## Ways to Correct Them **Good English, Or Popular Errors in Language**

An excellent guide to improving diction, punctuation, spelling, word usage, sentence structure, and grammar that uses extensive exercises and examples. This book focuses on the most commonly made grammar mistakes by non-native English speakers. This means that you can set yourself a reasonable target. So rather than trying to learn all English grammar, just concentrate on those issues that tend to be used the most frequently and/or tend to create the most misunderstandings. Each chapter contains: Examples of typical mistakes. Examples of correct usage. Rules / explanations. A short exercise where you can immediately practise what you have learned. Additional exercises. Keys to all exercises. The book also contains a Teachers Introduction. Easy English! is a series of books to help you learn and revise your English with minimal effort. You can improve your English by reading texts in English that you might well normally read in your own language e.g. jokes, personality tests, lateral thinking games, wordsearches. doing short exercises to improve specific areas grammar and vocabulary, i.e. the areas that tend to lead to the most mistakes - the aim is just to focus on what you really need rather than overwhelming yourself with a mass of rules, many of which may have no practical daily value Other books in the Easy English!series include: Wordsearches: Widen Your Vocabulary in English Test Your Personality: Have Fun and Learn Useful Phrases Word games, Riddles and Logic Tests: Tax Your Brain and Boost Your English Top 50 Grammar Mistakes: How to Avoid Them Top 50 Vocabulary Mistakes: How to Avoid Them Grammar and Punctuation is the system and structure of a language. The rules of grammar and punctuation help us to decide the order we put words in and which form of word to use. Grammar is most important because it is the language that makes it possible for us to talk about language.

Correct grammar and punctuation is key to speak and write English fluently and confidently. Knowledge of English grammar and punctuation helps us to avoid errors that make our English sound strange to native speakers. Correct English grammar and punctuation not only demonstrate our English skills, but also show that we are diligent and have eye for details. A diagnostic test and practice exercises cover basic grammar, punctuation, and sentence structure. English has become a global language. In the minds of many worldwide, it guarantees a better life through enhanced social and economic opportunities. As a result, English teachers are in high demand. Some claim that English is attractive because as it has spread throughout the world, it has severed it's who adopt it. Grammar rules and vocabulary can simply be taught to eager learners so they can use English for social and economic advancement. However, learning English is more than mastering a certain number of words and memorizing a set of grammar rules. Although plugging words it is less effective for language learners. Language acquisition studies have discovered that both native and nonnative speakers learn English best not by being taught rules but by interacting with other users of the language, either orally or through print. This interaction introduces a social element to grammar that brings with it hidden social messages. For example, suppose a language learner has been taught that English has a very simple way to make requests: simply say the verb with no subject being expressed, as in "Open the door." After class, the student is carrying a pile of books and comes to a closed door. What would be the reaction of other English speakers if the student were to shout out to someone passing nearby, "Open the door"? The student would probably be considered rude. "Could you please open the door?" which has the form of a question rather than a command, would probably be considered more polite. Suppose an English teacher sees one of her students writing with a crayon rather than a pencil. She helpfully asks, "Don't you have a pencil?" If

the student answers "yes," does that mean that the student does or does not have a pencil? The answer depends on which part of the world the student is from. Writing is a form of expression, as is painting and composing music. No-one has the right to tell artists to paint in a particular way, nor the right to tell composers to compose in a particular way. So don't we have a right to talk and write as we please? In the same breath, pedants bemoan what they believe to be falling standards in schools, and in writing in general, and then deride those who cannot write as well as themselves, calling them "appallingly ignorant". Rather than belittling those who, through no fault of their own, had a seemingly impoverished education, surely a decent response would be one of understanding and sympathy. But perhaps it is the pedants who are appallingly ignorant for failing to see that language cannot be correct or incorrect, right or wrong. As this book proves, to call, say, a split infinitive wrong is about as silly as calling a lampshade dishonest. It is what philosophers call a category mistake. Contrary to what pedants think, English is not going to the dogs. Change is not necessarily for the worse. If it was, English speakers would have lost the ability to communicate centuries ago. Instead English has gone on to become the lingua franca of the world. We need a different, more tolerant, attitude to language, one that respects the innate creativity and lust for novelty that defines Homo sapiens. And one that eradicates the anxiety that many suffer when they have to put pen to paper or give a talk. What this attitude should be is explored in this book. Speak and write English as if it were your native tongue! Are you tired of making the same mistakes in English again and again? End the bad habits that can leave the people you talk to confused. Correct Your English Errors warns you of hundreds of typical errors learners make and explains the reasons behind the mistakes, so you can correct yourself in the future. Improve your English skills with this fun and comprehensive guide and avoid all the common mistakes, such as: Mispronouncing and

