Wars of the Anunnaki Nov 16 2019 Examines the Anunnaki gods' evolving relationships with humanity, their power struggles, and the details of their nuclear war on Earth • Analyzes the crisis and rationale behind the Anunnaki decision to nuke 5 cities in the Jordan plain, resulting in the obliteration of Sumerian civilization • Draws upon the work of Zecharia Sitchin, the Book of Genesis, Sumerian clay tablets, and archaeological evidence such as ancient radioactive skeletons • Examines the Anunnakis' lack of higher consciousness, their reliance on technology, their sacred power objects and sacred geometry, and the possibility of Anunnaki bases on Mars in the distant past The detonation of nuclear weapons in the 20th century was not the first time humanity has seen such terrible destruction. Drawing upon the work of Zecharia Sitchin, the Book of Genesis, Sumerian clay tablets, and archaeological evidence such as ancient radioactive skeletons, Chris Hardy reveals the ancient nuclear event that destroyed the

Sumerian civilization and the power struggles of the “gods” that led up to it. The author explains how the Anunnaki came to Earth from the planet Nibiru seeking gold to repair their ozone layer. Using genetic engineering, they created modern humanity to do their mining work and installed themselves as our kings and our gods. Anunnaki god Enki had a fatherly relationship with the first two humans. Then Enlil, Enki’s brother, took over as Commander of Earth, instating a sole-god theocracy and a war against the clan of Enki and humanity for spoiling the Anunnaki bloodlines through interbreeding. This shift imposed a blackout not only of the very human nature of the Anunnaki “gods” but also of humanity’s own ancient past on Earth. Two of Enlil’s attacks against the Enki clan and humanity are described in the stories of the Deluge and the Tower of Babel. His final attempt, after coercing the Assembly of the Gods into voting yes, was the nuclear bombing of 5 cities of the Jordan plain, including Sodom and Gomorrah, which resulted in the destruction of the Sumerian civilization and the Anunnakis’ own civilization on Earth, including their space port in the Sinai. The author reveals how, after each attempt, humanity was saved by Enki, chief scientist Ninmah, and Enki’s son Hermes. The author explores how the Anunnakis’ reliance on technology and their recurrent wars caused them to lose touch with cosmic consciousness. And she reveals how we will be doomed to repeat this dynamic until humanity awakens to our true origins.

Dreamland Jun 16 2022 Bob Lazar is the reason Area 51 became infamous in the 1980s and his recent appearance on Joe Rogan’s podcast with 7 million listeners is credited with inspiring the Storm Area 51 phenomenon. In his DREAMLAND autobiography, Lazar reveals every detail of his highly controversial story about being an insider within the world’s most legendary military research base. Bob Lazar was a brilliant

young physicist that found himself employed at a top secret facility in the middle of the desert outside Las Vegas. Under the watchful eye of the government elite, he is tasked with understanding an exotic propulsion system being used by an advanced aerospace vehicle he is told came from outer space. The stressful work and long, odd hours start to wear on Bob and he becomes concerned for his safety. He tells his wife and a couple close friends about what he's doing in the desert, and his employers find out and are furious. When they station goons outside his house, Bob seeks help from wealthy UFOlogist, John Lear, who encourages Bob to take his story to award-winning investigative journalist George Knapp at KLAS-TV, a CBS affiliate. To prove he's telling the truth, Bob takes a group of people out into the desert to watch a test flight of the "flying saucer." On the way home, they are stopped by the police, who notify the base, and Bob loses his job. In a series of interviews with CBS TV, Bob Lazar then blows the lid off "Area 51," blows the whistle on the effort to conceal this craft from the American people, and blows up his career as a top physicist. Bob Lazar's reports have been the subject of intense controversy for decades. He has been interviewed numerous times and his story has been corroborated by other individuals he worked with and who were present when these events happened. But until now, Bob Lazar has never told his own story, in every detail in his own words, about those exciting days in the desert outside of Las Vegas and how the world came to learn about the experiments being conducted at Area 51.

