Gardening Express Jun 16 2022 Get on the EXPRESS for "Gardening" Know How to Start a Garden Outdoor and Indoor Look out your window - what do you see? Probably something like a barren wasteland of weed and dirt...or in other word, a scene that is anything but inspiring to behold. However, take a look at your dear friendly neighbor's yard. What do you see now? Fertile rich green land sprouting with floral plants and vegetations as far as the eyes can see striking you with nothing less than an awe. Now take a look back at your yard. Nothing. Don't fret, because just about anybody can bring new life to their land through gardening. After all, that's the real reason why you're here is because you're looking to get into gardening, without even knowing anything about it, right? Having a garden offers many rewarding benefits, from having a beautiful cultivated space to look at, fresh air to breathe, and free foods to sustain yourself on your own, as well as even medicinal supplies in your very own backyard through growing your own herbs. Then why don't more people venture into gardening? Because they think it takes a lot of work, they need to have a huge space, not to mention if they don't even have a yard, or they simply don't know how to start a garden. "Gardening Express" will take care all of that for you. You can start an outdoor garden today regardless if you have a huge space or not, or an indoor garden if you don't have a yard at all. By taking the "Gardening Express," your destination includes: - How to set your garden in motion through the simple planning phase. - How to research and sketch your ideal garden with all the different tools. - How to lay the groundwork with sectioning the land and placing the composites. - How to determine what you should plant based on your likes and commitment. - How to manage your garden throughout the different seasons from facing hardships. - Also, personalized hands-on exercises and applications to put everything into action to plant a gardening for beginners. ...and much more. Bring to life your horticulture creation now easily and on the express!

CBT Express Sep 07 2021 Offering vital tools for working with 4- to 18-year-olds in a wide range of settings, this book presents engaging cognitive-behavioral therapy (CBT) activities that can be implemented rapidly and flexibly. Concise chapters guide the provider to quickly identify meaningful points of intervention for frequently encountered clinical concerns, and to teach and model effective strategies. Each intervention includes a summary of the target age, module, purpose, rationale, materials needed, and expected time for completion, as well as clear instructions and sample dialogues and scripts. In a convenient large-size format, the book features helpful graphics and 77 reproducible handouts and worksheets in the form of Handy and Quick (HQ) Cards. Purchasers get access to a Web page where they can download and print the reproducible materials.

Gender: A Graphic Guide Jan 19 2020 Join the creators of *Queer: A Graphic History* ('Could totally change the way you think about sex and gender' VICE) on an illustrated journey of gender exploration. Is masculinity 'toxic'? Why are public toilets such a political issue? How has feminism changed the available gender roles - and for whom? Why might we all benefit from challenging binary thinking about sex/gender? In this unique illustrated guide, Meg-John Barker and Jules Scheele travel through our shifting understandings of gender across time and space - from ideas about masculinity and femininity, to non-binary and trans genders, to intersecting experiences of gender, race, sexuality, class, disability and more. Tackling current debates and tensions, which can divide communities and even cost lives, Barker and Scheele look to the past and the future to explore how we might all approach gender in more caring and celebratory ways.

The Adobe Photoshop Express Beta Pocket Guide Feb 24 2023 Adobe Photoshop Express Beta is a free Rich Internet Application (RIA) that allows users to store, sort and display digital photos with eye-catching effects. Photoshop Express Beta allows users to store up to 2 gigabytes of images online for free, and lets users make edits to their photos and share them online in creative ways. For example, users can download and upload photos to and from various social networking and image-hosting sites, including Facebook, PhotoBucket, and Picasa. In this handy, low-priced guide, best-selling author Jeff Carlson walks you through the key new features of this exciting new Adobe application. After taking you on a tour of the Photoshop Express Beta interface, Jeff shows you how to assemble your library, which includes uploading and transferring photos from online services, editing your photo's metadata, and creating an album. You'll then move on to adjusting your photos--from basic editing techniques, such as crop and rotate, auto correct, red-eye removal and exposure--to creating more advanced effects. Finally, you'll learn everything you need to know to share your photos with others, including creating a gallery, sharing albums, exporting edited photos, and more.

Power Animals Mar 01 2021 In this fascinating book, Steven Farmer guides you through a journey on the accompanying audio download to discover and connect with your power animal. Once you've determined who your power animal is, you can refer to the text to learn what this says about you, find instructions on how to call upon the spirit animal, and read a channeled message for you from that animal spirit. You'll also find out which animal spirit to call on for particular situations, and additional tracks on the audio will help you consult your power animal as an oracle. Your power animal will not only help you develop a greater sense of personal and spiritual power, but will also help you heal physically, emotionally, and spiritually—as well as guide you through difficult life transitions. Working with your power animal will put you in touch with your own instinctual nature, thereby increasing your intuitive awareness and enhancing every area of your life.

