City Secrets Rome . is not only slim, small and light but is also packed with information not easily available elsewhere. Offers recommendations from members of Manhattan's literary and artistic communities for restaurants, shopping, entertainment venues, and other notable places to see while in the city. When in Rome, eat as the Romans do! Discover the hidden gourmet joys of eating and drinking in Rome just like the locals. Organized by neighborhood, the book is a tour through the gourmet treasures of the eternal city and features detailed reviews of it's best restaurants, markets, and specialty shops. Diane Seed, a locally based food expert and teacher, packs each section with details about which products or wines to seek out, which local eateries are musts, and which

not-to-be-missed dishes are authentically local such as the fried artichokes of Trastevere or the Orvieto from the hills outside the city. Seed divides Rome into nine prime areas to explore, coordinating her culinary suggestions with the major sites in each area sure to be on a visitor's itinerary. Peppered throughout are forty traditional Roman recipes usually taught at the author's cooking school in the Piazza Venezia neighborhood. What are the world's greatest destinations? Where are the best places to travel solo? From airport fashion to road trip rules, professional traveller Brooke Saward shows us where to go, what to do and how to get that holiday feeling without even leaving home. Full of beautiful photographs that will ignite the imagination and featuring enduring favourites like Paris, New York, and London, this is the book that will inspire you to make every day an adventure. The glamorous capital city of Italy is brought to startling life in *The Rome Affair*, a compelling novel by bestselling author Karen Swan. 1974 and Elena Damiani lives a gilded life. Born to wealth and a noted beauty, no door is closed to her, no man can resist her. At twenty-six, she is already onto her third husband when she meets her love match. But he is the one man she can never have, and all the beauty and money in the world can't change it. 2017 and Francesca Hackett is living la dolce vita in Rome, leading tourist groups around the Eternal City and forgetting the ghosts she left behind in London. When she finds a stolen designer handbag in her dustbin and returns it, she is brought into the orbit of her grand neighbour who lives across the piazza - famed socialite Viscontessa Elena dei Damiani Pignatelli della Mirandola. Elena greets the return of the bag with exultation for it contains an unopened letter written by her husband on his deathbed, twelve years earlier. Mutually intrigued by

each other, the two women agree to collaborate on a project, with Cesca interviewing Elena for her memoirs. As summer unfurls, Elena tells her sensational stories, leaving Cesca in her thrall. But when a priceless diamond ring found in an ancient tunnel below the city streets is ascribed to Elena, Cesca begins to suspect a shocking secret at the heart of Elena's life. 'Glittering jewels, designer labels galore and the most mouth-watering pizza in Rome make this a satisfying summer beach read' - Veronica Henry, Daily Express

Channel your inner gladiator at the Colosseum, spend hours wandering the vast Vatican Museums, or toss a coin and make a wish at Trevi Fountain; all with your trusted travel companion. AN INVESTIGATION

OF EPIC FINANCIAL INTRIGUE, *RENDER UNTO ROME* EXPOSES THE SECRECY AND DECEIT THAT RUN COUNTER TO THE VALUES OF THE CATHOLIC CHURCH. The Sunday collection in every Catholic church throughout the world is as familiar a part of the Mass as the homily and even Communion. There is no doubt that historically the Catholic Church has been one of the great engines of charity in history. But once a dollar is dropped in that basket, where does it go? How are weekly cash contributions that can amount to tens of thousands of dollars accounted for? Where does the money go when a diocese sells a church property for tens of millions of dollars? And what happens when hundreds of millions of dollars are turned over to officials at the highest ranks, no questions asked, for their discretionary use? The Roman Catholic Church is the largest organization in the world. The Vatican has never revealed its net worth, but the value of its works of art, great churches, property in Rome, and stocks held through its bank easily run into the tens of billions. Yet the Holy See as a sovereign state covers a mere 108 acres and has a small annual budget of about \$280 million. No major book has examined the church's financial underpinnings and practices with such journalistic force. Today the church bears scrutiny by virtue of the vast amounts of money (nearly \$2 billion in the United States alone) paid out to victims of clergy abuse. Amid mounting diocesan bankruptcies, bishops have been selling off whole pieces of the infrastructure—churches, schools, commercial properties—while the nephew of one of the Vatican's most powerful cardinals engaged in a lucrative scheme to profiteer off the enormous downsizing of American church wealth. It's the summer of AD 79 and Flavia Gemina and her friends, Jonathan, Nubia and Lupus, set sail for the Bay of Naples where they are going to stay with Flavia's uncle near Pompeii. Once they arrive, they are soon absorbed in a quest to solve a riddle that may lead to treasure. But then tragedy strikes: Mount Vesuvius erupts and the friends must flee for their lives! Not just a mystery - this is an absolutely thrilling action adventure that brings history to life! Each year a flood of visitors come to this decadent, elegant country, to enjoy the pleasures of 'la dolce vita'. Italy has drawn travellers in search of culture and