Sekret Machines: Gods Nov 21 2022 An exceptional examination that "plays the role of an intellectual Indiana Jones, expertly guiding readers through crumbling, vine-laden Mayan temples; the stunning iconography of ancient Egypt and the esoteric creation myths of antediluvian India, Africa and China." Written by Open Mind's 2017 UFO Researcher of the Year and critically acclaimed producer Tom DeLonge, with renowned researcher Peter Levenda. Sekret Machines: GODS will take you on an eye-opening journey that transcends speculation and is based on unprecedented access to officials at the highest levels of government, military and industrial agencies who have provided insights and assistance never before experienced by any researchers in this controversial field. GODS takes us beyond speculation to certain knowledge of what exactly lies at the heart of the most important Phenomenon ever to confront human understanding. Now in trade paperback, the first volume in Gods, Man & War, GODS introduces the reader to some of the critical issues that are foundational to an intelligent and enlightened grasp of the revelations that will follow in the next two volumes. There is another Force in the universe of our Reality,

another context for comprehending what has been going on for millennia and especially in the last seventy years. Sekret Machines is the result of input from scientists, engineers, intelligence officers, and military officials -- a group we call the Advisors -- and transcends the speculation of journalists, historians and others whose conclusions are often either misinformed or only tease around the edges of the Sekret Machines. The reader will not discover wild theories or unfounded claims, but instead will confront a solid -- if often unsettling -- reality, one that demands the collaboration of all of us in every field of human endeavor if we are to understand it and manage its effects. If nothing else, readers will come to the conclusion that the Phenomenon is not what they think it is. It is, in fact, much more serious and potentially much more threatening than they can imagine. Sekret Machines: GODS is volume one of the companion investigation series to the bestselling fiction thriller Sekret Machines: Chasing Shadows by DeLonge and NYTimes bestselling author AJ Hartley. The whole is truly greater than the sum of its parts. Read together, the thriller series and the investigation series show what cannot be revealed with one approach alone.

Sekret Machines Book 1: Chasing Shadows Feb 24 2023 For those who know... that something is going on... The witnesses are legion, scattered across the world and dotted through history, people who looked up and saw something impossible lighting up the night sky. What those objects were, where they came from, and who—or what—might be inside them is the subject of fierce debate and equally fierce mockery, so that most who glimpsed them came to wish they hadn't. Most, but not everyone. Among those who know what they've seen, and—like the toll of a bell that can't be unring—are forever changed by it, are a pilot, an heiress, a journalist, and a prisoner of war. From the waning days of the 20th century's final great war to the fraught fields of Afghanistan to the otherworldly secrets hidden amid Nevada's dusty neverlands—the truth that is out there will propel each of them into a labyrinth of otherworldly technology and the competing aims of those who might seek to prevent—or harness—these beings of unfathomable power. Because, as it turns out, we are not the only ones who can invent and build...and destroy. Featuring actual events and other truths drawn from sources within the military and intelligence community, Tom DeLonge and A.J. Hartley offer a tale at once terrifying, fantastical, and perhaps all too real. Though it is, of course, a work of... fiction?

Sekret Machines: Man Oct 20 2022 The stunning continuation of an intensive study of UFO phenomena in which the hard science, technology, and the human mind are explored as they relate to our world and the encounters that people are still having today... In *Sekret Machines: Gods*, the cultural, historical, and religious aspects of mankind's encounters with UFO's was explained by Open Mind's 2017 UFO Researcher of the Year and To The Stars Academy of Arts and Science founder Tom DeLonge with renowned research author Peter Levenda. Here, they continue their revelatory work in a thoroughly-researched expose that seeks to solve the scientific mysteries of the the unidentified aerial phenomenon, the UFO experiencers whose lives were changed forever, and what it means for all mankind. To this end, they have divided their study into three fields of inquiry: Genetics and the ET Hypothesis: Was life on Earth actually initiated by alien life forms deliberately? Many cultures worldwide hold clues in their mythos that points to this. But for what ultimate purpose would this have? And what does that make humanity? Consciousness: If the building blocks of life were truly transplanted by a higher intelligence with intent, was our human concept of consciousness included in that DNA? And as we evolve, are we headed toward eventual immortality as sentient beings? Human-Machine Symbiosis: In this section, the concept of technological advancement is explored—focusing on our own astounding achievements in recent years in the fields of Artificial Intelligence and robotics—which leads to a much deeper question: If we have come so far so fast, what unfathomable level of technology must the phenomenon already possess? In *Sekret Machines: Man*, DeLonge and Levenda go beyond the lies fed to the public for decades—using unsealed confidential records, expert analysis, and eyewitness testimony from scientists, civilians, military personnel, researchers, and UFO experiencers to reveal the wide-ranging influence that UFO forces have had upon our past, continue to exert on our present, and may hold for our future.

