This present technology-rich, content-oriented Spanish conversation program has been designed to help students reach the Intermediate-High level of oral proficiency as defined by the American Council on the Teaching of Foreign Languages (ACTFL). Appropriate for one semester courses taught at most colleges and universities, Charlemos: Conversaciones prácticas consolidates Intermediate-level communication skills and introduces students to the features of the Advanced level through input processing and abundant contextualized speaking practice. The program makes extensive use of multi-media and web technologies to deliver a dynamic and up-to-date learning experience that fosters language acquisition and oral skill development. Highly engaging, authentic video segments are

offered as linguistic input to develop comprehension and grammatical skills. Online tutorials and an award winning multi-media platform are deployed to facilitate contextualized practice and skill-application beyond the classroom. The Versant Spanish Test is offered as a unique capstone experience that enables learners to obtain an objective proficiency rating of their speaking skills at the end of the course. "Versant Spanish Test (single test or two-pack). Used by many institutions as a diagnostic tool (at the beginning of the term) and/or as a summative assessment (to measure student outcomes at the end of the course), the Versant(TM) Spanish Test evaluates a non-native Spanish speaker's ability to understand and to communicate appropriately in Spanish on everyday topics. Versant automated tests allow instructors to quickly, objectively, and accurately assess proficiency in spoken Spanish. Versant tests are research-based and deliver reliable for accurate, meaningful results. The system allows instructors to evaluate students on an equal basis with objective, unbiased scoring. Streamlined administration and automated scoring save time. Your staff can easily administer Versant Spanish Tests by having students take the test over the telephone or on a test center computer. The system automatically scores a test, and makes a detailed score report available for you in the reporting system within minutes of being submitted. A table of correlations between Versant scores and ACTFL proficiency levels is provided in order to guide students preparing for high stakes tests like ACTFL's OPI (Oral Proficiency Interview)" For courses in First-year Russian Introductory Russian, Basic Russian, Basic Intensive Russian, and Intermediate Russian. Golosa is a two-volume, communicative approach to Russian that is designed to help students reach the ACTFL Intermediate range in speaking and Intermediate High in reading and listening. Each volume of Golosa includes a main textbook, a student workbook with laboratory drills and written exercises, and an audio program that runs approximately ten hours per volume and includes listening comprehension exercises, dialogs,

conversations, and rapid-pace oral drills. Each unit in the program revolves around a topic (university, family, etc.), and follows the same basic format: introduction of basic vocabulary for the topic, listening to introductory conversations, short dialogs with activation exercises and role-play practice, practice in listening and reading with emphasis on strategies, grammar study and practice in both oral and written form, and written workbook exercises that go from mechanical to creative. NEW! Book I offers a CD-ROM with lexical and grammatical exercises for each unit! ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- ¡Arriba! Comunicación y cultura is a highly flexible program-one that can be used effectively in a wide range of learning environments by students who learn in different ways and use technology to varying degrees. ¡ Arriba! has been consistently praised for its clarity and for providing materials that are both motivating and easy to use. We believe that you will find these qualities reflected in the sixth edition as well. From a new cultural focus in Perfiles that introduces the cultures of the Hispanic world through personal perspectives to new opportunities for cross-cultural learning throughout; learners can now interact with