Empaths Nov 16 2019 2 books in 1: Empath survival guide + Highly Sensitive ----- Empath Survival Guide ----- Do you have difficulties controlling Feelings and Emotions? Do you want to get rid of the suffering that torments those who cannot express their feelings? The truth is that each of us can "get lost", but if you have the right tools, this can be a great opportunity to recognize, control and use emotional intelligence in your own favor. The solution is to practice specific techniques of awareness that will allow you to "orientate yourself" without the fear of making mistakes. With these habits, you will be able to put what is most important in your life first, to eliminate what you don't need to achieve your goals and how you want to live daily. This is what you will learn in "Empath Survival Guide", which is part of the "Emotional Intelligence" series. The goal of this books' series is simple: we will teach you the habits, mentality and actions to take to recognize, better control your feelings and emotions and use them to improve yourself. You will learn: - How to find out if you are empathetic- 5 ways to easily control emotions- How to increase your Emotional Intelligence- Ways to Overcome Sadness- How to teach "Empathy" to children- What are the various types of "Empath" "Empath Survival Guide" is a book full of content with exercises that will have an immediate and positive impact on your mentality. Instead of simply telling you to do something, we provide you with practical actions that can create a real and lasting change if you practice regularly. Would you like to know more? Download now to stop worrying, control both emotions and feelings and use them in your favor. Scroll to the top of the page and select the Buy Now button. ----- Highly Sensitive ----- - Are you a very intuitive and generous person? Do you have a protective instinct for the weakest and feel increased anger when you see or witness first hand an injustice? I ask you these questions because "highly sensitive" people tend to live in a different way than most people around them and often carry a sense of diversity, strangeness and misunderstanding within themselves, that it can cause much suffering and a sense of marginalization. "Highly sensitive" people have essentially two

major issues: managing conflict and learning to say no. We are not in touch with our own needs and we focus much more on others'. Conflict means wanting different things, here is the difficulty: how can I express a different opinion by recognizing my needs without stepping on the needs of others? This is particularly complicated, because the "Highly Sensitive" person has difficulties distinguishing his/her own needs from those of others and remaining calmly focused on his/her own. Get the complete series (6 books) "Emotional Intelligence by George Wiseman" and discover all the benefits!

Instructions for Happiness and Success Nov 09 2021 "Beautiful words, beautiful ideas - my friend Susie has written a beautiful book" --Dr. Robert Holden, bestselling author of Happiness Now! and Shift Happens! An empowering guide for transforming your life, Instructions for Happiness and

Success provides you with the tools and guidance you need to harness joy and prosperity. Using the wisdom of the universe and her experience as a mentor to celebrities, entrepreneurs, and business leaders, author Susie Pearl has honed in on the key steps you can implement to create a richer and more meaningful life. Designed as an interactive workbook, this book begins the journey toward satisfaction by reshaping the way you think. With motivating affirmations, visualization audios, and revelatory exercises, you will not only learn how to nurture a positive spirit and fully appreciate the good that's already around you, but also how to channel this new and constructive energy to bring even more happiness and success into your life. Her revelatory exercises, which help clarify your values, will further enrich your existence as you learn more about yourself and how to be happy in any situation.

