of Christian martyrdom plays out in today's world. In the pre-Constantinian imperial period, the conflict between Roman imperial powers and the subject Christian population hinged on competing interpretations of power, submission, resistance, and victory. This book highlights how both Roman and Christian notions of law and piety deployed the same forms of censure and critique, each accusing the other of deviations from governing conventions of gender, reason, and religion. Using Maurice Halbwachs's theoretical framework of collective memory and a wide range of Christian sources—autobiographical writings, martyrologies and saints' lives, sermons, art objects, pilgrimage souvenirs, and polemics about spectacle—Castelli shows that the writings of early Christians aimed to create public and ideologically potent accounts of martyrdom. The martyr's story becomes a "usable past" and a "living tradition" for Christian communities and an especially effective vehicle for transmitting ideas about gender, power, and sanctity. An unlikely legacy of early Christian martyrdom is the emergence of modern "martyr cults" in the wake of the 1999 shootings at Columbine High School. Focusing specifically on the martyr cult associated with one of the victims, *Martyrdom and Memory* argues that the Columbine story dramatically expresses the ongoing power of collective memory constructed around a process of rendering tragic suffering redemptive and meaningful. In the wake of Columbine and other contemporary legacies of martyrdom's ethical ambivalence, the global impact of Christian culture making in the early twenty-first century cannot be ignored. For as the last century's secularist hypothesis sits in the wings, "religion" returns to center stage with one of this drama's most contentious yet riveting stars: the martyr.

**Untamed** Dec 18 2019 'This book will shake your brain and make your soul scream. I am so ready for myself after reading this book!' Adele 'Untamed will liberate women - emotionally, spiritually, and physically. It is phenomenal.' Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* Who were you before the world told you who to be? Part inspiration, part memoir, *Untamed* explores the joy and peace we discover when we stop striving to meet the expectations of the world, and instead dare to listen to and trust in the voice deep inside us. From the beloved New York Times bestselling author, speaker and activist Glennon Doyle. \*\*\*\*\* For many years, Glennon Doyle denied her discontent. Then, while speaking at a

conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There. She. Is. At first, Glennon assumed these words came to her from on high but soon she realised they had come to her from within. This was the voice she had buried beneath decades of numbing addictions and social conditioning. Glennon decided to let go of the world's expectations of her and reclaim her true untamed self. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanising wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is also the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honour our anger and heartbreak, and unleash our truest, wildest instincts. *Untamed* shows us how to be brave. And, as Glennon insists, 'The braver we are, the luckier we get.'

**The Book of Martyrs** Aug 26 2020 Fantastic portmanteu featuring the stoic warriors of the Adepta Sororitas. To die in the name of the God-Emperor of Mankind is to live eternal, and none are more willing to bleed in His name than the Adepta Sororitas - the Sisters of Battle. The Book of Martyrs charts the deaths of these exemplars. Sister Ishani of the Orders Hospitaller, serving alongside the death-obsessed Valorous Heart, tends to her Ecclesiarchy charges as something inhuman hunts the fields. Sister Anarchia of the Order of Our Martyred Lady, taken captive by the vile T'au Empire, seeks to teach her interrogators what it truly means to be one of the faithful. On a regressed Imperial world, Sister Superior Laurelyn of the Order of the Bloody Rose reinforces the beleaguered defenders against a familiar foe turned anew by the Great Rift. And in the age of the Indomitus Crusade, with the galaxy split in two, only one thing is certain - there will be no shortage of martyrs to fill the pages of this ancient tome.

*The Construction of Martyrdom in the English Catholic Community, 1535-1603* Nov 16 2019 Between 1535 and 1603, more than 200 English Catholics were executed by the State for treason. Drawing on an extraordinary range of contemporary sources, Anne Dillon examines the ways in which these executions were transformed into acts of martyrdom. Utilizing the reports from the gallows, the Catholic community in England and in exile created a wide range of manuscripts and texts in which they employed the concept of martyrdom for propaganda purposes in continental Europe and for shaping Catholic identity and encouraging recusancy at home. Particularly potent was use of visual means to convey martyrdom. Through an examination of the work of Richard Verstegan and the martyr murals of the English College in Rome, the book explores the influence of these images on the Counter Reformation Church, the Jesuits, and the political intentions of English Catholics in exile and those of their hosts. Verstegan used the English martyrs in his *Theatrum crudelitatum* of 1587 to rally support from Catholics on the Continent for a Spanish invasion of England to overthrow Elizabeth I and her government. The English martyr was, Dillon argues, as much a construction of international, political rhetoric as it was of English religious and political debate.