Raechel's Eyes Jul 05 2021 This is the story of Helen Littrell's daughter Marisa and her odd college roommate Raechel -- two young women who did not fit it -- one legally blind and needing assistance, and the other with a strange diet, but seemingly no history at all. This fascinating story, written

from experience and years of research as documented in Part II, crackles like science fiction but is true. It answers two important questions: Why haven't aliens landed on the White House lawn, and why haven't they taken over the Earth? Marisa's story invites you to expand your vision, to see the world, and ultimately the universe, through the eyes of a blind girl, her mother, and most strangely, through Raechel's Eyes.

The Cryptoterrestrials Oct 28 2020 What if the "aliens" are not from other planets? In THE CRYPTOTERRESTRIALS, Mac Tonnies proposes that at least some accounts of alien visitation can be attributed to a humanoid species indigenous to the Earth, a sister race that has adapted to our numerical superiority by developing a surprisingly robust technology. At the same time, this groundbreaking work attempts to reconcile the mythological and contemporary accounts of "little people" into a coherent picture. "For too long, we've called them 'aliens,' assuming that we represent our planet's best and brightest," writes Tonnies. "Maybe that's exactly what they want us to think."

Pascagoula - The Closest Encounter Aug 06 2021 Pascagoula - The

Closest Encounter - My Story By Calvin Parker Foreword by Philip Mantle (FULL COLOUR EDITION) On October 11th, 1973 nineteen year old Calvin Parker and his friend forty two year old Charles Hickson were spending a frustrating evening fishing on the Pascagoula River in Mississippi. Both men loved to fish but tonight's fishing trip would turn out to be one they would never forget. In the early evening both men were startled when a strange craft descended and hovered a few feet above the ground and just a few yards from their location. Before they had any chance to run an opening appeared in this craft and out 'floated' three humanoid creatures. Both men were absolutely terrified when these creatures grabbed them and took them aboard the craft. On the craft both men were subjected to an examination and at one point they were so terrified as they believed they were about to die. Minutes later both Calvin Parker and Charles Hickson were deposited back on the riverbank and the craft departed. Taking off in their car the two terrified witnesses eventually located a public telephone box and phoned the local sheriff. A short time later they were being interviewed at their local sheriff's office. These two disorientated witnesses told their story of their close encounter and abduction by these strange creatures. The next day all hell was let loose as the press descended on this unsuspecting Mississippi town. Calvin Parker, seriously disturbed by these events, has largely remained in the background without ever detailing the full account of what happened that night, how it affected him and his life, and other close encounters he has experienced down the years. Now, for the first time, Calvin Parker tells his story in full. This book, Pascagoula - The Closest Encounter, tells the story of one of the classic close encounters currently on record. This book features for the first time the full transcript of Calvin Parker's hypnotic regression session with the late Budd Hopkins, one of the world's foremost researchers of this phenomena. The manuscript is also packed full of documents, newspaper cuttings and photographs old and new. This is the full colour edition and a black and white version is also available.

The Tantric Alchemist May 15 2022 The Tantric Alchemist is a work on alchemy as decoded by Tantra and a work on Tantra as understood by alchemists. It uncovers works by Thomas Vaughan and suggests how he and his wife--a 17th-century Welsh couple unique in the history of western alchemy--met their fate when dealing with forces they knew only too well, but which were stronger than their ability to control them. Using the works of Vaughan as his text, Levenda applies the "twilight language" of Tantra to the surreal prose of the alchemist and in the process lays bare the lineaments of the arcane tradition that gave rise to the legend of Christian

Rosenkreutz, the reputed founder of Rosicrucianism who learned his art in the East; and to the 19th- and 20th-century occult movements led by such luminaries as P.B. Randolph, Theodore Reuss, Helena Blavatsky, and Aleister Crowley who also sought (and discovered) this technology in the religions and cultures of Asia. Readers will find that the many disparate threads of an authentic spiritual tradition are woven together here in a startling tapestry that reveals--without pretense or euphemism--the psycho-sexual technique that is at the root of both Tantra and alchemy: that is to say, of both Asian and European forms of esoteric praxis.

