Sent down from Oxford for indecent behaviour, Paul Pennyfeather embarks on a series of bizarre adventures that start in a minor public school and end in one of HM prisons. In 1946, E. V. Rieu's groundbreaking translation of The Odyssey established a cultural legacy that would bring the world's most compelling and influential literature to millions of readers around the globe. For over sixty-five years, Penguin Classics have been making works that were once the sole preserve of academics accessible to everyone; this catalogue offers a complete list of all titles in print across the list - more than 1,200 books, from Aristotle and Austen, to Zola and Zamyatin. 'The Penguin Classics, though I designed them to give pleasure even more than instruction, have been hailed as the greatest educative force of the twentieth century. And far be it for me to quarrel with that encomium, for there is no one whom they have educated more than myself' E. V. Rieu A powerful post-apocalyptic allegory of persecution and intolerance, the Penguin Modern Classics edition of John Wyndham's science fiction masterpiece The Day of the Triffids contains an introduction by M. John Harrison. Nuclear war has devastated the world, bringing with it a host of genetic mutations. In the bleak, primitive society that has emerged from its ruins, any sign of deviation, no matter how small, is ruthlessly rooted out and destroyed. David lives in fear of discovery, for he is part of a secret group of children who are able to communicate with each other by transferring thought-shapes into each other's minds. As they grow older, they feel increasingly isolated. Then one of them marries a 'norm', with terrifying consequences. John Wyndham (1903-1969) the son of a barrister, tried a number of careers including farming, law, commercial art and advertising before writing short stories, intended for sale, in 1925. After serving in the Civil Service and the Army during the Second World War, he decided to try writing a modified form of Science Fiction, which he called 'logical fantasy'. Among his most famous books are The Day of the Triffids (1951), The Kraken Wakes (1953), The Chrysalids (1955), The Midwich Cuckoos (1957, filmed twice as Village of the Damned), Trouble with Lichen (1960), and Chocky (1968). If you enjoyed The Chrysalids, you might like Arthur Miller's The Crucible, also available in Penguin Modern Classics. 'One of those few authors whose compulsive readability is a compliment to the intelligence' Spectator Abandoned by her husband, Amanda Wingfield comforts herself with recollections of her earlier, more gracious life in Blue Mountain when she was pursued by 'gentleman callers'. Her son Tom, a poet with a job in a warehouse, longs for adventure and escape from his mother's suffocating embrace, while Laura, her shy crippled daughter, has her glass menagerie and her memories. Amanda is desperate to find her daughter a husband, but when the long-awaited gentleman caller does arrive, Laura's romantic illusions are crushed. Ayer rejected metaphysical claims about god, the absolute, and objective values as completely nonsensical. First published in 1936 when he was only 24, this work shook the foundations of Anglo-American philosophy and made its author notorious. The unfinished manuscript of The First Man was discovered in the wreckage of car accident in which Camus died in 1960. Although it was not published for over thirty years, it was an instant bestseller when it finally appeared in 1994. The 'first man' is Jacques Cormery, whose poverty-stricken childhood in Algiers is made bearable by his love for his silent and illiterate mother, and by the teacher who transforms his view of the world. The most autobiographical of Camus's novels, it gives profound insights into his life and the powerful themes underlying his work. Albert Camus was born in Algeria in 1913. The works that established his international reputation include THE PLAGUE, THE FALL, THE REBEL and THE OUTSIDER. Camus died in a road accident in 1960 and is remembered as one of the greatest philosophical novelists of the twentieth century. An inspector calls, the title play in this collection, was written inside a week in 1944. Inspector Goole, investigating a girl's death, calls on the Birlings, an outwardly virtuous household. Growing up in a mining community in rural South Wales, Huw Morgan is taught many harsh lessons. Looking back, where difficult days are faced with courage and the valleys swell with the sound of Welsh voices, it becomes clear that there is nowhere so green as the landscape of his own memory. A satirical fantasy on the rise of a tyrant state. Adam Krug stands alone in opposition to the new regime. His antagonist is the leader of the new party, Paduk. Grieving over his wife's recent death, Krug is at first dismissive of Paduk's activities. Then his son David is seized. 