foreword by New
York Times best-
selling author David
Platt, pastor Mark
Dever's classic
book is not an

instruction manual for church growth. Rather, it is a wise pastor's recommendation for how to assess the health of a church using nine crucial qualities often neglected by many of today's congregations. Church leaders and church members alike will resonate with the principles outlined here, breathing new life and health into the church at large. In this newly revised edition, fresh arguments have been added (for example on expositional preaching, about the nature of the gospel, on complementarianism), illustrations have been updated, appendices have been changed, and

cover has been improved. USA TODAY, PUBLISHERS WEEKLY, AND ECPA BESTSELLER

- The author of *Radical* takes readers on a soul-searching journey through impoverished villages in the Himalayan mountains, daring them to make a difference in a world of urgent need, starting right where they live. "Grippingly vulnerable and unforgettable. I could not put this book down."—Ann Voskamp, author of *One Thousand Gifts*

While leading a team on a week-long trek of the Himalayas, bestselling author and pastor David Platt was stunned

by the human needs he encountered, an experience so dramatic that it "changed the trajectory of my life." Meeting a man who'd lost his eye from a simple infection and seeing the faces of girls stolen from their families and trafficked in the cities, along with other unforgettable encounters, opened his eyes to the people behind the statistics and compelled him to wrestle with his assumptions about faith. In *Something Needs to Change*, Platt invites readers to come along on both the adventure of the trek, as well as the adventure of seeking answers to tough questions like, "Where is God in the middle of

suffering?" "What makes my religion any better than someone else's religion?" and "What do I believe about eternal suffering?" Platt has crafted an irresistible message about what it means to give your life for the gospel--to finally stop talking about faith and truly start living it. Praise for *Something Needs to Change* "Rugged. Authentic. Gritty. Real. Worshipful. There are no other books like this one. I always pick up David's books with a sense of excitement and, quite honestly, apprehension—because I know that areas of compromise and complacency in my life are going to be

exposed. But this book exceeded even my high expectations, for which I am grateful. And so will you be. As David writes, it's time to run, not walk. Let's go."—J. D. Greear, president of the Southern Baptist Convention "Extraordinary and challenging. I've just never read a book like this before. I am so moved. Bring your full heart to this story and watch how God opens your eyes, changes your mind, and broadens the dreams you have for your life."—Annie F. Downs, best-selling author of *100 Days to Brave* and *Remember God* "If you dare to read this book, you

might just have an unexpected encounter with Jesus that leaves you weeping on the floor, as David's experience did. Something changes within us when the seemingly overwhelming needs of the world present themselves simply in the life of a single person. Ultimately, I pray your compassion will be transformed to action."—Santiago "Jimmy" Mellado, president and CEO of Compassion International Edited by David Platt, Daniel L. Akin, and Tony Merida, this new commentary series, projected to be 48 volumes, takes a Christcentered approach to expositing each

book of the Bible. Rather than a verse-by-verse approach, the authors have crafted chapters that explain and apply key passages in their assigned Bible books. Readers will learn to see Christ in all aspects of Scripture, and they will be encouraged by the devotional nature of each exposition. Exalting Jesus in Matthew is the second volume in the series and is solely authored by Platt (best-selling author of *Radical*). Other projected contributors to the series include notable authors such as Russell D. Moore, Al Mohler, Matt Chandler, Francis Chan, Mark Dever, and others. What is Jesus worth

to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, Jesus said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? Edited by David Platt, Daniel L. "For years now, I've been running around preaching to anyone who'll listen that UX is something that everybody (not just UX people) needs to be doing. Dave has done an excellent

job of explaining what developers need to know about UX, in a complete but compact, easy-to-absorb, and implementable form. Developers, come and get it!” —Steve Krug, author of *Don't Make Me Think! A Common Sense Approach to Web Usability Master User Experience and Interaction Design from the Developer's Perspective For modern developers, UX expertise is indispensable: Without outstanding user experience, your software will fail. Now, David Platt has written the first and only comprehensive developer's guide to achieving a world-class user*