The Dark Lord Jan 11 2022 One of the most famous - yet least understood - manifestations of Thelemic thought has been the works of Kenneth Grant, the British occultist and one-time intimate of Aleister Crowley, who discovered a hidden world within the primary source materials of Crowley's Aeon of Horus. Using complementary texts from such disparate authors as H.P. Lovecraft, Jack Parsons, Austin Osman Spare, and Charles Stansfeld Jones ("Frater Achad"), Grant formulated a system of magic that expanded upon that delineated in the rituals of the OTO: a system that included elements of Tantra, of Voudon, and in particular that of the Schlangenkraft recension of the Necronomicon, all woven together in a dark tapestry of power and illumination. The Dark Lord follows the themes in the writings of Kenneth Grant, H.P. Lovecraft, and the Necronomicon, uncovering further meanings of the concepts of the famous writers of the Left Hand Path. It is for Thelemites, as well as lovers of the Lovecraft Mythos in all its forms, and for those who find the rituals of classical ceremonial magic inadequate for the New Aeon. Traveling through the worlds of religion, literature, and the occult, Peter Levenda takes his readers on a deeply fascinating exploration on magic, evil, and The Dark Lord as he investigates one of the most neglected theses in the history of modern occultism: the nature of the Typhonian Current and its relationship to Aleister Crowley's Thelema and H.P. Lovecraft's Necronomicon.

Rites of the Mummy Oct 08 2021 An arcane ritual reveals a code hidden within Thelema's most holy book. Over a period of several years, the former head of Kenneth Grant's Typhonian Order in the United States, conducted a bizarre sexual ritual with elements of Thelema, Lovecraft, and the Egyptian mummification ceremony to unlock a mathematical code buried in plain sight in Aleister Crowley's Book of the Law. Jeffrey Evans, a follower of Aleister Crowley's Thelema since his teenage years, had an encounter on a bridge in Washington, DC, with a being he identified as his holy guardian angel. This being—Karla—provided him with the inspiration to begin a series of rituals incorporating Egyptian and Lovecraftian

elements in an effort to traverse the Tunnels of Set: pathways on the “dark side” of the Qabalistic Tree of Life. The ritual, conducted with his wife, Ruth Keenan, employed cross-dressing and bondage as well as Cthulhian imagery and chanting, and resulted in a series of revelations concerning the mathematical code hidden within the verses of Crowley’s Book of the Law: a circumstance that Crowley always suspected but was never able to prove, not even with the help of accomplished mathematicians. Evans tried in vain to demonstrate this code to other members of the Typhonian Order, to no avail, but a chance meeting online with Peter Levenda resulted in Levenda’s taking a closer look at the data and what he discovered astounded him. He agreed to help bring this discovery to the attention of the general public. There has been very little new work published in the field of Thelema in the last 10 years or so, at least since the death of Kenneth Grant. Most publishing concerning Crowley has been biographical or reissues of Crowley’s own material. This work is a departure from all of that. It is new material, completely unexpected within the Crowley/Thelema/OTO environment, for it offers a new approach to the mathematical nature of Thelema that so far has been based on Qabalah. This work brings attention to the existence of a sacred geometry within the verses of the Book of the Law: a completely unexpected discovery but nonetheless mathematically verifiable. It bridges the gap between Thelema, Freemasonry, and Templarism, as well as Gnosticism, demonstrating a continuum of esoteric thought spanning millennia.

We've Never Been Alone Jan 19 2020 Whether you call them gods, angels, ETs, or aliens, sufficient proof now exists that beings more advanced than humans have influenced our history. Evidence suggests that these outsiders shaped our religions, genes, technology, and cultures. In fact, they may have provided the impetus for modern civilization. Paul Von Ward investigates why modern science and religion refuse to address the possibility that humans interact with Advanced Beings (ABs). He reviews sacred texts, myths and legends--from the Old Testament, Hebrew texts, and the Vedas, to the Greek myths, Sumerian tablets, and other historical sources to make the link between religions, their gods, and alien intervention. He shows how this history of AB intervention has been suppressed and challenges readers to reexamine the origins of notions like “divine revelation” to find common ground among the world’s cultures and religions. Previously published as *God, Genes, and Consciousness*.