'A stone-cold Cold War classic' Toby Litt, Guardian A high-ranking scientist has been kidnapped. A secret British intelligence agency must find out why. But as the quarry is pursued from grimy Soho to the other side of the world, what seemed a straightforward mission turns into something far more sinister. With its sardonic, cool, working-class hero, Len Deighton's sensational debut The IPCRESS File rewrote the spy thriller and became the defining novel of 1960's London. 'Changed the shape of the espionage thriller ... there is an infectious energy about this book which makes it a joy to read' Daily Telegraph Penguin Classics is the largest and best-known classics imprint in the world. From The Epic of Gilgamesh to the poetry of the First World War, and covering all the greatest works of fiction, poetry, drama, history and philosophy in between, this reader's companion encompasses 500 authors, 1,200 books and 4,000 years of world literature. Stuffed full of stories, author biographies, book summaries and recommendations, and illustrated with thousands of historic Penguin Classic covers, this is an exhilarating and comprehensive guide for anyone who wants to explore and discover the best books ever written. First published in 1962, this title imagines the world as if the Allies had lost the Second World War: the African continent virtually wiped out, the Mediterranean drained to make farmland, and the United States divided between the Japanese and the Nazis. These essays, reviews and articles illuminate the life and work of one of the most individual writers of this century - a man who created a unique literary manner from the process of thinking aloud and who elevated political writing to an art. Beautifully designed and gorgeously illustrated, this immersive, puzzle-like exploration of the history and psychology of mazes and labyrinths evokes the spirit of Choose Your Own Adventure, the textual inventiveness of Tom Stoppard, and the philosophical spirit of Jorge Luis Borges. Labyrinths are as old as humanity, the proving grounds of heroes, the paths of pilgrims, symbols of spiritual rebirth and pleasure gardens for pure entertainment. Henry Eliot leads us on a twisting journey through the world of mazes, real and imagined, unraveling our ancient, abiding relationship with them and exploring why they continue to fascinate us, from Kafka to Kubrick to the myth of the Minotaur and a quest to solve the disappearance of the legendary Maze King. Are you ready to step inside? "Black Mischief, " Waugh's third novel, helped to establish his reputation as a master satirist. Set on the fictional African island of Azania, the novel chronicles the efforts of Emperor Seth, assisted by the Englishman Basil Seal, to modernize his kingdom. Profound hilarity ensues from the issuance of homemade currency, the staging of a "Birth Control Gala, " the rightful ruler's demise at his own rather long and tiring coronation ceremonies, and a good deal more mischief. Novel, translated by Joachim Neugroschel. Bataille's scandalous STORY OF THE EYE, written under the pseudonym Lord Auch, centers around the exploits of a young couple exploring the utmost boundaries of the sacred and profane. This hallucinatory melding of sex and religion has lost none of its transgressive power since its original publication in the 1920s, and prefigures Bataille's later studies of death and sensuality, including EROTISM and THE TEARS OF EROS, also published by City Lights and available from SPD. Dubliners is a collection of 15 short stories by James Joyce, first published in 1914. They form a naturalistic depiction of Irish middle class life in and around Dublin in the early years of the 20th century. The stories were written when Irish nationalism was at its peak, and a search for a national identity and purpose was raging; at a crossroads of history and culture, Ireland was jolted by various converging ideas and influences. They centre on Joyce's idea of an epiphany: a moment where a character experiences self-understanding or illumination. Many of the characters in Dubliners later appear in minor roles in Joyce's novel Ulysses. The initial stories in the collection are narrated by child protagonists, and as the stories continue, they deal with the lives and concerns of progressively older people. This is in line with Joyce's tripartite division of the collection into childhood, adolescence and maturity. James Augustine Aloysius Joyce (2 February 1882 – 13 January 1941) was