**Founding Martyr** Jul 17 2022 A rich and illuminating biography of America's forgotten Founding Father, the patriot physician and major general who fomented rebellion and died heroically at the battle of Bunker Hill on the brink of revolution Little has been known of one of the most important figures in early American history, Dr. Joseph Warren, an architect of the colonial rebellion, and a man who might have led the country as Washington or Jefferson did had he not been martyred at Bunker Hill in 1775. Warren was involved in almost every major insurrectionary act in the Boston area for a decade, from the Stamp Act protests to the Boston Massacre to the Boston Tea Party, and his incendiary writings included the famous Suffolk Resolves, which helped unite the colonies against Britain and inspired the Declaration of Independence. Yet after his death, his life and legend faded, leaving his contemporaries to rise to fame in his place and obscuring his essential role in bringing America to independence. Christian Di Spigna's definitive new biography of Warren is a loving work of historical excavation, the product of two decades of research and scores of newly unearthed primary-source documents that have given us this forgotten Founding Father anew. Following Warren from his farming childhood and years at Harvard through his professional success and political radicalization to his role in sparking the rebellion, Di Spigna's thoughtful, judicious retelling not only restores Warren to his rightful place in the pantheon of Revolutionary greats, it deepens our understanding of the nation's dramatic beginnings.

**I'll Sleep When I'm Dead** Oct 16 2019 When Warren Zevon died in 2003, he left behind a rich catalog of dark, witty rock 'n' roll classics, including "Lawyers, Guns and Money," "Excitable Boy," and the immortal "Werewolves of London." He also left behind a fanatical cult following and veritable rock opera of drugs, women, celebrity, genius, and epic bad behavior. As Warren once said, "I got to be Jim Morrison a lot longer than he did." Narrated by his former wife and longtime co-conspirator, Crystal Zevon, this intimate and unusual oral history draws on interviews with Bruce Springsteen, Stephen King, Bonnie Raitt, and numerous others who fell under Warren's mischievous spell. Told in the words and images of the friends, lovers, and legends who knew him best, I'll Sleep When I'm Dead captures Warren Zevon in all his turbulent glory.

**Martyr's Manual** Jun 23 2020 "Faith" gets its most powerful definition from the New Testament book of Hebrews. Yet this anonymous treatise tantalizes with both its lack of contemporary precision about faith's definition and its shrouded original context. There are, however, sufficient clues in Hebrew's text to guide astute investigators toward a strange and yet familiar world of religious challenge in which the deeply significant rituals of ancient Israel, the attractive moral character of first-century Jews in Rome, a crowd of disaffected righteous Romans, and a purported Palestinian messiah converge to produce one of the world's most thoughtful, courageous, and brilliant calls to martyrdom. In this careful pilgrimage along the author's meticulous development of a holy challenge to remain faithful to Jesus (precisely because there are no meaningful alternatives), Brouwer helps us find an inspiring and ever-relevant call to faith--we become the persons we are through the daily choices we make about Jesus and others.

**Romanesque Saints, Shrines, and Pilgrimage** Dec 10 2021 The 23 chapters in this volume explore the material culture of sanctity in Latin Europe and the Mediterranean between c. 1000 and c. 1220, with a focus on the ways in which saints and relics were enshrined, celebrated, and displayed. Reliquary cults were particularly important during the Romanesque period, both as a means of affirming or promoting identity and as a conduit for the divine. This book covers the geography of sainthood, the development of spaces for reliquary display, the distribution of saints across cities, the use of reliquaries to draw attention to the attributes, and the virtues or miracle-working character of particular saints. Individual essays range from case studies on Verona, Hildesheim, Trondheim and Limoges, the mausoleum of Lazarus at Autun, and the patronage of Mathilda of Canossa, to reflections on local pilgrimage, the deployment of saints as physical protectors, the use of imagery where possession of a saint was disputed, island sanctuaries, and the role of Templars and Hospitallers in the promotion of relics from the Holy Land. This book will serve historians and archaeologists studying the Romanesque period, and those interested in material culture and religious practice in Latin Europe and the Mediterranean c.1000-c.1220.