experience. Quality user experience isn't hard, but it does require developers to think in new ways. The Joy of UX shows you how, with plenty of concrete examples. Firmly grounded in reality, this guide will help you optimize usability and engagement while also coping with difficult technical, schedule, and budget constraints. Platt's technology-agnostic approach illuminates all the principles, techniques, and best practices you need to build great user experiences for the web, mobile devices, and desktop environments. He covers the entire process, from user personas and

stories through wireframes, layouts, and execution. He also addresses key issues—such as telemetry and security—that many other UX guides ignore. You'll find all the resources and artifacts you need: complete case studies, sample design documents, testing plans, and more. This guide shows you how to Recognize and avoid pitfalls that lead to poor user experiences Learn the crucial difference between design and mere decoration Put yourself in your users' shoes—understand what they want (and where, when, and why) Quickly sketch and

prototype user interfaces for easy refinement Test your sketches on real users or appropriate surrogates Integrate telemetry to capture the best possible usage information Use analytics to accurately interpret the data you've captured Solve unique experience problems presented by mobile environments Secure your app without compromising usability any more than necessary "Polish" your UX to eliminate user effort everywhere you can Register your product at informit.com/register for convenient access to downloads, updates, and

corrections as they become available. This is no ordinary missions book. The theme isn't new, but the approach is refreshing and compelling, as contributors David Platt, Louie Giglio, Michael Ramsden, Ed Stetzer, Michael Oh, David Mathis, and John Piper take up the mantle of the Great Commission and its Spirit-powered completion. From astronomy to exegesis, from apologetics to the Global South, from being missional at home to employing our resources in the global cause, Finish the Mission aims to breathe fresh missionary fire into a new generation, as together we seek to reach the unreached and

engage the unengaged. This series affirms that the Bible is a Christ-centered book, containing a unified story of redemptive history of which Jesus is the hero. It's presented as sermons, divided into chapters that conclude with a "Reflect & Discuss" section, making this series ideal for small group study, personal devotion, and even sermon preparation. It's not academic but rather presents an easy-reading, practical and friendly commentary. The series is projected to be 48 volumes. 2014 "Christian Retailing's Best" award finalist! What did Jesus really mean when

he said, “Follow Me”? In this new book, David Platt, author of the New York Times bestselling book, *Radical: Taking Back Your Faith from the American Dream*, contends that multitudes of people around the world culturally think they are Christians yet biblically are not followers of Christ. Scores of men, women, and children have been told that becoming a follower of Jesus simply involves believing certain truths or saying certain words. As a result, churches today are filled with people who believe they are Christians . . . but aren’t. We want to be disciples as long as doing so does not intrude on

our lifestyles, our preferences, our comforts, and even our religion. *Revealing a biblical picture of what it means to truly be a Christian, Follow Me* explores the gravity of what we must forsake in this world, as well as the indescribable joy and deep satisfaction to be found when we live for Christ. The call to follow Jesus is not simply an invitation to pray a prayer; it’s a summons to lose your life—and to find new life in him. This book will show you what such life actually looks like. Revised and updated, with a new chapter on the refugee crisis. Welcome to the front lines. Everywhere we

turn, battle lines are being drawn—traditional marriage vs. gay marriage, pro-life vs. pro-choice, personal freedom vs. governmental protection. Seemingly overnight, culture has shifted to the point where right and wrong are no longer measured by universal truth but by popular opinion. And as difficult conversations about homosexuality, abortion, and religious liberty continue to inject themselves into our workplaces, our churches, our schools, and our homes, Christians everywhere are asking the same question: How are we supposed to respond to all this? In *Counter Culture*,

New York Times bestselling author David Platt shows Christians how to actively take a stand on such issues as poverty, sex trafficking, marriage, abortion, racism, and religious liberty—and challenges us to become passionate, unwavering voices for Christ. Drawing on compelling personal accounts from around the world, Platt presents an unapologetic yet winsome call for Christians to faithfully follow Christ into the cultural battlefield in ways that will prove both costly and rewarding. The lines have been drawn. The moment has come for Christians to rise

up and deliver a gospel message that's more radical than even the most controversial issues of our day.