Spanish in a dynamic way. You can also gauge your progress with new section-ending *¿Cuánto saben?* activities that help you put everything together in realistic, role-play situations. With the new *Presencia hispana* notes, you can see that Spanish is right outside their your door in your local community, making learning Spanish applicable and useful in your life. See for yourself how this new, personal approach combined with the hallmarks of clear grammar explanations and a wealth of meaningful practice activities brings Spanish to life! Note: This is the standalone book, if you want *Arriba!: Comunicación y cultura* book with MySpanishLab with Pearson eText -- Access Card order the ISBN below: 0205203337 / 9780205203338 *Arriba!: Comunicación y cultura* with MySpanishLab eText (24 MO) Package consists of 0205032923 / 9780205032921 MySpanishLab with Pearson eText -- Access Card -- for *Arriba!: Comunicación y cultura* (24-month access) 0205740375 / 9780205740376 *Arriba!: Comunicación y cultura* Designed with you in mind The  *Anda!* program is based on the National Foreign Language Standards. The five organizing principles (the 5C's) of the Standards for language teaching and learning are at the core of  *Anda!*: Communication, Cultures, Connections, Comparisons, and Communities. Each chapter opener identifies for the instructor where and in what capacity each of the 5C's are addressed. Teaching and Learning Experience The  *Anda!* program provides practical responses to the challenges today's Spanish instructors are facing. Its innovations center around three key areas: -Realistic goals with a realistic approach -Focus on student motivation -Tools to promote success The Books  *la Carte* Edition is an unbound, three-hole punched version of the textbook and provides students with the opportunity to personalize their book by incorporating their own notes and taking only the portion of the book they need to class - all at an affordable price. Note: MyLanguageLabs does not come automatically packaged with this text. To purchase MyLanguageLabs access, please visit: www.mylanguagelabs.com or you can purchase a valuepack of the  *la carte* text +

MyLanguageLabs 24-month access (ISBN: 0205483690). "Why Conexiones? Welcome to the sixth edition of *Conexiones: Comunicación y cultura!* Since the very beginning we have worked to provide a complete intermediate program that brings a broad learner audience to a true intermediate level of proficiency. With each edition, we strive to provide continuity from first- to second-year Spanish with engaging and pedagogically sound materials. After completion of our program, when learners go to use Spanish in their work or personal lives, they will have developed confidence in the language and the ability to express themselves on topics relevant to the issues of our time. Why is *Conexiones* such an effective tool for language learning? Because it provides solutions to the most common challenges of language teaching: ? A solid yet flexible bridge from introductory to intermediate Spanish. Our program meets learners where they are, and allows instructors the flexibility of adapting lessons to varying needs and levels. *Conexiones* takes learners from speaking words and phrases to creating with language; from writing lists and short messages to expressing meaning in practical ways; from understanding of key words and cognates to understanding simple speech and texts. Our program guides learners to an intermediate high level of proficiency as defined by ACTFL's Proficiency Guidelines 2012"-- Develop and begin to apply financial principles People often struggle to see how financial concepts relate to their personal lives and prospective careers. *Financial Management: Principles and Applications* gives readers a big picture perspective of finance and how it is important in their personal and professional lives. Utilizing five key principles, the 13th Edition provides an approachable introduction to financial decision-making, weaving in real world issues to demonstrate the practical applications of critical financial concepts. *The Workbook for Spanish for Health Care* provides students with additional activities and reinforcement of main concepts, as well as practical materials such as diagrams, and forms, and more. It is also available in electronic format in MySpanishLab. Many of us grimace when

faced with grammar exercises. But in order to communicate with others, pass tests, and get your point across in writing, using words and punctuation effectively is a necessary skill. It's a fact that in our life today, good communication skills-including writing-are essential. The good news is that grammar and writing skills can be developed with practice. The Student Audio CDs (3 CDs) include listening segments, dialogs, and vocabulary lists from each chapter in the text. "Conéctate is a fresh approach in every way. With its focus on the most critical language for communication, its active presentation of vocabulary and grammar, and its inclusion of real-world culture throughout, the program provides a unique framework for the Introductory Spanish course, with two separate but complementary goals in mind: learning to use the language and appreciating the world that it comes from"-- For courses in Elementary Spanish A communicative program that places culture front and center Mosaicos: Spanish as a World Language offers instructors the truly communicative, deeply culture-focused approach they seek while providing the guidance and tools students need to be successful using a program with highly communicative goals. With Mosaicos, there is no need to compromise. Recognizing the importance of the relationship between culture and language, the authors place culture front and center throughout, creating for students a multifaceted experience of the intricate mosaic of the Spanish language and its cultures. The 7th Edition offers new Integrated Performance Assessments that make measuring learning outcomes easier than ever. Available packaged with MyLab(tm) Spanish, packaged with the Pearson Single Solution, or as a standalone text. MyLab is the teaching and learning platform that empowers you to reach every student. By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. The Pearson Single Solution allows students to complete their assigned language practice on their mobile devices using Duolingo, the world's leading language learning app. It also enables