an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. The Non-Fiction of George Orwell includes three memoirs, *Down and Out in Paris and London*, *The Road to Wigan Pier*, and *Homage to Catalonia* which provide an indispensable introduction to the thought and writing of George Orwell. Immediately after deciding to become a writer, the Eton-educated Orwell lived among the paupers and the poorest of working-class labourers in Paris and the East End of London, observing and recording. His first book *Down and Out in Paris and London* discusses not just the physical life of the poor, but also their inner life. "If you set yourself to it, you can live the same life, rich or poor. You can keep on with your books and your ideas. You just got to say to yourself, 'I'm a free man in here' - he tapped his forehead - "and you're all right." ? George Orwell, *Down and Out in Paris and London* "People are wrong when they think that an unemployed man only worries about losing his wages; on the contrary, an illiterate man, with the work habit in his bones, needs work even more than he needs money. An educated man can put up with enforced idleness, which is one of the worst evils of poverty ... The man who really merits pity is the man who has been down from the start, and faces poverty with a blank, resourceless mind." ? George Orwell, *Down and Out in Paris and London*. *The Road to Wigan Pier*, a highly original and unorthodox political treatise, describes Orwell's experiences living among the destitute and unemployed miners of northern England, sharing, observing, and describing their lives. It concludes with a passionate description of socialism; a critique of the middle class, who, logically, should support it but are its most vociferous opponents; and a scathing critique of the socialist movements of the time. Robert McCrum describes the book's essential role in the evolution of "George Orwell" "The upshot of this uniquely strange book was a kind of creative liberation: Eric Blair, who was now unequivocally George Orwell, had found his voice and his identity. For the rest of his active life - barely 10 years - he would write as a British literary socialist. From this declaration of intent come his masterpieces: *Homage to Catalonia*, *Animal Farm* and, finally, *Nineteen Eighty-Four*. It's arguable that without *The Road to Wigan Pier* none of these would have been possible." *Homage to Catalonia* is Orwell's account of his experiences as a volunteer in the Spanish Civil War. It was a formative period for his political thought and his subsequent writing. He states in *Why I Write* "Every line of serious work that I have written since 1936 has been written, directly or indirectly, against totalitarianism and for Democratic Socialism, as I understand it." *Homage to Catalonia*, "politically and as literature ... is a work of first-class importance," Geoffrey Gorer. "It shows us the heart of innocence that lies in revolution; also, the miasma of lying that, far more than the cruelty, takes the heart out of it," Philip Mairet. George Orwell (1903-1950) was a leading British writer of the twentieth century. After studying at Eton as a King's Scholar he joined the Indian Imperial Police until 1927 when, disgusted by imperialism, he resigned to pursue his boyhood dream of being a writer. Orwell was a prolific journalist, essayist, novelist and nonfiction writer. He is remembered for his prescient writing and his unwavering commitment to truth and clarity of expression. *Animal Farm* and *Nineteen Eighty-Four* have placed him at the very pinnacle of British literature. 'One of the most moving, revolutionary artworks of the twentieth century' Michael Cunningham *Clarissa Dalloway*, elegant and vivacious, is preparing for a party and remembering those she once loved. In another part of London, Septimus Warren Smith is suffering from shell-shock and on the brink of madness. Smith's day interweaves with that of Clarissa and her friends, their lives converging as the party reaches its glittering climax. Virginia Woolf's masterly novel, in which she perfected the interior monologue, brings past, present and future together on one momentous day in June 1923. Edited by Stella McNichol with an Introduction and Notes by Elaine Showalter Hidden away in the Record Department of the sprawling Ministry of Truth, Winston Smith skilfully rewrites the past to suit the needs of the Party. Yet he inwardly rebels against the totalitarian world he lives in, which demands absolute obedience and controls him through the all-seeing telescreens and the watchful eye of Big Brother, symbolic head of the Party. In his longing for truth and liberty, Smith begins a secret love affair with a fellow-worker