romance for many centuries. From the northern snow-capped peaks of the Alps and the idyllic hilltop villages of the renowned central Tuscany and Umbria area, to the rugged southern shores of Sicily, lies a plethora of distinctive regions and people. From the sophisticated, vibrant cities to the simple elegance of the countryside, Italy's culture abounds. With Rome at its heart, as a united country, Italy is only a 150 years old which means that each region still has a strong cultural identity, resulting in a country of many different faces to delight returning visitors. An exuberance for life and its simple pleasures endears Italy to its visitors — an appreciation of family, food, history and beauty are the core values at the heart of this popular country. This gorgeous new book in the successful Secrets series is divided into regions: Northern, Central, Southern, Rome, The Islands. It's a perfect read for the armchair traveller and everyone interested in the history and the mystique of the great countries of the world. "The world's foremost artists, writers, architects, restaurateurs, and art historians reveal their favorite discoveries in this insider's guide." -- Jacket. New edition - 15 new secret places Visit palaces closed to the public, admire exceptional works of art away from the tourist circuit, listen to a concert in a magnificent hidden oratory, have your dog or car blessed, observe the miraculous liquefaction of the blood of Saint Pantaleon, puzzle over a rare catoptric meridian or a wonderful anamorphic fresco, discover the remarkable motorised Rubens, enter into the secrets of the Vatican, rediscover a lost Bernini masterpiece, say a prayer before an image of the Holy Face of Jesus like that deposited on the moon in 1969, organise a dinner for two in a private palace, protect your throat from the rigours of winter. Far from the crowds and the usual clichés, Rome is still a reserve of well-concealed treasures that only reveal themselves to those who know how to wander off the beaten track, whether residents or visitors. An indispensable guide for those who thought they knew Rome well, or who would like to discover the hidden face of the city. Rome, the City of Mysteries! Nobody leaves Rome saying "I never saw the Colosseum or I missed the Vatican", but all the things one does miss are what make Rome so truly unforgettable. There are hundreds of places and

