The Still Life in the Fiction of A. S. Byatt Jul 03 2021 This book explores the ways in which English writer A. S. Byatt's visual still lifes (descriptions of real or imagined artworks) and what are termed "verbal still lifes" (scenes such as laid tables, rooms and market stalls) are informed by her veneration of both realism and writing. It examines Byatt's adoption of the Barthesian concept of textual pleasure, showing how her ekphrastic descriptions involve consumption and take time to unfold for the reader, thereby highlighting the limitations of painting. It also investigates the ways in which Byatt's still lifes demonstrate her debts to English modernist author Virginia Woolf, French writer Marcel Proust, and the Pre-Raphaelite Brotherhood of nineteenth-century Britain. A number of Byatt's verbal still lifes are read as semiotic markers of her characters, particularly with regard to economic status and class. Further, her descriptions uniting food and sexuality are perceived as part of her overall representation of pleasure. Finally, Byatt's employment of vanitas iconography in many of her portrayals of death is discussed showing how her recurring motif of Keats's "Ode on a Grecian Urn" teases out the still life's inherent tension between living passion and "cold" artwork.

The Still Small Voice Apr 19 2020 Whereas Freud himself viewed conscience as one of the functions of the superego, in *The Still Small Voice: Psychoanalytic Reflections on Guilt and Conscience*, the author argues that superego and conscience are distinct mental functions and that, therefore, a fourth mental structure, the conscience, needs to be added to the psychoanalytic structural theory of the mind. He claims that while both conscience and superego originate in the so-called pre-oedipal phase of infant and child development they are comprised of contrasting and often conflicting identifications. The primary object, still most often the mother, is inevitably experienced as, on the one hand, nurturing and soothing and, on the other, as frustrating and persecuting. Conscience is formed in identification with the nurturer; the superego in identification with the aggressor. There is a principle of reciprocity at work in the human psyche: for love received one seeks to return love; for hate, hate (the talion law).

The Light of Other Days Mar 11 2022 In the most exciting SF collaboration ever, Arthur C. Clarke and his acknowledged heir Stephen Baxter pool talent and unprecedented cosmic insights as well as page-turning plotting skills and breathlessly good writing to produce the most awesome novel of the future since 2001: *A Space Odyssey*.

In the Still of the Night Mar 31 2021he will find you. It was supposed to be just another overnight shift at the zoo where Holly McCabe worked...until she discovered something more dangerous than lions and tigers lurked in the darkness. Holly McCabe works the overnight shift at the local zoo. She likes the peace and quiet but never forgets that the only thing separating her from the dangerous animals surrounding her is a fence, a moat, or a sheet of unbreakable glass.

What Holly doesn't know is that on this night, a greater threat lurks in the darkness at the zoo. Someone who has revenge in mind. Someone who wants to kill her. But first, like the great cats on display at the zoo, he will play with her.

Still Life with Oysters and Lemon Dec 28 2020 Mark Doty's prose has been hailed as "tempered and tough, sorrowing and serene" (The New York Times Book Review) and "achingly beautiful" (The Boston Globe). In Still Life with Oysters and Lemon he offers a stunning exploration of our attachment to ordinary things-how we invest objects with human store, and why.

In the Still Dec 20 2022 "An astounding debut, breathtaking..."When Ali Dalglish immigrated to Canada she left behind her career as Britain's most in-demand forensic pathologist & criminal psychologist. Now, eight years later, Ali feels alone, and bored, and full of resentment. Suffocated and frustrated by her circumstances and in an increasingly love-starved marriage, Ali finds herself embroiled in a murder case that forces her to call upon her dormant investigative