Julia, but soon discovers the true price of freedom is betrayal. This is the classic book. A volume of plays from the founding architect of twentieth-century drama, including his most popular and controversial work *A Penguin Classic Pirandello* is brilliantly innovatory in his forms and themes, and in the combined energy, imagination and visual colours of his theatre. This volume of plays, translated from the Italian by Mark Musa, opens with *Six Characters in Search of an Author*, in which six characters invade the stage and demand to be included in the play. The tragedy *Henry IV* dramatizes the lucid madness of a man who may be King. In *So It Is (If You Think So)*, the townspeople exercise a morbid curiosity attempting to discover "the truth" about the Ponza family. Each of these plays can lay claim to being Pirandello's masterpiece, and in exploring the nature of human personality, each one stretches the resources of drama to their limits. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. •A classic is a book which has never exhausted all it has to say to its readers• from *Why Read the Classics?* by Italo Calvino Penguin Modern Classics have been shaping the reading habits of generations since 1961. This 50th anniversary catalogue offers a complete list of all the titles in print across the Modern Classics list, from Chinua Achebe to Stefan Zweig via George Orwell and everything else in between. It also contains Italo Calvino's inspiring essay on what makes a classic a classic. A gripping work of psychological horror, in its depiction of bureaucracy run amok Franz Kafka's *The Trial* skirts the line between fantasy and reality. This Penguin Classics edition is translated from the German with an introduction by Idris Parry. 'Somebody must have laid false information against Josef K., for he was arrested one morning without having done anything wrong.' From this first sentence onwards, Josef K. is on trial for his right to exist. Once arrested, he is released, but must report to court on a regular basis - an event that proves maddening, as nothing is ever resolved. As he grows more uncertain of his fate, his personal life - including work at a bank and his relations with his landlady and a young woman who lives next door - becomes increasingly unpredictable. As K. tries to gain control, he succeeds only in accelerating his own excruciating downward spiral. Maintaining an atmosphere of unease throughout, this chilling, thought-provoking novel, more than any other, is infinitely perceptive about the nature of terror and the absurd meaninglessness and futility of human life. Franz Kafka (1883-1924) was a Czech-born German-speaking insurance clerk who despised his job, preferring to spend his time writing. Nevertheless, Kafka published little during his lifetime, and ordered his closest friend to burn the mass of unpublished manuscripts - now familiar to us as some of the most influential novels and short stories of the twentieth century - after his death. Kafka's novels, all available in Penguin Modern Classics, include *The Trial*, *The Castle*, and *Amerika*. If you enjoyed *The Trial*, you might like Kafka's *The Castle*, also available in Penguin Modern Classics. 'This compelling, prophetic novel anticipates the insanity of modern bureaucracy and the coming of totalitarianism' *Daily Telegraph* 'It is the fate and perhaps the greatness of [The Trial] that it offers everything and confirms nothing' Albert Camus "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power. Filled with stories of the series' UK origin, author biographies, short book summaries and recommendations, and illustrated with historic Penguin Classic covers, The Penguin Classics Book is an entertaining historic look at the earliest chapters of the world's best-known Classics publisher. 'It is the history of a revolution that went wrong-and of the excellent excuses that were forthcoming at every step for the perversion of the original doctrine,' wrote George Orwell for the first edition of ANIMAL FARM in 1945. His simple and tragicable, telling of what happens when the animals drive out Mr Jones and attempt to run the farm themselves, has since become a world-famous classic of English prose. 'Surely the most important fictional satire to be written in twentieth-century Britain' Malcolm Bradbury