monuments that remain out of most tourist routes, even though they worth a visit. Mystery, Conspiracy and Legends, Rome is full to the brim of secret sights and surprises. For once, let's leave aside the city's iconic sights and delve a little further into the secret memories of The Eternal City. Sunday Times Top 10 Bestseller Shortlisted for a British Book Industry Book of the Year Award 2016 The new series Ultimate Rome: Empire Without Limit is on BBC2 now Ancient Rome matters. Its history of empire, conquest, cruelty and excess is something against which we still judge ourselves. Its myths and stories - from Romulus and Remus to the Rape of Lucretia - still strike a chord with us. And its debates about citizenship, security and the rights of the individual still influence our own debates on civil liberty today. SPQR is a new look at Roman history from one of the world's foremost classicists. It explores not only how Rome grew from an insignificant village in central Italy to a power that controlled territory from Spain to Syria, but also how the Romans thought about themselves and their achievements, and why they are still important to us. Covering 1,000 years of history, and casting fresh light on the basics of Roman culture from slavery to running water, as well as exploring democracy, migration, religious controversy, social mobility and exploitation in the larger context of the empire, this is a definitive history of ancient Rome. SPQR is the Romans' own abbreviation for their state: Senatus Populusque Romanus, 'the Senate and People of Rome'. The compelling story of Pope Pius XI's secret relations with Benito Mussolini. A ground-breaking work that will forever change our understanding of the Vatican's role in the rise of Fascism in Europe. Collects recommendations by artists, writers, historians, chefs, and architects in a visitor's guide to lesser-known venues of quality in Paris, featuring, profiles of recommended sites of interest, day-trip itineraries, and detailed maps. An absolute must-read for fans of Shadow and Bone... Quit Dreaming About Rome & Start Planning! It's all the Rome Italy travel information you'll ever need. From Italy's popular author Corrado Augias comes the most intriguing exploration of Rome ever to be published. In the mold of his earlier histories of Paris, New York, and London, Augias moves perceptively through twenty-seven centuries of Roman life, shedding new light on a cast of famous, and infamous, historical figures and uncovering secrets and conspiracies that have shaped the city without our ever knowing it. From Rome's origins as Romulus's stomping ground to the dark atmosphere of the Middle Ages; from Caesar's unscrupulousness to Caravaggio's lurid genius; from the notorious Lucrezia Borgia to the seductive Anna Fallarino, the marchioness at the center of one of Rome's most heinous crimes of the post-war period, Augias creates a sweeping account of the passions that have shaped this complex city: at once both a metropolis and a village, where all human sentiment-bravery and cowardice, industriousness and sloth, enterprise and laxity-find their interpreters and stage. If the history of humankind is all passion and uproar, then, as the author notes, "for centuries Rome has been the mirror of this history, reflecting with excruciating accuracy every detail, even those that might cause you to avert your gaze." Many travellers

dream of visiting an ancient city that has been preserved not only in the form of modest ruins. Would it not be so much more exciting the see such a city in its glory or at least in the state that would echo the magnificent past of the place? While many experienced tourists can point to Pompeii in Italy as such a city, there is also another great location where history is still alive. Ephesus, the pearl of eastern Mediterranean, is a perfect demonstration of the ostentatious wealth of the Greek settlements on the shores of Asia Minor. While Pompeii was erected mainly of bricks, Ephesus shocks the visitors even today with the generous application of the best and most expensive construction materials, including many variations of marble. Naturally, such a splendid archaeological site as Ephesus receives thousands of visitors daily, and it may seem that it does not hold any secrets from them. Millions of photos are taken there every year and then appear in books, leaflets, websites, and social media channels. Can we hope to discover something not published on Facebook or Instagram there? Is it possible to find a peaceful and quiet corner or see the grand theatre and the lavishly decorated Library of Celsus without the crowds? This book has been prepared with the hope to assist all of the readers ready to find out more than can be learned about Ephesus from popular guidebooks and information boards. The aim of this book is not only to take the visitors from one location to another, but also to provide them with more information and question the truth of some commonly repeated statements. Was the small building on Curetes Street really the Temple of Hadrian? Did St. John write the Book of Revelation during his stay in Ephesus? Are the statues adorning the Library of Celsus the portraits of the four virtues of the founder? Who lived in the famous Terrace Houses? Finally, did Mary, the mother of Jesus, live her final years in the city? This book will provide the answers to these and many more questions. During the journey that this guidebook has planned for its readers, they will visit not only the archaeological site of Ephesus, but also other sights situated nearby. The necropolises of the city have been presented here, including the famous Grotto of Seven Sleepers and the cemetery of gladiators that revealed many details about the lives and