Sinister Forces—A Warm Gun Oct 16 2019 The roots of coincidence and conspiracy in American politics, crime, and culture are investigated in this analysis that exposes new connections between religion, political conspiracy, terrorism, and occultism. Readers are provided with strange parallels between supernatural forces such as shamanism, ritual magic, and cult practices, and contemporary interrogation techniques such as those used by the CIA under the general rubric of MK-ULTRA. Not a work of speculative history, this exposé is founded on primary source material and historical documents. Fascinating details on Nixon and the "Dark Tower," the Assassin cult and more recent Islamic terrorism, and the bizarre themes that run through American history from its discovery by Columbus to the political assassinations of the 1960s are revealed.

Ratline Feb 12 2022 *Ratline* is the documented history about the mechanisms by which thousands of other Nazi war criminals fled to the remotest parts of the globe—including quite possibly Adolf Hitler. It is a story involving Soviet spies, Nazi priests, and a network of Catholic monasteries and safe houses known as the ratline. The name of one priest in particular, Monsignor Draganovic, was discovered by the author in a diary found in Indonesia. Why would this name turn up in a document written in a spidery German hand in a remote island in Indonesia? As famed author Peter Levenda began his research, more information came to light: In December of 2009, it was revealed that the skull the Russians claimed was Hitler's—salvaged from the bunker in 1945—was not that of Hitler! In 2010, files from the Office of Special Investigations of the Justice Department were declassified, revealing a history of American intelligence providing cover for Nazi war criminals. The mystery deepened, and the author returned to his own roots hunting Nazis in North America, South America and Europe. He revisited old contacts, made some new ones, and gradually the explosive story was revealed: there is no forensic evidence to prove that Adolf Hitler died in the bunker in April 1945!

Identified Flying Objects Sep 26 2020 Could "UFOs" and "Aliens" simply be us, but from the future? This provocative new book cautiously examines the premise that extraterrestrials may instead be our distant human descendants, using the anthropological tool of time travel to visit and study us in their own hominin evolutionary past. Dr. Michael P. Masters, a professor of biological anthropology specializing in human evolutionary anatomy, archaeology, and biomedicine, explores how the persistence of long-term biological and cultural trends in human evolution may ultimately result in us becoming the ones piloting these disc-shaped craft, which are likely the very devices that allow our future progeny to venture backward across the landscape of time. Moreover, these extraterrestrials are ubiquitously described as bipedal, large-brained, hairless, human-like beings, who communicate with us in our own languages, and who possess technology advanced beyond, but clearly built upon, our own. These accounts, coupled with a thorough understanding of the past and modern human condition, point to the continuation of established biological and cultural trends here on Earth, long into the distant human future.

Exogenesis: Hybrid Humans Sep 07 2021 "Exogenesis is a milestone in understanding our past." —Erich von Däniken, author of Chariots of the Gods Exogenesis: the hypothesis that life originated elsewhere in the universe and was spread to Earth. Exogenesis: Hybrid Humans offers a deep dive into the strongest ever scientific evidence that supports the popular belief that Earth has been visited in prehistory, but goes even further, concluding that there is also compelling evidence of alien involvement with the human genome. The broader history of possible extraterrestrial contact is explored alongside a look at current events in the subject of alien disclosure with the result of highlighting evidence of a contact continuum that has continued since the dawn of humanity. The data brought together suggests that the next stage in human evolution may involve the manifestation of full open contact with the visitors in our lifetimes. Exogenesis: Hybrid Humans explores: An ancient sacred Aboriginal artifact Wreckage from a huge colony ship gets identified along with associated NASA studies concluding it is a material found in only one place on Earth Genetic engineering of Homo sapiens from an early hominin species is confirmed with a lengthy list of DNA anomalies only explainable by humans being an alien 'hybrid' creation The recent NASA sea change with certain academics calling for serious study of UFOs and other anomalous phenomena The theory that an extraterrestrial modified

retrovirus was used to deliver some of the genetic information into the upgraded humans

