The perfect gift, this book is not a how-to guide. It won't tell you how to get your baby to sleep, how to deal with toddler tantrums, how to be a good parent, a cool parent, or even a renegade parent. It's a book about parenting that contains absolutely no useful advice whatsoever. Instead, Hurrah for Gin shares beautifully honest anecdotes and illustrations from the parenting front line that demonstrate it is perfectly possible to love your children with the whole of your heart while finding them incredibly irritating at the same time. From pregnancy to starting school, Hurrah for Gin takes you through the exciting, frustrating, infuriating, and wonderful whirlwind of parenthood, offering solidarity and a friendly hug after a tough day. Best served with gin. MINDFULNESS reveals a set of simple yet powerful practices that can be incorporated into daily life to help break the cycle of anxiety, stress, unhappiness, and exhaustion. It promotes the kind of happiness and peace that gets

into your bones. It seeps into everything you do and helps you meet the worst that life throws at you with new courage. The book is based on Mindfulness-Based Cognitive Therapy (MBCT). MBCT revolves around a straightforward form of mindfulness meditation which takes just a few minutes a day for the full benefits to be revealed. MBCT has been clinically proven to be at least as effective as drugs for depression and is widely recommended by US physicians and the UK's National Institute for Health and Clinical Excellence - in other words, it works. More importantly it also works for people who are not depressed but who are struggling to keep up with the constant demands of the modern world. MBCT was developed by the book's author, Oxford professor Mark Williams, and his colleagues at the Universities of Cambridge and Toronto. By investing just 10 to 20 minutes each day, you can learn the simple mindfulness meditations at the heart of MBCT and fully reap their benefits. The book includes links to audio meditations to help guide you through the process. You'll be surprised by how quickly these techniques will have you enjoying life again. Over 100,000 copies sold! Quit playing it safe and start running toward the roar! When the image of a man-eating beast travels through the optic nerve and into the visual cortex, the brain sends the body a simple but urgent message: run away! That's what normal people do, but not lion chasers. Rather than seeing a five-hundred-pound problem, they see an opportunity for God to show up and show His power. Chase the Lion is more than a catch phrase; it's a radically different approach to life. It's only when we stop fearing failure that we can fully seize opportunity by the mane. With grit and gusto, New York Times best-selling author Mark Batterson delivers a bold message to everyone with a big dream. This is a wake-up call to stop living as if the purpose of life was to simply arrive safely at death. Our dreams should scare us. They should be so big that without God they would be impossible to achieve. Quit running away from what you're afraid of. Chase the lion! Change the world! What is your five-hundred-pound dream? In this highly anticipated sequel to his best-selling In a Pit with a Lion on a Snowy Day, Mark Batterson invites lion chasers everywhere to chase dreams so impossible that victory demands we face our fears, defy the odds, and hold tight to God. These are the kind of dreams that will make you a bigger person and the world a better place. Based upon 2 Samuel 23, Chase the Lion tells the true story of an ancient warrior named Benaiah who chased a lion into a pit on a snowy day—and then killed it. For most people, that situation wouldn't just be a problem...it would be the last problem they ever faced. For Benaiah, it was an opportunity to step into his destiny. After defeating the lion, he landed his dream job as King David's bodyguard and eventually became commander-in-chief of Israel's army under King Solomon. Written in a way that both challenges and encourages, this revolutionary book will help unleash the faith and courage you need to identify, chase, and catch the five-hundred-pound dreams in your life. 2020 Planner Queen Proudly Presents our new 2020 Yearly Planner Book!