Learn NodeJS in 24 Hours Oct 08 2021 Node.js supports both client and server side applications. It is based on JavaScript and is very fast in operation. These distinctive features made node.js as one of the most powerful framework in the Java Ecosystem. JavaScript alone allows you to build real-time and scalable mobile and web applications. With this e-book, you will explore more on the node.js framework and how to use it efficiently for web development. Average developers or beginners who struggle to understand node.js basics will find this book very helpful and productive. The book tried to put examples that simplify problems usually faced by the users like how asynchronous code works, what are modules, how big file can be read, node.js express, etc. You will find that lots of concepts that take a long time to master can be learned in a day or two. If this is your first interaction with node.js and don't want all sort of troubles that arise with the node, this edition is recommended. After going through this e-book, node.js will become an absolute pleasure. Table of content Chapter 1: Introduction 1. Introduction to Node.js 2. What is Node.js? 3. Why use Node.js? 4. Features of Node.js 5. Who uses Node.js 6. When to Use Node.js 7. When to not use Node.js Chapter 2: How to Download & Install Node.js - NPM on Windows 1. How to install Node.js on Windows 2. Installing NPM (Node Package Manager) on Windows 3. Running your first Hello World application in Node.js Chapter 3: Node.js NPM Tutorial: Create, Publish, Extend & Manage 1. What are modules in Node.js? 2. Using modules in Node.js 3. Creating NPM modules 4. Extending modules 5. Publishing NPM(Node Package Manager) Modules 6. Managing third party packages with npm 7. What is the package.json file Chapter 4: Create HTTP Web Server in Node.js: Complete Tutorial 1. Node as a web server using HTTP 2. Handling GET Requests in Node.js Chapter 5: Node.js Express FrameWork Tutorial 1. What is Express.js? 2. Installing and using Express 3. What are Routes? 4. Sample Web server using express.js Chapter 6: Node.js MongoDB Tutorial with Examples 1. Node.js and NoSQL Databases 2. Using MongoDB and Node.js 3. How to build a node express app with MongoDB to store and serve content Chapter 7: Node.js Promise Tutorial 1. What are promises? 2. Callbacks to promises 3. Dealing with nested promises 4. Creating a custom promise Chapter 8: Bluebird Promises Tutorial Chapter 9: Node.js Generators & Compare with Callbacks 1. What are generators? 2. Callbacks vs. generators Chapter 10: Node js Streams Tutorial: Filestream, Pipes 1. Filestream in Node.js 2. Pipes in Node.js 3. Events in Node.js 4. Emitting Events Chapter 11: Node.js Unit Testing Tutorial with Jasmine 1. Overview of Jasmine for testing Node.js applications 2. How to use Jasmine to test Node.js applications Chapter 12: Node.Js Vs AngularJS: Know the Difference 1. What is Node JS? 2. What is Angular JS? 3. Node JS VS. Angular JS 4. What Is Better Node JS Or Angular JS? Chapter 13: Node.js Vs Python: What's the Difference? 1. What is Node.js? 2. What is Python? 3. Node.JS Vs. Python 4. When to use Node js? 5. When to use Python?

Express.js Mar 13 2022 Express.js Web App Development with Node.js Framework This book is an exploration of ExpressJS. It begins by defining what ExpressJS is and what it helps developers with. The book then explores the process of error handling in ExpressJS. You will learn how to handle the unseen errors in programs which might cause them to crash. The book will guide you on how to connect your application, which is a web application, to a database, particularly in MongoDB. This means that you will be in a position to create a complete website, having a database on your own. The express application generator tool is explored in detail, thus, you will learn how to use it for the purpose of development of your apps. The book will guide you on how to use the middleware. The different types of middleware are discussed in this section, explaining in detail how to work with them. The use of template engines with Express is also explored, including how to use the templates and be in a position to develop new ones for your use. The Express process manager is also covered, as well as the proxies for Express. have also been discussed. Further, debugging is explored, as well as migration of an application from Express 3 to Express 4. Here is a preview of what you'll learn: Definition Error Handling Establishing a connection to the Database Express Application Generator Using the Express Middleware Use of Template Engines with Express and much more Download your copy of "How to draw awesome manga pictures" by scrolling up and clicking "Buy Now With 1-Click" button.

Express.js Oct 20 2022 Express.js Master Express.js and Learn How to Develop Your Web Application This book is an exploration of ExpressJS framework, which is one of the available JavaScript libraries. The first part of this book is a guide to the user on how to create a templating system, which can be used for rendering data dynamically on a particular web page. This has been discussed in a systematic manner to enhance the ease of understanding. The Request and Response objects, which are very common in ExpressJS, have also been discussed. You will know how to send request objects and display responses on the browser of the client. The various types of middleware available in ExpressJS have also been discussed. You will know how to make use of these. After reading the book, you will know how to use RESTful API together with ExpressJS to enhance the functionality of your apps. The processes of authorization and authentication in Express have been explored in detail; thus, you will know how to secure your Express apps. A guide on how to debug Express has also been provided. Here is a preview of what you'll learn: A Webpage Template System for Rendering Dynamic Data Request and Response Objects in Express.js Using Middleware Working with RESTful API in Express Secure Apps Debugging Express Download your copy of "Express.js " by scrolling up and clicking "Buy Now With 1-Click" button.

The Narcotics Anonymous Step Working Guides Feb 18 2020 Narcotics Anonymous Step Working Guides are meant to be used by NA members at any stage of recovery, whether it's the first time through the steps, or whether they have been a guiding force for many years. This book is intentionally written to be relevant to newcomers and to help more experienced members develop a deeper understanding of the Twelve Steps.