instructors to create their entire course inside the campus Learning Management System, simplifying the way they use Pearson-provided content in language courses. Note: This loose-leaf, three-hole punched version of the textbook gives you the flexibility to take only what you need to class and add your own notes -- all at an affordable price. Students, if interested in purchasing this title with MyLab or the Pearson Single Solution, ask your instructor to confirm the correct ISBN and Course ID. Instructors, contact your Pearson representative for more information. This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish indicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Answer key available for download from the "features" tab on the publisher's website: <https://rowman.com/ISBN/9780761863755/Bilingual-Grammar-of-English-Spanish-Syntax-With-Exercises-and-a-Glossary-of-Grammatical-Terms-3rd-Edition> Designed with you in mind

TheiAnda! program is based on the National Foreign Language Standards. - Unique "building block" approach to mastering essential grammar, verbs, and vocabulary
- Tools to help you begin speaking Spanish almost immediately
- Audio recordings of answers to 150

exercises via the exclusive McGraw-Hill Language Lab app • Exercises to help test and measure your progress, and more A balanced and holistic approach to business analytics 'Business Analytics', teaches the fundamental concepts of the emerging field of business analytics and provides vital tools in understanding how data analysis works in today's organizations. Students will learn to apply basic business analytics principles, communicate with analytics professionals, and effectively use and interpret analytic models to make better business decisions. Understanding that students enter the Intermediate Spanish course at different levels, *Atando cabos* brings students to a common proficiency level and "ties up the loose ends" from their first year of Spanish. Focusing on the significance of culture and interpersonal communication in learning a foreign language, this text is comprised of high-interest, relevant themes that motivate critical thinking and classroom discussions. Concentrating on the development of basic skills—listening, speaking, reading and writing, with an equal emphasis on fluency and accuracy—this text teaches students to express, interpret, and negotiate meaning in context while learning to analyze, compare, contrast, and understand Hispanic cultures. Designed with you in mind The *iAnda!* program is based on the National Foreign Language Standards. The five organizing principles (the 5C's) of the Standards for language teaching and learning are at the core of *iAnda!*: Communication, Cultures, Connections, Comparisons, and Communities. Each chapter opener identifies for the instructor where and in what capacity each of the 5C's are addressed. Teaching and Learning Experience The *iAnda!* program provides practical responses to the challenges today's Spanish instructors are facing. Its innovations center around three key areas: -Realistic goals with a realistic approach -Focus on student motivation -Tools to promote success This *Books á la Carte Plus Edition* is an unbound, three-hole punched version of the textbook and provides students the opportunity to personalize their book by incorporating their own notes and taking only the portion of

the book they need to class - all at an affordable price. It comes packaged with a 24-month access code to MySpanishLab, which brings together-in one convenient, easily navigable site-a wide array of language-learning tools and resources. Mastery of pharmacokinetics is more important than ever. To exercise the best possible judgment in patient care, medication plans should be selected for the maximum efficacy and safety for each individual patient. Be confident in your approach with ASHP's Basic & Applied Pharmacokinetics Self Assessment, a new resource from John E. Murphy, author of ASHP's Clinical Pharmacokinetics, Fifth Edition, which offers questions and exercises with answers and detailed solutions to help gauge your understanding. Whether you are a student, a new pharmacist, or a long-time practitioner, it is essential that you not only acquire and maintain your therapeutic knowledge, but also stay on top of new developments in pharmacokinetics. This is a valuable review book designed to test skills for using equations and the application of pharmacokinetic parameters. It is the perfect book to review content you have learned and practiced, in addition to learning new areas not previously covered in your training. As an added feature, the YouTube channel, Basic & Applied Pharmacokinetics Self Assessment Videos, is available as a complementary companion to the book, which includes a library of videos created by John Murphy to help you through the major pain points and help further support your self assessment. For courses in Elementary Spanish A flexible introduction to Spanish that focuses on culture as well as language ¡Arriba! Comunicación y cultura provides a rich, complete, and highly flexible communicative language program that enables instructors to teach the course how they like within a variety of academic settings. Authors Eduardo Zayas-Bazán, Susan Bacon, and Holly Nibert give educators the tools to "speak" in their own voice -- their own unique teaching style -- while delivering a successful and rewarding learning experience. The 7th Edition has been thoroughly updated to offer a new design, fresh chapter openers, and improved vocabulary and grammar