skills. As she's pulled deeper into the case of 'The Alder Beach Girl' and into the mind of a true psychopath, Ali is forced to confront her fears and to finally embrace her own history of mental illness. In an increasingly febrile atmosphere Ali must fight hard to protect those she loves from the wrath of a determined and vicious predator and to ultimately allow the woman she once was to breathe again. "Twisted, disturbing, tender and utterly gripping..." "Literally un-put-downable..." "Jacqueline Chadwick has burst onto the crime scene with an explosive debut that leaves the reader gasping for more..." "Jacqueline Chadwick is probably best known for her work in British soap operas. Jackie appeared in ITV soap opera Emmerdale, as Tina Dingle from 1994-1996. For this role she was nominated for Most Popular Actress at the 1996 National Television Awards. Jackie next appeared in Coronation Street in 1998 as factory machinist Linda Sykes. The storyline involving her character's relationship with Mike Baldwin won Best Storyline at The British Soap Awards in 2001. She left Coronation Street in 2001. In 2002 she relocated to Canada with her husband and family. In *The Still* is her first novel.

Still Life Jul 23 2020 A Good Morning America Book Club Pick A captivating, bighearted, richly tapestried story of people brought together by love, war, art, flood, and the ghost of E. M. Forster, by the celebrated author of *Tin Man*. Tuscany, 1944: As Allied troops advance and bombs sink villages, a young English soldier, Ulysses Temper, finds himself in the wine cellar of a deserted villa. There, he has a chance encounter with Evelyn Skinner, a middle-aged art historian intent on salvaging paintings from the ruins. In each other, Ulysses and Evelyn find a kindred spirit amidst the rubble of war-torn Italy, and paint a course of events that will shape

Ulysses's life for the next four decades. Returning home to London, Ulysses reimmerses himself in his crew at The Stoa and Parot—a motley mix of pub crawlers and eccentrics—all the while carrying with him his Italian evocations. So, when an unexpected inheritance brings him back to where it all began, Ulysses knows better than to tempt fate: he must return to the Tuscan hills. With beautiful prose, extraordinary tenderness, and bursts of humor and light, *Still Life* is a sweeping portrait of unforgettable individuals who come together to make a family, and a deeply drawn celebration of beauty and love in all its forms.

The Still Point of the Turning World Nov 26 2020 THE NEW YORK TIMES BESTSELLER

With a new chapter detailing the events that have taken place since Ronan's passing in February 2013. Like all mothers, Emily Rapp had ambitious plans for her son, Ronan. He would be smart, loyal, physically fearless, level-headed but fun. He would be good at crossword puzzles like his father. He would be an avid skier like his mother. Rapp would speak to him in foreign languages and give him the best education. But all of these plans changed when Ronan was diagnosed at nine months old with Tay-Sachs disease, a rare and always-fatal degenerative disorder. Ronan was not expected to live beyond the age of three; he would be permanently stalled at a developmental level of six months. Rapp and her husband were forced to re-evaluate everything they thought they knew about raising a family. They would have to learn to live with their child in the moment; to find happiness in the midst of sorrow; to parent without a future. *The Still Point of the Turning World* is the story of a mother's journey through grief and beyond it. Rapp's response to her son's diagnosis was a belief that she needed to 'make my world big' - to make sense of her family's situation through art, literature, philosophy, theology and myth. Drawing on a broad range of thinkers and writers, from C.S. Lewis to Sylvia Plath, Hegel to Mary Shelley's *Frankenstein*, Rapp learns what wisdom there is to be gained from parenting a terminally ill child. In luminous, exquisitely moving prose, she re-examines our most fundamental assumptions about what it means to be a good parent, to be a success, and to live a meaningful life. Emily Rapp Black's follow up memoir, *Sanctuary*, will publish in January 2021.