[The Passion of Al-Hallaj, Mystic and Martyr of Islam, Volume 1](#) Aug 06 2021 Volume 1 of 4. Encompassing the whole milieu of early Islamic civilization, this major work of Western orientalism explores the meaning of the life and teaching of the tenth-century mystic and martyr, al-Hallaj. With profound spiritual insight and transcultural sympathy, Massignon, an Islamicist and scholar of religion, penetrates Islamic mysticism in a way that was previously unknown. Massignon traveled throughout the Middle East and western India to gather and authenticate al-Hallaj's surviving writings and the recorded facts. After assembling the extant verses and prose works of al-Hallaj and the accounts of his life and death, Massignon published *La Passion d'al-Hallaj* in 1922. At his death in 1962, he left behind a greatly expanded version, published as the second French edition (1975). It is edited and translated here from the French and the Arabic sources by Massignon's friend and pupil, Herbert Mason. Volume 1 gives an account of al-Hallaj's life and describes the world in which he lives; volume 2 traces his influence in Islam over the centuries; volume 3 studies Hallajian thought; volume 4 contains a full biography and index. Each volume contains Massignon's copious notes and new translations of original Islamic documents. Herbert Mason is University Professor of Religion and Islamic History at Boston University. He is also a poet and novelist; his version of the *Gigamesh* epic was a nominee for the National Book Award in 1971. Bollingen Series XCVIII. Originally published in 1986. The Martyr's Oath Apr 02 2021 Be Inspired by Amazing Eyewitness Stories of Hope and Courage from the Persecuted Church We are witnessing an astonishing escalation in Christian persecution like we have rarely seen since the first century. Some estimate that every five minutes, a Christian is martyred for his or her faith. Countries like Egypt have experienced more Christian persecution in the last five years than in the previous six hundred years combined. And who could have missed the atrocities of ISIS in Syria, Boko Haram in Nigeria, and the continued persecution of Christians in North Korea? Johnnie Moore, like many American Christians, didn't fully appreciate the extent of what was going on--until he witnessed the graduation of theology students in India. Unlike graduation ceremonies in America--where feel-good speeches made by visiting celebrities are common--this one featured a remarkable oath. It wasn't an oath to excel or succeed. It was an oath to be willing to die, if necessary, for the cause of Christ. This was no empty promise. This was a choice, choosing the eternal over the temporal. Johnnie knew he was witnessing a raw, first-century Christianity that his comfortable American version had shielded him from. "For the first time, I really understand my faith," says Johnnie Moore. Now, he's on a mission to give this same experience to others. He and his team have crisscrossed the world, records in hand, gathering eyewitness accounts from dozens of people who survived persecution--and the stories of some who didn't. Join Johnnie Moore on this compelling journey to the heart of the Christian faith.

*Imagining and Contesting Martyrdom* Nov 28 2020 The twentieth-century Chinese experience has been marked and marred by warfare, violent revolution, and death on an unimaginable scale. For many, how to come to terms with the ubiquity of death and how to find meaning in the century's carnage and bloodshed were among the most excruciating and important questions. While scholars of modern Chinese literature and culture have established the centrality of violence and death in twentieth-century literature, film, and popular culture, little work has rigorously examined one of the more salient responses to the persecution and bloodshed of the modern era: representations of martyrdom--wherein suffering and death are invested with transcendent meaning and fashioned into redemptive and meaningful narratives. My dissertation documents how martyr texts were more than just responses to historical experiences of violence and mass death; they were also vital meaning-making sites wherein notions of selfhood, identity, and community were articulated and contested. From Shen Congwen's Buddhist-inspired treatment of sacrifice to Ai Qing's poetic reflections on himself as a Christ-like martyr, and from the emergence of the child as a martyr for the nation to the making and unmaking of Cultural Revolution martyrs, my study documents how Chinese artists, intellectuals, and activists across the political spectrum turned to the trope of martyrdom to come to terms with questions of selfhood, enlightenment, revolution, and nationhood. By combining close readings of literary, visual, and spatial representations of sacrificial death that are framed within a historical and--at times--transcultural context, my research highlights the formative and pervasive role of martyr discourses in modern China. This research contributes to modern Chinese studies by uncovering lesser-known works written by major literary figures, demonstrating the influences of religious symbolism and thought on modern Chinese writers, and highlighting the role martyr narratives played in shaping popular conceptions of selfhood, modernity, revolution, and the nation.

drips with blackness. A perfect read for teens and adults looking to break away from boring traditional poetry.