coverage in order to better help students master the language and culture of the Spanish-speaking world. Available packaged with MyLab(tm) Spanish, packaged with Duolingo, or as a standalone text. MyLab is the teaching and learning platform that empowers you to reach every student. By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. Duolingo is the only language practice solution that encourages consistent, daily use from students. Built using principles of learning science and gamification, the Duolingo language learning app is mobile, easy, and fun -- and brings students back again and again. Note: You are purchasing a standalone product. Students, if interested in purchasing this title with MyLab or Duolingo, ask your instructor to confirm the correct ISBN and Course ID. Instructors, contact your Pearson representative for more information. *Fusion*:

Comunicación y cultura is a one-semester text for Intermediate Spanish which offers six balanced chapters with themes to draw in today's students, a thorough and uniquely sequenced Intermediate grammar syllabus, fully integrated culture and vocabulary development, as well as strategy-based reading instruction and process-oriented writing instruction. It's time to talk! ... and have a cultured conversation. Providing the truly communicative, deeply culture-focused approach instructors believe in along with the guidance and tools students need to be successful using a program with highly communicative goals—with *Mosaicos*, there is no need to compromise. Recognizing the primacy of the relationship between culture and language, the new Sixth Edition of *Mosaicos* places culture up front and center, and everywhere in-between! Check with the seller prior to purchase. -- Immerse yourself in Spanish language and culture! *Identidades* empowers learners to acquire Spanish language skills while immersing them in the richness of the Hispanic world and its people. *Identidades* is a two-semester intermediate Spanish program that brings the goals of the National Standards to virtually every page of the text and its ancillary components. The program presents and treats the cultures of the Hispanic world in ways that are both appealing and appropriate for college students and simultaneously maintains reasonable expectations for their understanding and productive use of grammatical concepts and structures. Communicative and rich in cultural content, *Identidades* is engaging, supports the language-learning process, and prepares and encourages students to continue their exploration of the Spanish language and Hispanic cultures beyond the second year. Teaching & Learning Experience Communicative and Content-Based Approach - The goal of the program is to ensure that intermediate level Spanish learners build their language skills in rich communicative and cultural contexts. Communicative activities found throughout the program draw learners to the material presented and help them apply the content to their own experiences. Connect with Culture - By engaging with the cultural, artistic, and social manifestations that infuse the

program, learners will deepen their understanding that the Spanish-speaking world is made up of many races, ethnic groups, and cultures. *Explore Grammar* - The philosophy that underlies the presentation of grammar in *Identidades* is that adult language learners benefit from straightforward explanations and examples, as well as from opportunities to use structures in both controlled and open-ended activities that embed the targeted structures in meaningful communicative contexts. *Build Vocabulary* - Learners are introduced to vocabulary in the context of thought provoking reading selections. *Develop Skills* - A strategy- and process-oriented approach to reading and writing guides learners to apply their cognitive skills to communication in a second language. *Reading strategies and tips*, which draw the learners' attention to key ideas or unfamiliar words or phrases in the passages of each chapter, help readers develop their reading-comprehension skills in Spanish, employing techniques and skills that they use automatically when reading in their native languages. *Writing strategies and tasks* provide guidance for students to produce descriptions, narrations, and explanations in writing. *Research-oriented writing activities* prepare the learner for courses beyond the second year. *Personalize Learning* - MySpanishLab's proven results are available for Intermediate Spanish courses! MySpanishLab for *Identidades* will be available for Fall 2012 courses. MySpanishLab does not come automatically packaged with this text. To purchase MySpanishLab access, please visit: www.mylanguagelabs.com or you can purchase a valuepack of the text + MySpanishLab 24-month access (ISBN: 0205876935). *INTERACTION: LANGUE ET CULTURE, 8th Edition* is a complete intermediate French program offering unparalleled support for the study of culture, literature, and language. The Enhanced 8th Edition includes five court-metragage films with accompanying pre - , during, and post- viewing activities. The film spreads with accompanying activities occur every two chapters in the core textbook. These award-winning Francophone films provide students with opportunities to interact, in a meaningful way, with