Apologetics is for everyone. The Bible is clear that all believers are called to defend their faith. However, if apologetics is the formal process that we have come to expect, this sounds like an impossible task. But what if apologetics could be part of natural, normal conversation—both from the pulpit and in everyday life?

Aimed at preparing you to clearly and confidently defend your faith, Expository Apologetics sets forth an approach to apologetics that is rooted in Scripture and

eminently accessible. Filled with real-world examples and practical advice, this book will equip you with the tools you need to think biblically and converse persuasively—offering unbelievers “a reason for the hope that is in you.” You may think you are a Christian—but are you sure? Jesus’ call to follow him is more than an invitation to pray a prayer. It is a summons to lose your life and find new life and ultimate joy in him. In David Platt’s book *Follow Me: A Call to Die. A Call to Live* he asks the question, “What did Jesus really mean when he said, ‘Follow me?’” What if we really listened

to Jesus' words and heard what he is saying? When people truly engage with Jesus' personal invitation to follow him, everything changes, for he is worthy of all our trust and affections. What Did Jesus Really Mean When He Said Follow Me? builds on the message of Follow Me to motivate readers to experience our grand purpose: to exalt the glory of God by spreading Christ's gospel—to make disciples who are making disciples. This booklet is a great resource to share with others to discuss crucial faith questions in a personal and grace-filled manner and engage others to be disciple-makers in

obedience to Jesus. Ideal for small groups or personal and mass evangelism. With contributions from popular Bible teachers, including David Platt, John Piper, D. A. Carson, Andy Davis, Mack Stiles, Michael Oh, and Stephen Um, this collection of biblical expositions explores how God's love for us is meant to drive Christians out into the world on mission for him. Addressing "hot topics" that are actively discussed today—such as whether or not people without Christ are really lost and the Christian's responsibility to fight for social justice—this book sketches the biblical basis for

missions based on the apostle Paul's words in 2 Corinthians, equipping Christian men and women to think carefully about their own role in taking the good news about Jesus to the world. A short-term, video-enhanced Bible study for all youth by David Platt. "I've just finished reading the best computer book [Why Software Sucks...] since I last re-read one of mine and I wanted to pass along the good word. . . . Put this one on your must-have list if you have software, love software, hate programmers, or even ARE a programmer, because Mr. Platt (who teaches programming) has

set out to puncture the bloated egos of all those who think that just because they can write a program, they can make it easy to use. . . . This book is funny, but it is also an important wake-up call for software companies that want to reduce the size of their customer support bills. If you were ever stuck for an answer to the question, 'Why do good programmers make such awful software?' this book holds the answer." - John McCormick, Locksmith columnist, TechRepublic.com "I must say first, I don't get many computing manuscripts that make me laugh out loud. Between the laughs, Dave Platt

delivers some very interesting insight and perspective, all in a lucid and engaging style. I don't get much of that either!" -- Henry Leitner, assistant dean for information technology and senior lecturer on computer science, Harvard University "A riotous book for all of us downtrodden computer users, written in language that we understand." -- Stacy Baratelli, author's barber "David's unique take on the problems that bedevil software creation made me think about the process in new ways. If you care about the quality of the software you create or use, read

this book." -- Dave Chappell, principal, Chappell & Associates "I began to read it in my office but stopped before I reached the bottom of the first page. I couldn't keep a grin off my face! I'll enjoy it after I go back home and find a safe place to read." -- Tsukasa Makino, IT manager "David explains, in terms that my mother-in-law can understand, why the software we use today can be so frustrating, even dangerous at times, and gives us some real ideas on what we can do about it." -- Jim Brosseau, Clarrus Consulting Group, Inc. A Book for Anyone Who Uses a Computer Today...and Just Wants to Scream!

