leave for parents and fathers removing restrictions to women's work and mandating equal pay it will take another 1549 reforms to reach substantial legal gender equality everywhere in the world. A common story runs through textbook accounts of antebellum women reformers: it is a tale of origins and future progress of new roles for women and the beginning of a movement for gender equality stretching to the present day. The women who threw themselves into reform movements such as temperance and abolition discovered in those crusades the urgent need for another movement: one to secure their own rights at every turn. Their active participation in these causes was limited; they were encouraged to form separate women's societies which held prayer meetings and webbed the status of women in society wasn't equal during the British Raj. People were discriminated on the basis of caste, gender, religion, race, marital status, etc. However, there were a few reformers who tried to reform our society for the good. Let's find out more about women reform and the caste system in India. Webbed women couldn't own property and they had to give any money they made over to their husbands. They also weren't allowed to vote. By the mid-1800s, women started to fight back, demanding webbed by the 1830s when the asylum approach to prostitution revived, women would dominate every aspect of the reform effort. Educational reform: women also became deeply involved in educational reform since colonial times. Girls had received a smattering of elementary education enough to be able to read the Bible but had seldom had any webbed. 20 Dec 2022: it will remove the need for a psychiatric diagnosis of gender dysphoria and reduce the time someone must have been permanently living in their gender before they can apply from two years to three. Webbed 22 Feb 2023: women's suffrage also called woman suffrage: the right of women by law to vote in national or local elections. Women were excluded from voting in ancient Greece and Republican Rome as well as in the few democracies that had emerged in Europe by the end of the 18th century. Webbed: the third wave of feminism emerged in the mid-1990s. It was led by so-called Generation Xers who were born in the 1960s and 70s in the developed world, came of age in a media-saturated and culturally and economically diverse milieu. Although they benefitted significantly from the legal rights and protections that had been obtained by first and webbed 17 Jan 2023: the dividing lines over Scotland's gender laws. One of the most controversial proposals is to lower the minimum age that someone can apply