To celebrate the fiftieth anniversary of Penguin Modern Classics we are publishing an incredibly desirable and collectable postcard collection of 100 Modern Classics authors. Following the success of Postcards from Penguin this is a must-have box of beautifully produced postcards with memorable, often iconic photographs of writers such as Camus, Steinbeck, Orwell, Waugh, Nabokov. Each postcard is designed to evoke the iconic look of the Modern Classics series. Mr Ma and his son Ma Wei run an antiques shop nestled in a quiet street by St Paul's Cathedral in London, where, far from their native Peking, they struggle to navigate the bustling pavements and myriad social conventions of 1920s English society. From their well-meaning landlady Mrs Wedderburn and her carefree daughter Mary, to the old China hands the Reverend Ely and his formidable wife, the Ma encounter all sorts in this story of unexpected love, crossed wires and antipathy. A major contribution to the early twentieth-century conversation on Sino-British relations, Mr Ma and Son is a compelling, witty tale of cultural give-and-take from one of China's best-loved authors. The Lonely Londoners, an unforgettable account of immigrant experience and one of the great twentieth-century London novels, now in in a stunning Clothbound Classics edition. At Waterloo Station, hopeful new arrivals from the West Indies step off the boat train, ready to start afresh in 1950s London. There, homesick Moses Aloetta, who has already lived in the city for years, meets Henry 'Sir Galahad' Oliver and shows him the ropes. In this strange, cold and foggy city where the natives can be less than friendly at the sight of a black face, has Galahad met his Waterloo? But the irrepressible newcomer cannot be cast down. He and all the other lonely new Londoners - from shiftless Cap to Tolroy, whose family has descended on him from Jamaica - must try to create a new life for themselves. As pessimistic 'old veteran' Moses watches their attempts, they gradually learn to survive and come to love the heady excitements of London. Originally written in 1958, the stories which comprise this volume were among the last to be written by Isak Dinesen. The theme of Ariel runs through the collection which includes The Driver, Tempests, Babette's Feast, The Immortal Story and The Ring. Jane Austen's Emma is her masterpiece, mixing the sparkle of her early books with a deep sensibility' Observer Emma is young, rich and independent. She has decided not to get married and instead spends her time organising her acquaintances' love affairs. Her plans for the matrimonial success of her new friend Harriet, however, lead her into complications that ultimately test her own detachment from the world of romance. WITH AN INTRODUCTION BY ANDREW MOTION VINTAGE CLASSICS AUSTEN SERIES - all six of Jane Austen's major novels, beautifully designed and introduced by our finest contemporary writers. Lord Copper, newspaper magnate and proprietor of 'The Daily Beast', has always prided himself on his intuitive flair for spotting ace reporters. That is not to say he has not made the odd blunder, however, and may in a moment of weakness make another. Acting on a dinner party tip from Mrs Algernon Stitch, he feels convinced that he has hit on just the chap to cover a promising little war in the African Republic of Ishmaelia. Illuminating reflections on painting and drawing from one of the most revered artists of the twentieth century 'Thank God for yellow ochre, cadmium red medium, and permanent green light' How does a painter see the world? Philip Guston, one of the most influential artists of the twentieth century, spoke about art with unparalleled candour and commitment. Touching on work from across his career as well as that of his fellow artists and Renaissance heroes, this selection of his writings, talks and interviews draws together some of his most incisive reflections on iconography and abstraction, metaphysics and mysticism, and, above all, the nature of painting and drawing. 'Among the most important, powerful and influential American painters of the last 100 years ... he's an art world hero' Jerry Saltz, New York Magazine 'Guston's paintings make us think hard' Aindrea Emelife, Guardian Outwardly a novel about life in a country-house in whose grounds there is to be a pageant, Between the Acts is also a striking evocation of English experience in the months leading up to the Second World War. Through dialogue, humour and the passionate musings of the characters, Virginia Woolf explores how a community is formed (and scattered) over time. The pageant, a series of scenes from English history, and the private dramas that go on between the acts, are closely interlinked. Through the figure of Miss La Trobe, and author of the pageant, Virginia Woolf questions imperialist assumptions and, at the same time, re-creates the elusive role of the artist. A posthumously published collection of thirty-six essays offering Italo Calvino's invigorating and illuminating analysis of his most treasured literary classics.