The volume contains original writings by the leading experts of the phenomena such as: Linda Moulton Howe, Earthfiles reporter, Whitley Strieber best-selling author of Communion, Professor John E. Mack, former head of the Harvard Medical school of psychiatry and an alien abduction investigator, Darryl Anka internationally known for his communication with the extraterrestrial Bashar, Nick Pope, former UK Ministry of Defense UFO investigator, Grant Cameron expert on American presidents and UFOs, Drs. J.J. and Desiree Hurtak, globalists and founders of the worldwide organization, The Academy for Future Science, Caroline Cory, director of Superhuman and ET: Contact, Mary Rodwell, author of the New Human about star-seed children, Henrietta Weekes, actress and writer, expressing the poetic aspects of making contact. Alan Steinfeld, contributes and curates the collection with 30 years of experience with the subject. The Foreword by George Noory of Coast to Coast AM kicks off the volume with his veteran overview of the need to wake up to the "new realities of extraterrestrial existence." At this critical juncture in the government's official acknowledgement of the reality of UFOs/UAPs, scientists, politicians and mainstream news outlets have no idea what to make of these startling revelations or the outpouring of sightings and "contact" experiences currently being reported on a global scale. The book stands as the most comprehensive clarification to date on the intent and intelligence behind the phenomena. The variety of viewpoints expressed in the volume provide a solid foundation for the "preparation" of the greatest challenge to ever face humankind. Making Contact stands as the essential handbook for embracing the most exalted moment in history: Meeting the cosmic others.

The Angel and the Sorcerer Aug 18 2022 Based on Levenda's research into Mormonism, Freemasonry, and esoteric societies over the past thirty

years, this book is intended for an audience that is curious about Mormonism in light of the fact that at the beginning of 2012 there were two Mormons running for the GOP presidential nomination against two Roman Catholics. There has been much confusion in the media over various Mormon phenomena, such as the “magic underwear,” polygamy “Big Love” style, and much else. This book examines the beliefs and reveals the facts of Mormon ideas and practice, starting with its founder Joseph Smith Jr. who began his religious career with rituals of ceremonial magic and divination, and ended it with Freemasonry, the largest militia in the state of Illinois, a candidacy for US president, and assassination. Levenda also discussed the Mormons connection to Howard Hughes, Richard Nixon and Watergate as well as the role of Mormons in contemporary Presidential elections. This is the fascinating story of a purely American religion, its occult origins, and the rise of Mormons in American politics.

Mysteries and Secrets of Numerology Dec 18 2019 Do the secrets of life lie hidden in numbers? *Mysteries and Secrets of Numerology* investigates the ancient and widespread belief that numbers have unexplained powers to influence our lives, everything we do, and everything around us, so that, as the brilliant scientist and philosopher Sir James Hopwood Jeans wrote, "The Great Architect of the Universe now begins to appear as a pure mathematician." Numerology extends throughout the history of the world – from Pythagoras to the mysteries of ancient Babylonia and India, from Norse runes to Egyptian hieroglyphs and ancient Hebrew Gematria. Names, places, and dates all seem to have mysterious numerological significance. Some are positive and supportive; others appear to be negative and act as warnings. Where does the truth lie? In the face of so much global and historical evidence, and in the light of the power of numbers in nature, science, and technology, the secrets and mysteries of numerology are well worth investigating.

Cathedrals of Glass: Valkrys Wakes Nov 28 2020 Teenagers fight for survival on an icy planet in this dystopian science fiction thriller from the New York Times bestselling author of Steeplejack. Second in the Cathedrals of Glass series. The struggle is far from over for the deviant passengers of the Phetteron... Since their ship crash-landed on frozen Valkrys, life for Sola and her companions has been harsh. The deserted, unknown planet has awakened troublesome psychic powers within them. Meanwhile, a malevolent parasite used their minds to turn them against one another. Then what they thought was a rescue team was actually a group of soldiers sent to eradicate them. Months later, those who survived seem to have settled into a quiet routine. Instead of the protein bars and nutra drinks they once consumed back home, they now eat what small birds and furry animals they can catch. They've also traded server towers and chat rooms for the cobalt blue crystal underground caves and ancient cities that block out their psychic powers and allow them to disconnect from each other. Sola, however, tires of this life and is desperate to leave this world behind. She believes the ancient crystal ruins hold the solution. What she discovers may help everyone escape Valkrys—if they can still trust each other. Otherwise, the icy planet may be their final resting place...