deaths of these ancient entertainers. The travellers will also join the pilgrims who have arrived at Ephesus since the times unknown, first to worship the Anatolian Mother Goddess, and then her Hellenised version known as Artemis Ephesia whose sanctuary at Ephesus used to be one of the Seven Wonders of the World. The religious aura of Ephesus did not vanish with the end of antiquity, but has attracted Christian pilgrims for almost two millennia. The final part of this guidebook is devoted to the modest town of Selçuk that has inherited the rich history of ancient Ephesus. The treasures from the past are displayed in the Ephesus Museum located in the town, but it has its share of tourists attractions, too. Towering about the town, there is a hill called Ayasuluk with the imposing fortress that once protected the Basilica of St. John and the grave of this saint. Finally, the book will show you the Eastern Roman heritage of the town and its monuments from the first century of the Turkish rule. This period of history -- the 14th century -- was the last era of the city's great prosperity. Now, it is high time to re-discover Ephesus and walk off the beaten tourist trail, and this guidebook will assist you in this quest. City Secrets London: The Essential Insider's Guide brings together the recommendations of artists, writers, historians, architects, chefs, and other experts whose passionate opinions and highly informed perspectives illuminate well-known sites as well as overlooked treasures. These expert travel companions share with you their favorite little-known places including restaurants, cafés, art, architecture, shops, outdoor markets, strolls, daytrips, as well all manner of cultural and historic landmarks. Clothbound, elegant, and pocket-sized, City Secrets London features a subtle non-guidebook design and detailed maps. With over 175 contributors and 400 entries, City Secrets London is a valuable supplement to any guide more devoted to travel basics. A percentage of the proceeds will be donated to John Soane's Museum, the Whitechapel Gallery, and the Museum of London. One of Italy's best-known writers takes a Grand Tour through her cities, history, and literature in search of the true character of this contradictory nation. There is Michelangelo, but also the mafia. Pavarotti, but also Berlusconi. The debonair Milanese, but also the infamous captain of the Costa Concordia cruise ship. This is

Italy, admired and reviled, a country that has guarded her secrets and confounded outsiders. Now, when this "Italian paradox" is more evident than ever, cultural authority Corrado Augias poses the puzzling questions: how did it get this way? How can this peninsula be simultaneously the home of geniuses and criminals, the cradle of beauty and the butt of jokes? An instant #1 bestseller in Italy, Augias's latest sets out to rediscover the story-different from the history-of this country. Beginning with how Italy is seen from the outside and from the inside, he weaves a geo-historical narrative, passing through principal cities and rereading the classics and the biographies of the people that have, for better or worse, made Italians who they are. From the gloomy atmosphere of Cagliostro's Palermo to the elegant court of Maria Luigia in Parma, from the ghetto of Venice to the heroic Neapolitan uprising against the Nazis, Augias sheds light on the Italian character, explaining it to outsiders and to Italians themselves. The result is a "novel of a nation," whose protagonists are both the figures we know from history and literature and characters long hidden between the cracks of historical narrative and memory. 0 0 1 101 580 The Images Publishing Group 4 1 680 14.0 Normal 0 false false false EN-AU JA X-NONE /\* Style Definitions \*/ table.MsoNormalTable {mso-style-name:"Table Normal"; mso-tstyle-rowband-size:0; mso-tstyle-colband-size:0; mso-style-noshow:yes; mso-style-priority:99; mso-style-parent:""; mso-padding-alt:0in 5.4pt 0in 5.4pt; mso-para-margin:0in; mso-para-margin-bottom:.0001pt; mso-pagination:widow-orphan; font-size:10.0pt; font-family:Cambria;} From magnificent squares to exquisite side streets, tucked-away gardens to quiet neighbourhood cafés and, of course, the architecture for which Rome is so famous, this richly illustrated volume shows the history and style that underline the Eternal City. See Rome through the seasons, or peer through some of the many secret doorways to see a side of the city hidden from the masses. A modern guide for the urban aesthete - and perfect for either those who have already fallen in love with Rome, or those planning a memorable first visit - it is both an insightful travel resource and a love letter to the city that captures Rome's history and atmosphere in spectacular detail. - An insider's guide

