Rules of Entanglement Aug 26 2020 District Attorney Vanessa MacGregor firmly believes that structure and order are the stuff that dreams are made of. Happiness can be planned—and it starts with the seven rules she's laid out for her future. But as she's organizing her best friend's wedding in Hawaii, all of Vanessa's best-laid plans are about to meet their match in a wickedly hot MMA fighter... Jackson "Jax" Maris is focused on surfing, training, and fighting. That is, until he opens up his big mouth and finds himself having to pretend he's engaged to his little sister's best friend, Vanessa. When they're forced to share a romantic bungalow, however, their little charade suddenly takes a turn for the seriously sexy. And while Jax

is definitely not part of Vanessa's long-term plan, he has seven days—and seven naughty nights—to turn her seven-rule plan upside down. Each book in the Fighting for Love series is **STANDALONE: * Seducing Cinderella * Rules of Entanglement * Fighting For Irish * Sweet Victory**

Holy Radishes! Feb 24 2023 A host of memorable and wacky characters populate this satire of Cuban immigrant life. Lisander, the poet laureate, trades the golden laurel crown of yesteryear for a career as a rock musician. Dina, once the squirrel-costumed prostitute of Marina's zoological luxury brothel, is now the mistress of the radish processing plant. Nelson goes nuts for the squirrel and Bernabé poses as a Nazi concentration camp survivor. The civic leaders who resort to the wilderness of Lake Okeechobess spend their days planning the liberation of their homeland while their wives toil in the radish plant and find consolidation in their shared memories of the Xawa Ladies Tennis Club and their canasta parties. While Holy Radishes is a parable of the Cuban immigrant community, it is, foremost, the story of Nelly Pardo, a dreamer who envisions herself in the paradise called Mondovi, where she has an intimate relationship with Rigoletto, her truffle-loving pet pig. And it is to fulfill her dreams for a better world that she will team up with redneck ex-cheerleader Mrs. James B. III who fabricates a mythical antebellum past to rival that of the immigrants. This unlikely alliance reflects the capacity of women to endure, survive, and overcome.

[Bridging the Gap between Theory and Practice in Translation and Gender Studies](#) May 03 2021 The aim of this work is to share information on two very interesting, yet debatable issues within the field of Translation Studies, namely gender and translation, in an attempt to bridge the gap between theory and practice. Given the important relationship between translation and gender since the beginning of the theoretical debate in Feminist Translation Studies, the aim of this edited volume is to determine and analyse how this relationship has been approached in different countries, not only in Europe, but also worldwide. Feminist translation is undoubtedly a very interesting and widespread phenomenon, which includes and combines questions of language, culture, gender, identity and sexual equality. Feminist Translation Studies has established itself as a solid field of research and practice in many countries and its purpose is to reverse the subordinate role of both women and translators in society by challenging and fighting against what is perceived as patriarchal language. There are still numerous issues that can be taken into account when focusing on translation and gender, and this volume intends to be part of a wider discussion on Translation Studies. The volume intends to outline how scholars in various contexts have approached the question of gender and translation, the use/misuse of the term 'feminist translation', the problematic issue of bridging the gap between theory and practice, and to open a new discussion on this field of research, which we believe is still a very interesting one to exploit.

Someone like you Jul 25 2020 Vivien Hartley ha tutto ciò che potrebbe desiderare: è una delle attrici più famose di Hollywood, ha una voce considerata dai critici come un incrocio tra quelle di Adele e Celine Dion, è bella, è circondata da familiari e amici che la adorano e forma, insieme al fidanzato Jack Morgan, una delle coppie più paparazzate dello star system. Ma per riuscire a diventare ciò che è al momento, ha dovuto attraversare prove che avrebbero distrutto chiunque; il suo passato, infatti, riaffiora in superficie ogni qualvolta Vivien posa gli occhi sul suo ex marito, il ricchissimo CEO delle Foster Industries Joshua-dagli-occhi-di-ghiaccio-Foster. Insieme non hanno condiviso solamente un matrimonio andato male, ma anche la nascita e la morte del loro piccolo Aaron, nonché la comparsa di un demone oscuro che tormenta la donna quotidianamente: la sindrome maniaco-depressiva. I due ex sembrano non riuscire a staccarsi completamente l'uno dall'altra, e quando Josh propone a Vivien di entrare a far parte di un progetto che la potrebbe portare alla realizzazione del suo sogno più grande – vincere l'Oscar come Miglior Attrice Protagonista – Viv si troverà di fronte ad un bivio: dovrà scegliere infatti se mettere di nuovo tutto in discussione, minacciando così il suo rapporto con Jack e con la sua migliore amica Rachel, oppure rinunciare a tutti i propri sogni e proseguire per la strada più sicura. Someone like you è la prima parte di una duologia che racconta la storia d'amore travagliata di Vivien e Joshua, due personaggi che vi faranno arrabbiare e sorridere, soffrire e riflettere... ma quale sarà il loro epilogo?

The Man He Never Was Jun 04 2021 In this fresh take on the classic Dr. Jekyll and Mr. Hyde, James L. Rubart explores the war between good and evil within each of us—and one man's only chance to overcome the greatest divide of the soul. What if you woke up one morning and the darkest parts of yourself were gone? Torren Daniels vanished eight months back, and his wife and kids have moved on—with more than a little relief. Toren was a good man but carried a raging temper that often exploded without warning. So when he shows up on their doorstep out of the blue, they're shocked to see him alive. But more shocked to see he's changed. Radically. His anger is gone. He's oddly patient. Kind. Fun. The man he always wanted to be. Toren has no clue where he's been but he knows he's been utterly transformed. He focuses on three things: Finding out where he's been. Finding out how it happened. And winning back his family. But as the months go on, his memory slowly returns. And the more the memories come, the more Torren slips back into being the man he was before. How can he hang on to the new man he's become? And who is he really? The man he was . . . or the man he is? Praise for *The Man He Never Was*: "With plenty of twists and turns to keep the pages turning, *The Man He Never Was* expertly explores the difference between knowing and experiencing, and asks the important question: What might happen if we could see the person in the mirror as God does?" —Katie Ganshert, award-winning author of *Life After* "This is no mere novel, but a journey to the soul. Sage, deep filled with a truth of terrible beauty and the real nature of love." —Tosca Lee, New York Times bestselling author "In *The Man He Never Was*, James L. Rubart perplexes readers in the best possible way, wooing us through the mystery of a man's lost memory and the high stakes of his broken marriage, failed career, and an unbridled anger problem. A page-turning exploration of what it means to live truly loved." —Mary DeMuth, author of *The Muir House*