Unacknowledged Jan 31 2021 For the last 70 years we've been lied to. What began as a covert black ops program to keep reverse-engineered ET technologies from the Soviets during the Cold War has become a compartmentalized criminal transnational enterprise illegally kept from presidents, world leaders, and congress. Dr. Steven M. Greer, the world's foremost authority on UFOs and ETS has provided briefing materials for sitting U.S. Presidents, members of congress, directors of the CIA and DIA, world leaders, and members of the Joint Chiefs. As founder and director of

CSETI (Center for the Study of Extraterrestrial Intelligence) he has pioneered CE-5 protocols that have enabled thousands of civilians to engage in peaceful contact with our interstellar visitors. Now, he and hundreds of military personnel, scientists, and civilians who had top-secret access to Unacknowledged Special Access Projects (USAPs) have come forward with startling revelations about the greatest cover-up in human history in an attempt to prevent a false flag event in the works that - if unleashed - would make 9/11 look like a fender bender. Holding nothing back, Dr. Greer and his witnesses provide startling details about this unacknowledged chapter in history, energy and anti-gravitic systems, lunar bases, and black shelved technologies (purposely denied patents) that can transform our world...if we force their introduction into the free market.

In Plain Sight Apr 21 2020 An award-winning journalist investigates a story largely ignored by mainstream media but right there, in front of our eyes ... UFOs, UAPs, flying cigars, extraordinary new technologies ... Are we not alone? Award-winning investigative journalist Ross Coulthart has been intrigued by UFOs since mysterious glowing lights were reported near New Zealand's Kaikoura mountains when he was a teenager. The 1978 sighting is just one of thousands since the 1940s, and yet research into UFOs is still seen as the realm of crackpots and conspiracy theorists. In 2020, however, after decades of denial, the US Department of Defence made the astonishing admission that strange aerial and underwater objects frequently reported and videoed by pilots and tracked by sensors are real, unexplained, and pose a genuine national security concern. Compelled to investigate, Coulthart has embarked on what's become the most confronting and challenging story of his career, speaking to witnesses, researchers, scientists, spies and defence and intelligence officials and insiders. What he has found suggests that the world is on the cusp of extraordinary technological breakthroughs and cultural revelations. Bizarre, sometimes mind-blowing and utterly fascinating, *In Plain Sight* tells a story that's largely escaped the radar of mainstream media coverage but has been there all along. Now it's time to observe what's in front of our eyes.

The Nine Apr 02 2021 The roots of coincidence and conspiracy in American politics, crime, and culture are examined in this book, exposing new connections between religion, political conspiracy, and occultism. Readers are taken from ancient American civilization and the mysterious mound builder culture to the Salem witch trials, the birth of Mormonism during a ritual of ceremonial magic by Joseph Smith, Jr., and Operations Paperclip and Bluebird. Not a work of speculative history, this exposé is founded on primary source material and historical documents. Fascinating

details are revealed, including the bizarre world of "wandering bishops" who appear throughout the Kennedy assassinations; a CIA mind control program run amok in the United States and Canada; a famous American spiritual leader who had ties to Lee Harvey Oswald in the weeks and months leading up to the assassination of President Kennedy; and the "Manson secret."

Unholy Alliance Mar 01 2021 In June of 1979, Peter Levenda flew to Chile—then under martial law—to investigate claims that a mysterious colony and torture center in the Andes Mountains held a key to the relationship between Nazi ideology and its post-war survival on the one hand, and occult ideas and practices on the other. He was detained there briefly and released with a warning: "You are not welcome in this country." The people who warned him were not Chileans but Germans, not government officials but agents of the assassination network Operation Condor. They were also Nazis, providing a sanctuary for men like Josef Mengele, Hans-Ulrich Rudel, and Otto Skorzeny. In other words: ODESSA. Published in 1995, Unholy Alliance was the first book in English on the subject of Nazi occultism to be based on the captured Nazi archives themselves, as well as on the author's personal investigations and interviews, often conducted under dangerous conditions. The book attracted the attention of historians and journalists the world over and has been translated into six languages. A later edition boasts the famous foreword by Norman Mailer. How did occultism come to play such an important role in the development of Nazi political ideology? What influence did such German and Austrian occult leaders as Lanz von Liebenfels and Guido von List have over the fledgling Nazi party? What was the Thule Gesellschaft, and who was its creator, Baron von Sebottendorf? Did the Nazi high command really believe in occultism? In astrology? In magic and reincarnation? This is a new and expanded edition of the original text, with much additional information on the rise of extremist groups in Europe, Latin America, Asia, and the United States and the esoteric beliefs that are at their foundations. It is the first book in a trilogy that includes Ratline and The Hitler Legacy. This is where it all began.