to Rome's hidden gems and lesser-known spots - Written by true locals, filled with independent advice, based on thorough research and the author's personal opinions - An inspirational and practical guide to the city's most interesting places, buildings, restaurants, shops, museums, galleries, neighborhoods, gardens and cafes, into 100 lists of 5 secrets - Photography by Roel Hendrickx - A recently updated edition in Luster's successful and attractive series of city guides The 500 Hidden Secrets of Rome helps you set out to discover the most attractive, fun and unique places in Italy's capital. Luisa Grigoletto and Christopher Livesay share 500 addresses and facts that many tourists don't know, sometimes off the beaten track, but always loved by the locals and worth a visit. This book lists, among other things, the 5 best gelaterías, the 5 most beautiful historic shops, 5 breathtaking palazzi which played an important role in art history and 5 sites where major Italian films were shot. It is the perfect book for those who wish to discover the city, but avoid all the usual tourist haunts, as well as for residents who are keen to track down the city's best-kept secrets. If a standard guidebook has never revealed the Italy you seek, let City Secrets show you the way. See the glorious art and architecture of Italy's villages and cities through the eyes of the people who know them best: an architect leads you through a hidden Florence passageway built for the Medici; a novelist points out the panoramic vistas that inspired St Francis; the most renowned of Italian cooks divulges her favourite Venetian eateries; and an artist directs you to the courtyard of a Renaissance convent, where you will ring for access to the frescoes - and a miraculous handprint - that lie within. 'This 5-star thriller is a non-stop action-packed adventure... Reads like the latest blockbuster film... I was left breathless, my heart pounding as I turned the last page' NetGalley review, [REDACTED] You've cracked the Da Vinci code, now uncover the Vatican secret... In the year 44 before the year Zero in the Gregorian Calendar, Rome holds one of the largest pagan funerals in history, the funeral of Julius Caesar. The Jews of Rome, instead of respectfully filing past, take off their sandals and sit on the ground around the tomb. Why? In 1165 CE, a monk lays down the last tiles in a vast mosaic that covers the entire floor of the Cathedral of Otranto, a

port city far down on the heel of the boot that is Italy. It has taken him and his assistants years to create this highly complex and almost psychedelic mishmash of images from ancient mythologies, the Jewish Bible, Christian saints, astrology and even the legend of King Arthur. Why did the monk make this, and what on earth - or in heaven - does it mean? A new century, a new era is born: the Baroque, whose very name means "bizarre, eccentric". In 1624, the two masters of this new style work together as a team for one of the most sacred projects of the century - the colossal canopy over the main altar of the Catholic world, in St. Peter's in the Vatican. After nine arduous years, the work is finished - and so is their friendship, forever. What happened? The list goes on and on in an unbroken chain all over Italy, from the foothills of the Alps to the man-made isles of Venice to the wonders of Florence and Rome to the magic of Naples to the ends of Sicily. Even in our days, the secret tradition continues. This book is about that tradition. About a secret message that has carried on throughout the centuries. And about us all. Filled with eye-catching photos and color illustrations, this is the perfect vade mecum for all women tourists and unobservant Romans alike who want to discover and experience the thousands of unexpected and up-to-the-minute resources that Rome has to offer. Soak in the waters of a spa created in a bank vault, find a naughty little shop of burlesque clothes, try a genuine Roman pizza, discover the intriguing Palazzo della Scimmia with the eternal flame on its tower, reach the heights of the Altare della Patria in a crystal lift, or know the best spot to admire the sunset along the Lungotevere. You'll find the coolest places in Rome in the pages of this book, a precious elixir of insider tips and addresses of all the best kept secrets of the most in-the-know, born-and-bred Roman women." Taking readers on a Grand Tour through Italy's cities, history and literature in search of the true character of this contradictory nation, a leading cultural authority, weaving a geo-historical narrative, sets out to rediscover the story of this country. A beautifully atmospheric new tale from the prize-winning, bestselling novelist Elizabeth Buchan. In the Eternal City, no secret stays hidden forever... Lottie Archer arrives in Rome excited to begin her new job as an archivist. When she discovers a