The Sprout Method Aug 26 2020 The Sprout Method, a Practical Guide for a Holistic Process of Radical Innovation (2022) presents a set of principles, techniques and tools to develop radically innovative market strategies. This methodology comprises the research of trends and the construction of future scenarios, the design of 360° offers and the projection of action plans to implement ideas. From a pragmatic perspective, The Sprout suggests collective exercises that lead to a fruitful dialogue enriched by the knowledge coming from the different areas of a company, to enhance the critical vision and creative resolution of professionals. Social, economic, environmental and technological challenges are becoming increasingly complex for companies to manage. The evolution of the current market requires devising solutions from new perspectives. The systematic application of The Sprout Method helps to efficiently navigate all the phases of a radical innovation process. It teaches to deeply analyze the context to identify changes and draw prospective scenarios

by industry, from which to recognize business opportunities. It helps define value propositions that take the form of original products, services, spaces, and experiences. It creates consensus among the different actors on the actions to be taken to achieve an organization's innovation objectives. The book is aimed at professionals in the areas of research, marketing, design and management, as well as anyone interested in learning and exercising a complete system of radical innovation. The Sprout Method is useful as a supplement to existing incremental innovation methodologies, as it allows to recognize emerging consumer habits and demands, while encouraging to design improvements in the offer from disruptive paradigms. The guide includes a set of digital and printable tools for readers to work in a workshop format.

IBM Midmarket Software Buying and Selling Guide Dec 10 2021 The IBM® Midmarket Software Buying and Selling Guide is tailored specifically to help the management and IT staff of small and midsized businesses evaluate how the IBM midmarket portfolio can provide simple and cost-effective solutions to common business problems. Along with a midmarket customer focus, this

IBM Redpaper™ publication is designed to help IBM teams and Business Partners be more effective in serving small and mid-sized businesses. We illustrate how IBM software for the midmarket can help businesses use the Web to reduce expenses, improve customer service, and expand into new markets. We cover the IBM software offering for the midmarket, which includes what the software does, the platforms it runs on, where to find more information, and how it can help your business become more profitable: - IBM Business Partners often keep a printed copy of this guide in their briefcases for software references - Customers can view this guide online and look up software-value messages and IBM product family offering comparisons - IBM Sales Representatives can print parts of this guide as "leave-behinds" for customers, to give them extra collateral on midmarket software of interest To make sure that you have the latest version of this guide, download it from this web address:

Paper Mache Nov 28 2020 Have fun with paper mache! Learn everything you need to know about paper mache!- The Ultimate Guide to Learning How to Make Paper Mache Sculptures, Animals, Wildlife and More! This book is for people who want to learn paper mache. The art of paper mache is a fun and inexpensive activity to carry out with your friends and family, and especially with your children. It is also a great way to express your inner creativity. This type of art allows you to let your imagination run rampant while getting messy with glue and paper. You do not have to have artistic skill on par with Picasso or Michelangelo to be able to participate in this variant of art. Paper mache is friendly towards those who feel like they don't have an artistic bone in their body. It's not about creating magnificent sculptures that result in people gaping in awe rather it is about having fun and letting your imagination run wild. If your paper mache dog looks more like a cow then so be it. It's your dog-cow hybrid thing that you made with your own two hands and you should be proud of it and not shamefully hide it in the darkest dwellings of your closet. You will learn so much about paper

mache. In the first chapter, we will kick things off by gifting you with the tools of the trade. We will list the necessary equipment that every good paper mache novice should be familiar with and also the two chief methods used during a typical paper mache session. Once you have the paper mache basics down, it is time to start creating. Each chapter in this practical concise book will be thematic, meaning each chapter will be dedicated to a specific paper mache theme. This book includes several different types of animals, masks that will look great on your own. By the time you finish reading this book you are going to be able to paper mache a whole host of cool things. So if you get a sudden desire to start to paper mache cutesy and unique little shapes that look great around the home or wish to make a homemade mask for a special occasion, be sure to read this book. This craft is a great skill to learn and also to share, particularly with your children as it is fun, productive and an excellent way to express your individuality. Why You Must Have This Book! > In this book you will learn how to make a mask using paper mache. > This book will teach you the steps involved with basic paper mache. > In this book you will learn how to create a paste mix used with paper mache. > This book will guide you through the steps in an easy to follow manner. > This book will teach you make a cool pinata that will be great for your next party. > In this book you will learn so many cool things related to paper mache.