the French language and Francophone cultures. The Interaction program contains a broad range of cultural and literary content and concise, yet thorough grammar explanations in a convenient, one-book format. The Eighth Edition maintains the renowned strengths of previous editions--now combined with many improvements, including new readings and cultural content that speak to the interests of today's student. INTERACTION is accompanied by a technologically enhanced multimedia package, including an engaging video program and iLrn: Heinle Learning Center--a powerful, all-in-one online solution that helps you and your students get the most out of your course. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique’s Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: “This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one.” Praise for Enrique’s Journey “Magnificent . . . Enrique’s Journey is about love. It’s about family. It’s about home.”—The Washington Post Book World “[A] searing report from the

immigration frontlines . . . as harrowing as it is heartbreaking.”—People (four stars) “Stunning . . . As an adventure narrative alone, Enrique’s Journey is a worthy read. . . . Nazario’s impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one.”—Entertainment Weekly “Gripping and harrowing . . . a story begging to be told.”—The Christian Science Monitor “[A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid.”—Newsday

This book constitutes the refereed proceedings of the 23rd Australasian Conference on Information Security and Privacy, ACISP 2018, held in Wollongong, Australia, in July 2018. The 41 revised full papers and 10 short papers presented were carefully revised and selected from 136 submissions. The papers present theories, techniques, implementations, applications and practical experiences on a variety of topics such as foundations, symmetric-key cryptography, public-key cryptography, cloud security, post-quantum cryptography, security protocol, system and network security, and blockchain and cryptocurrency.

iAnda! program provides practical responses to the challenges today's Spanish instructors and students encounter. Instructors now face many challenges: Decreased classroom contact hours, increased instructor and student workloads, larger class sizes, new course models like hybrid and fully online and more ambitious classroom goals including focusing on practical communication and culture awareness instead of grammar alone. The iAnda! program offers a true solution for instructors by delivering realistic goals with a realistic approach; focusing on student motivation and offering a variety of tools to promote success. Teaching and Learning Experience Realistic and Balanced Approach - Instructors and students don't have to rush through the entire scope of Spanish grammar in 2 semesters. They can focus on practical communication which helps students feel more motivated and successful in the course. Explore Grammar - Grammar is chunked to allow students to assimilate and practice without feeling overwhelmed. Explanations are clear and concise and include many supporting examples followed by practice activities. Build Vocabulary - Each chapter contains a realistic number of new vocabulary words and like grammar, is presented in chunks at the point of need. Develop Skills - Unique reading and video storyline mystery motivates students to read. Dedicated speaking, listening and writing sections provide strategies and the process necessary to effectively develop skills in the target language. Connect with Culture - Both "high" and "popular" culture are woven throughout the chapters to enable students to learn to recognize and appreciate cultural diversity as they explore behaviors and values of the Spanish-speaking world. They are encouraged to think critically about these cultural practices and gifts to society. Personalize Learning - MySpanishLab's proven results will be available for fall 2012 courses. Note: MyLanguageLabs does not come automatically packaged with this text. To purchase MyLanguageLabs access, please visit: www.mylanguagelabs.com or you can purchase a valuepack of the text + MyLanguageLabs 24-month access (ISBN:

0205872387). In April of 2001, the president of MIT, Charles Vest, announced the establishment of a project for placing MIT course contents on the Web for free access by anyone with an Internet connection. In effect, this announcement started the OpenCourseWare (OCW) movement. Since that time, open educational resources (OER) and more recently massive open online courses (MOOCs) have proliferated. A flurry of research reports, books, programs, announcements, debates, and conferences related to MOOCs and open education have encouraged educators to reflect on how these new forms of educational delivery might enhance or even transform education. As part of this global movement, the four editors of this special issue, Mimi Lee, Curt Bonk, Tom Reynolds, and Tom Reeves, organized a one-day preconference symposium on this topic at the International E-Learn Conference in Las Vegas in October 2013. One direct result of that event is this special issue of the *International Journal on E-Learning (IJEL)*, which contains highly informative and important papers related to the present and future of MOOCs and Open Education around the globe. Developed by experienced language program coordinators at The Ohio State University and The University of Illinois, Urbana-Champaign, *Día a día* offers a fresh approach to fourth-semester Spanish by engaging learners in purpose-driven activities about both their personal lives and professional ambitions. Learners envision how Spanish can become part of their own *día a día* today and tomorrow!

-- Immerse yourself in Spanish language and culture! *Identidades* empowers learners to acquire Spanish language skills while immersing them in the richness of the Hispanic world and its people. *Identidades* is a two-semester intermediate Spanish program that brings the goals of the National Standards to virtually every page of the text and its ancillary components. The program presents and treats the cultures of the Hispanic world in ways that are both appealing and appropriate for college students and simultaneously maintains reasonable expectations for their understanding and productive use of grammatical concepts and structures. Communicative and rich in cultural content, *Identidades* is engaging, supports the language-learning process, and prepares and encourages students to continue their exploration of the Spanish language and Hispanic cultures beyond the second year.

Teaching & Learning Experience Communicative and Content-Based Approach - The goal of the program is to ensure that intermediate level Spanish learners build their language skills in rich communicative and cultural contexts. Communicative activities found throughout the program draw learners to the material presented and help them apply the content to their own experiences.

Connect with Culture - By engaging with the cultural, artistic, and social manifestations that infuse the program, learners will deepen their understanding that the Spanish-speaking world is made up of many races, ethnic groups, and cultures. Explore

Grammar - The philosophy that underlies the presentation of grammar in Identidades is that adult language learners benefit from straightforward explanations and examples, as well as from opportunities to use structures in both controlled and open-ended activities that embed the targeted structures in meaningful communicative contexts. Build Vocabulary - Learners are introduced to vocabulary in the context of thought provoking reading selections. Develop Skills - A strategy- and process-oriented approach to reading and writing guides learners to apply their cognitive skills to communication in a second language. Reading strategies and tips, which draw the learners' attention to key ideas or unfamiliar words or phrases in the passages of each chapter, help readers develop their reading-comprehension skills in Spanish, employing techniques and skills that they use automatically when reading in their native languages. Writing strategies and tasks provide guidance for students to produce descriptions, narrations, and explanations in writing. Research-oriented writing activities prepare the learner for courses beyond the second year. Personalize Learning - MySpanishLab's proven results are available for Intermediate Spanish courses! MySpanishLab for Identidades will be available for Fall 2012 courses. MySpanishLab does not come automatically packaged with this text. To purchase MySpanishLab access, please visit: www.mylanguagelabs.com or you can purchase a valuepack of the text + MySpanishLab 24-month access (ISBN: 0205876935). College-level Spanish language text series may be used for advanced placement high school students. "Gente "is the only truly task-based program that transports you, the learner, into an immersive environment. Learners interact with authentic language from the Hispanic world through a series of carefully-sequenced communicative activities culminating in a real-life task. "Tasks" are collaborative projects that integrate speaking, listening, reading and writing to complete them with the skills that are needed to communicate effectively in the real world! With "Gente," you learn by "doing," communicate with a purpose and emerge as an

independent learner with the confidence to speak Spanish in a spontaneous, natural way. Encouraging a broad understanding of continuity, change, and innovation in human history, Patterns in World History presents the global past in a comprehensive, even-handed, and open-ended fashion. Instead of focusing on the memorization of people, places, and events, this text strives to present important facts in context and draw meaningful connections by examining patterns that have emerged throughout global history.
