Greek Homosexuality Jun 16 2022 To what extent and in what ways was homosexuality approved by the ancient Greeks? An eminent classicist examines the evidence--vase paintings, archaic and classical poetry, the dialogues of Plato, speeches in the law courts, the comedies of Aristophanes--and reaches provocative conclusions. A discussion of female homosexuality is included.

Organizational, Direct Support, and General Support Maintenance Repair Parts and Special Tools List (including Depot Maintenance Repair Parts and Special Tools) for Oscilloscope AN/USM-281C, (NSN 6625-00-106-9266). May 15 2022

Greek Homosexuality Oct 20 2022 Hailed as magisterial when it first appeared, Greek Homosexuality remains an academic milestone and continues to be of major importance for students and scholars of gender studies. Kenneth Dover explores the understanding of homosexuality in ancient Greece, examining a vast array of material and textual evidence that leads him to provocative conclusions. This new release of the 1989 second edition, for which Dover wrote an epilogue reflecting on the impact of his book, includes two specially commissioned forewords assessing the author's legacy and the place of his text within modern studies of gender in the ancient world.