misspelling words Applying your native language's grammar patterns to English Putting verbs in the wrong tense Using incorrect prepositions in expressions Confusing subject-verb agreement Correct Your English Errors offers exercises covering all parts of grammar and provides review passages to check that you are error-free. Soon, biting your nails will be your only bad habit! This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. NEW YORK TIMES BESTSELLER • A sharp, funny grammar guide they'll actually want to read, from Random House's longtime copy chief and one of Twitter's leading language gurus NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • Paste • Shelf Awareness "Essential (and delightful!)"—People We all write, all the time: books, blogs, emails. Lots and lots of emails. And we all want to write better. Benjamin Dreyer is here to help. As Random House's copy chief, Dreyer has upheld the standards of the legendary publisher for more than two decades. He is beloved by authors and editors alike—not to mention his followers on social media—for deconstructing the

English language with playful erudition. Now he distills everything he has learned from the myriad books he has copyedited and overseen into a useful guide not just for writers but for everyone who wants to put their best prose foot forward. As authoritative as it is amusing, Dreyer's English offers lessons on punctuation, from the underloved semicolon to the enigmatic en dash; the rules and nonrules of grammar, including why it's OK to begin a sentence with "And" or "But" and to confidently split an infinitive; and why it's best to avoid the doldrums of the Wan Intensifiers and Throat Clearers, including "very," "rather," "of course," and the dreaded "actually." Dreyer will let you know whether "alright" is all right (sometimes) and even help you brush up on your spelling—though, as he notes, "The problem with mnemonic devices is that I can never remember them." And yes: "Only godless savages eschew the series comma." Chockful of advice, insider wisdom, and fun facts, this book will prove to be invaluable to everyone who wants to shore up their writing skills, mandatory for people who spend their time editing and shaping other people's prose, and—perhaps best of all—an utter treat for anyone who simply revels in language. Praise for Dreyer's English "Playful, smart, self-conscious, and personal . . . One encounters wisdom and good sense on nearly every page of Dreyer's English."—The Wall Street Journal "Destined to become a classic."—The Millions "Dreyer can help you . . . with tips on punctuation and spelling. . . . Even better: He'll entertain you while he's at it."—Newsday The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the

latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, *The Blue Book of Grammar and Punctuation* offers comprehensive, straightforward instruction. How to speak and write with complete confidence, and express yourself clearly. This classic by Brian Hythian has been fully updated and simplified to make it accessible and relevant to today's readers. Never has the ability to express yourself well - in job interviews and presentations as well as in the writing of letters and reports - been more important. This book will help you to improve your ability to express yourself clearly and correctly in both spoken and written English. Part One concentrates on the meanings and functions of words and shows how they fit in and work within the rules of grammar, punctuation and spelling. Three chapters show you how to avoid common errors and another chapter gives you words whose meanings are often confused. Part Two starts with a discussion of synonyms and choosing words. There is an analysis of how English is used in a wide variety of contexts, ranging from the simple transmission of factual material (including journalism and advertising) to the sophisticated use of language in creative writing. There are suggestions on the styles and techniques of narrative descriptive and discursive writing, with many examples and extracts from published writing, and advice on the writing of essays, summaries and reports. From Simon & Schuster, *The Handbook of Good English* is Edward D. Johnson's comprehensive, easy-to-use guide to modern grammar, punctuation, usage, and style. Now substantially revised and

updated, this essential guide is arranged in an easy-to-follow, topical style that takes readers from the rules governing basic sentence structure to methods of achieving effective expression. Designed to help resolve most common English language problems and queries, this book has an accessible reference format with examples and explanations of mistakes regarding sentence construction, spelling, punctuation and grammar. 50 English Spelling Tests | Test your spelling skills with spelling tests --- Sample This: Choose the Correct Spelling - Test 01 -- Below are given words with five different spellings each.