valuable fifteenth-century painting, she is drawn to find out more about the woman who left it behind, Nina Lawrence. Nina seems to have led a rewarding and useful life, restoring Italian gardens to their full glory following the destruction of World War Two. So why did no one attend her funeral in 1978? In exploring Nina's past, Lottie unravels a tragic love story beset by the political turmoil of post-war Italy. And as she edges closer to understanding Nina, she begins to confront the losses in her own life. Praise for Elizabeth Buchan: 'It's a gem of a book... Beautiful, elegant.' Marian Keyes 'Intricately plotted and beautifully written.' Katie Fforde 'An amazing, emotive, heartbreaking but also ultimately uplifting novel. I really loved it.' Laura Barnett From the urban excitement of smart new restaurants to the sudden peace of hidden gardens, this London guidebook reveals, through anecdote and personal insight, a wealth of little-known gems. The remains of the ancient city of Pompeii, frozen in time following the eruption of Mount Vesuvius in a.d. 79, have provided invaluable evidence of daily life, not only in Rome's provinces, but in its larger urban centers as well. This book provides a fascinating look at how ancient Romans interacted in their public squares and marketplaces, how they worshipped, decorated their homes, and spent their leisure time--at the theater, in the gymnasium, and in the baths and brothels. Illustrated with photographs of architectural remains and exquisite details from a range of ancient artworks, including wall paintings, sculptures, mosaics, and carved reliefs, the book offers a glimpse into a lost world. Any travel guide to Rome will urge visitors to go the Colosseum, but none answers a simple question: Why is it called the Colosseum? *The History of Rome in 12 Buildings: A Travel Companion to the Hidden Secrets of The Eternal City* is compelling, concise, and fun, and takes you behind the iconic buildings to reveal the hidden stories of the people that forged the Roman Empire. Typical travel guides provide torrents of information but deny their readers depth and perspective. In this gap is the really good stuff--the stories that make the buildings come alive and vividly enhance any trip to Rome. *The History of Rome in 12 Buildings* will immerse you in the world of the Romans, one full of drama, intrigue, and scandal. With its help, you will

be able to trace the rise and fall of the ancient world's greatest superpower: Find the last resting spot of Julius Caesar. Join Augustus as he offers sacrifices to the gods. Discover the lie on the façade of the Pantheon. Walk in the footsteps of Jesus. And so much more. Her work has got in the way of relationships before – but never like this Anna’s job as a geologist takes her all over the world, including to the beautiful island of Elba, where she’s sent to look for precious metals. And the island isn’t the only thing that’s gorgeous – she can’t believe her luck when she meets windsurfer Marco and sparks fly. But Anna must keep her role on Elba a secret to avoid upsetting the locals, which means lying to Marco even as they grow closer. When her old friend Toby visits, Anna suddenly finds herself torn between the attentions of the two men. However, Anna’s not the only one keeping secrets. Is Marco being entirely honest with her? And why did Toby really come to visit? A fun and escapist romance, perfect for fans of Lucy Coleman and Alex Brown. A Pulitzer Prize winner’s “fascinating” account of the political battles that led to the end of the Papal States (Entertainment Weekly). From a National Book Award-nominated author, this absorbing history chronicles the birth of modern Italy and the clandestine politics behind the Vatican’s last stand in the battle between the church and the newly created Italian state. When Italy’s armies seized the Holy City and claimed it for the Italian capital, Pope Pius IX, outraged, retreated to the Vatican and declared himself a prisoner, calling on foreign powers to force the Italians out of Rome. The action set in motion decades of political intrigue that hinged on such fascinating characters as Garibaldi, King Viktor Emmanuel, Napoleon III, and Chancellor Bismarck. Drawing on a wealth of secret documents long buried in the Vatican archives, David I. Kertzer reveals a fascinating story of outrageous accusations, mutual denunciations, and secret dealings that will leave readers hard-pressed to ever think of Italy, or the Vatican, in the same way again. “A rousing tale of clerical skulduggery and topsy-turvy politics, laced with plenty of cross-border intrigue.” —Kirkus Reviews, starred review Discusses important archaeological finds from Rome and reveals how archaeologists use the latest technology to discover clues to its ancient

civilization.
