books for Classes IX and X are completely based  
on CCE pattern of CBSE. The book for Term I  
covers the syllabus from April to September and  
the book for Term II covers the syllabus from  
October to March. This book is a complete  
developed package for job seekers who look their  
career in the stable government services of India.  
Job seekers in India keep looks for an efficient  
way to explore the career opportunities and if the  
question is about government jobs then this  
matter becomes even more concerned. Because  
Government sector in India is always being the  
very first choice for employment and career. The  
reason is the luxury, reputation, job security and  
high salary of these jobs. This book will allow them  
to explore all the public sector opportunities  
announced by Government of India and will help  
to learn how to navigate the appropriate process  
for different government job applications. Each  
chapter in this book pinpoint the complete  
guidelines for the government jobs in a particular  
public sector. It is not only a path guide for the  
job seekers to explore the government jobs but it  
is also a smart tool that will help them to enhance  
their career in a broadened way. Time to time

Government of India announces different public sector jobs at central and state level including Civil Services, Central and States' Public Sector Companies, Banks Autonomous Bodies, Defence Services, Indian Civil Services, Public administration services and other organisations. So it becomes very difficult for an individual to be aware of about all the jobs and get information about how to explore all those jobs. But with the help of this book it will be very easy for him to be informed about all the jobs possibilities in a single bundle. So in this book the reader will learn to find meaningful government jobs in different public sectors that fit to them, and how to best get there. This book has been prepared in such a way that it will be helpful for both the students and faculty.