**Accidentally Like a Martyr** Jan 23 2023 (Book). Warren Zevon songs are like chapters in a great American novel. Its story lies in the heart of his and our psyche. The lines are blurred. We never seem to know if we are looking in a mirror or peering through a window; we only know that when we listen we see something. The music sets the scene his voice a striking baritone, its narrator our guide through a labyrinth of harrowing narratives. The plot unfolds without subtlety; each musical and lyrical arc awakens imagination. In *Accidentally Like a Martyr: The Tortured Art of Warren Zevon*, music journalist James Campion presents 13 essays on seminal Zevon songs and albums that provide context to the themes, inspirations, and influence of one of America's most literate songwriters. In-depth interviews with Zevon's friends and colleagues provide first-person accounts of how the music was lived, composed, recorded, and performed. **Tale of a Martyr 3** May 15 2022 Before this world is made into a virtual utopia it's destined to be destroyed by fire; But Christians won't have to go through those fiery days that shall burn as an oven, as recorded in Malachi 4; And our Heavens won't even allow their tears to be shed, as thirsty grounds below swiftly spread everywhere, while turning our planet into a giant dust bowl. Then our earth's crust will resonate from the resounding of moving mantle, that shall quickly waste all of the cities of a doomed race that foolishly followed after the ways of Babylon. And the electrical explosions of lightening crackles will then suddenly detonate within our expanse like unstable chemicals, that reacts ferociously with non compatible elements. Even our continental shelves shall also be rearranged in our new earth, when the underlying strata is moved miles out of it's place by gargantuan earthquakes. Then our abandoned coastlines will be rapidly betrayed by waters, that leave real quick without any word. And within all areas of the circle of our earth new dry land shall suddenly arise to contend with bloody looking muck that shall be thrown up during volcanic conceptions. For our former forgotten seas will be swiftly transformed from eruptions, while they abruptly become parched badlands of the driest thirsty kind. And those bone dry lands will suddenly be floating upon steaming lava as it cools. Then the deepest gorges will be unexpectedly filled in by our ever shaking earth. At that point, our entire firmament will also be enshrouded with some real dusty ashes, while speedily producing real stagnant blackened clouds, that will be unable to empty themselves, due to the supernatural restraints that God shall place upon them. Furthermore, all unprotected life will then hastily cease, during those most foreboding, and darkest hours of God's very worst fury; For all of the past vegetation of our greenest plains will then abruptly curl up into little balls, while quickly perishing very quick beneath the scorching rays of our sun that has gone more than crazy. And our planet will then immediately be stripped naked due to all of those combined happenings, that will rapidly lead to untold destruction. But after all those above horrid things have finally come to pass, only at that point shall our earth soon arise and shine, with our God's most loving restoration. And the mortal remnant of our great tribulation era shall then always live together with immortal resurrected people, that shall no longer be male or female. And all of our Lord's elect shall then live evermore upon a blessed remade world, that will never pass away.

Playing the Martyr Sep 26 2020 A retired Englishman is crucified on the banks of the Loire Valley and the peace and quiet of rural France is shattered. Blackmailed into leading the investigation, the recently widowed Juge d'instruction Matthieu Lombard feels shattered too. An apparently innocuous victim, held in high regard by the French locals, who would target the Englishman? And why like this? Is someone using the 500-year-old legend of Joan of Arc to stir up tension between the French locals and the British expat community? And for what purpose? Lombard must use all his experience to break down the wall of silence in small-town France and avoid the failure his bosses are hoping for. Will his half-English, half-French background help? Will it give him the freedom to move inside both communities or does it mean he'll be trusted by neither? While fighting his own grief and his own team, the case turns up a gut-churning connection with his late wife and lays bare something that he's known all along; that the River Loire, like the valley itself, has a calm surface hiding a murderous undercurrent.

**Warren Zevon** Sep 07 2021 Warren Zevon: Desperado of Los Angeles is the first book-length, critical exploration of one of popular music's most talented and tormented antiheroes. George Plasketes provides a comprehensive chronicle of Zevon's 40-year, 20-record career and his enduring cultural significance. Beginning with Zevon's classical training and encounters as a youth with composers Robert Craft and Igor Stravinsky, Plasketes surveys Zevon's initiation into the 1960s through the Everly Brothers, the Turtles, and the film Midnight Cowboy. Plasketes then follows Zevon from his debut album with Asylum Records in 1976, produced by mentor Jackson Browne, through his successes and struggles from a Top Ten album to record label limbo during the 1980s, through a variety of music projects in the 1990s, including soundtracks and scores, culminating with a striking trio of albums in the early 2000s. Despite his reckless lifestyle and personal demons, Zevon made friends and alliances with talk show host David Letterman and such literary figures as Hunter S. Thompson and Carl Hiaasen. It was only after his death in 2003 that Zevon received Grammy recognition for his work. Throughout this book, Plasketes explores the musical, cinematic, and literary influences that shaped Zevon's distinctive style and songwriting themes and continue to make Zevon's work a telling portrait of Los Angeles and American culture.