And Still I Rise Sep 24 2020 A beautiful and inspiring collection of poetry by Maya Angelou, author of *I KNOW WHY THE CAGED BIRD SINGS* and 'a brilliant writer, a fierce friend and a truly phenomenal woman' (BARACK OBAMA). 'I write about being a Black American woman, however, I am always talking about what it's like to be a human being. This is how we are, what makes us laugh, and this is how we fall and how we somehow, amazingly, stand up again' Maya Angelou Maya Angelou's poetry - lyrical and dramatic, exuberant and playful - speaks of love, longing, partings; of Saturday night partying, and the smells and sounds of Southern cities; of freedom and shattered dreams. 'Her poetry is just as much a part of her autobiography as *I Know Why the Caged Bird Sings* and the volumes that follow.' Kirkus 'It is true poetry she is writing . . . it has an innate purity about it, unquenchable dignity' M. F. K. Fisher

Still Mine Feb 16 2020 She's on the hunt for a missing woman, but she's being hunted herself. Clare is on the run. From her past, from her husband, from her own secrets. When she arrives in the remote mining town of Blackmore asking about Shayna Fowles, a local girl who disappeared, everyone wants to know who Clare really is and what she's hiding. Everyone in Blackmore is hiding something, but Clare more than most, including what ties her to Shayna in the first place. Mysteries around Shayna's disappearance abound - did she flee? Was she killed? Is it possible she's still alive? As Clare unravels the truth, she must also come face-to-face with her own demons and confront what she's really running from. A tense and gripping mystery from bestselling author Amy Stuart, perfect for fans of Liz Nugent and Lisa Gray. Praise for *Still Mine* 'An impressive debut, rooted in character rather than trope, in fundamental understanding rather

than rote puzzle-solving.’ The Globe and Mail ‘Stuart is a sensitive writer who has given Clare a painful past and just enough backbone to bear it.’ New York Times ‘A gripping page-turner, with a plot that takes hold of you and drags you through the story at breakneck speed. The characters are compelling, the setting chilling and the suspense ever-present.’ Toronto Star ‘Author Amy Stuart has created a likable heroine, complete with some pretty serious flaws. Between Clare and the other characters of Blackmore, the story is both haunting and compelling.’ Vancouver Sun ‘Twisty and swift, Amy Stuart’s Still Mine is a darkly entertaining mystery machine. But what will really surprise you is the emotional foundation on which it has been built.’ Andrew Pyper, bestselling author of The Homecoming ‘Still Mine delivers all the nail-biting moments of a fast-paced thriller and filters them through the eyes of girl-with-a-past Clare O’Dey: deeply flawed yet instantly recognizable, O’Dey is a noir detective hero for a postmodern age. Author Amy Stuart sends one missing woman out to look for another one, and the result is chilling. You’ll find yourself turning the pages faster and faster.’ Elisabeth De Mariaffi, author of The Devil You Know ‘An intricately woven thriller. . . . You’ll want desperately to solve the mystery not only of the missing Shayna, but of Clare O’Dey, Amy Stuart’s heartbreaking heroine, on the run from the darkest forces both within and without. . . A vivid and haunting debut.’ Holly LeCraw, author of The Swimming Pool ‘From its evocative opening to its heart-pounding conclusion, Still Mine is a gripping mystery that I felt desperate to solve... A tense and absorbing read.’ Lucy Clarke author of The Castaways

Time Built at the turn of the twentieth century by one of the richest and most powerful men in the world tucked away in the pristine Pocono Mountains, Summer Place, a retreat for the rich and famous, seems the very essence of charm and beauty, “a scene borrowed from a wondrous fairytale of gingerbread houses, bright forests, and glowing, sunny meadows.” But behind the yellow and white trimmed exterior lurks an evil, waiting to devour the unwary... Seven years ago, Professor Gabriel Kennedy’s investigation into paranormal activity at Summer Place ended in tragedy, and destroyed his career. Now, Kelly Delaphoy, the ambitious producer of a top-rated ghost-hunting television series, is determined to make Summer Place the centerpiece of an epic live broadcast on Halloween night. To ensure success, she needs help from the one man who has come face-to-face with the evil that dwells in Summer Place, a man still haunted by the ghosts of his own failure. Disgraced and alienated from the academic community, Kennedy wants nothing to do with the event. But Summer Place has other plans... As Summer Place grows stronger, Kennedy, along with the paranormal ghost hunting team, The Supernaturals, sets out to confront...and if possible, destroy...the evil presence dwelling there.