Today's software sucks. There's no other good way to say it. It's unsafe, allowing criminal programs to creep through the Internet wires into our very bedrooms. It's unreliable, crashing when we need it most, wiping out hours or days of work with no way to get it back. And it's hard to use, requiring large amounts of head-banging to figure out the simplest operations. It's no secret that software sucks. You know that from personal experience, whether you use computers for work or personal tasks. In this book, programming insider David Platt explains why that's the case and, more

importantly, why it doesn't have to be that way. And he explains it in plain, jargon-free English that's a joy to read, using real-world examples with which you're already familiar. In the end, he suggests what you, as a typical user, without a technical background, can do about this sad state of our software--how you, as an informed consumer, don't have to take the abuse that bad software dishes out. As you might expect from the book's title, Dave's expose is laced with humor--sometimes outrageous, but always dead on. You'll laugh out loud as you recall incidents with your own software that made you cry. You'll

slap your thigh with the same hand that so often pounded your computer desk and wished it was a bad programmer's face. But Dave hasn't written this book just for laughs. He's written it to give long-overdue voice to your own discovery--that software does, indeed, suck, but it shouldn't. What if building the right church depends on using all the wrong people? Imagine. Churches not built on the greatest talent, the finest facilities, or the most exceptional programs. Instead, churches that come together to unleash every single person to impact the world with the Spirit of God for the glory of God. It's a radical idea. Words of

wisdom from American philanthropist Andrew Carnegie. Focusing on Carnegie's most famous essay, "The Gospel of Wealth," this book of his writings, published here together for the first time, demonstrates the late steel magnate's beliefs on wealth, poverty, the public good, and capitalism. Carnegie's commitment to ensuring and promoting the welfare of his fellow human beings through philanthropic deeds ranged from donations to universities and museums to establishing more than 2,500 public libraries in the English-speaking

world, and he gave away more than \$350 million toward those efforts during his lifetime. The Gospel of Wealth is an eloquent testament to the importance of charitable giving for the public good. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished

scholars and contemporary authors, as well as up-to-date translations by award-winning translators. New York Times bestseller New York Times bestselling author David Platt challenges us to unite around a gospel-centered vision in Radical Together. In Radical, David Platt's plea for Christians to take back their faith from the American Dream resonated with readers everywhere. Now, he asks how a gospel-centered vision might reshape our priorities as the body of Christ? How might well-intentioned Christians actually prevent God's

people from accomplishing God's purpose? And, how can we best unleash the people of God in the church to carry out the purpose of God in the world? Writing to everyone who desires to make an impact for God's glory—whether you are an involved member, a leader, or a pastor—Dr. Platt shares six foundational ideas that fuel radical obedience among Christians in the church. With compelling Bible teaching and inspiring stories from around the world, he will help you apply the revolutionary claims and commands of Christ to your community of faith in fresh,

practical ways. Be inspired to respond to spiritual and physical needs with urgency and Christlike compassion. In the first devotional from David Platt, *Follow Him* equips and empowers you to bring people to know Jesus Christ through your life. To be a disciple of Jesus is to make disciples of Jesus. This has been true since the first century, when Jesus invited four men to follow him. More than searching for fish all over the Sea of Galilee, these men would spread the gospel all over the world. They would give their lives by not simply being disciples of Jesus, but by sacrificially making disciples of Jesus.

And God's design for twenty-first-century disciples is the same. Becoming a Christian involves responding to the gracious invitation of God in Christ. As we follow Christ, he transforms our will, mind, desires, relationships, and our ultimate reason for living. Every disciple of Jesus exists to make disciples of Jesus, here and among every people group on the planet. Bestselling author and Bible teacher David Platt invites you to take a closer look over the next thirty-five days at what it means to be a true disciple; to become a fisher of men; and to give up your life, take up your cross, and *Follow Him*. Noted pastor J. D. Greear

addresses the important but rarely explored topic of Christians who doubt their salvation or have an unclear notion of what “asking Jesus into your heart” really means. Pastor Kyle Idleman doesn’t just want to be a fan of Jesus, he wants to full heartedly commit to him and be a follower of Jesus. But how can you make the leap from fan to follower? In Not a Fan Idleman uses biblical examples to show how the people who met Jesus also had to decide if they were fans or followers, and what it meant for them to then become followers. Being a follower doesn’t mean that you go to church every week,

that you slap a Jesus fish on the back of your car, and that you give to charity. That’s what a fan does. What a follower of Jesus does, Idleman observes, is die to themselves each and every moment of the day because “you can’t say yes to following Jesus unless you say no to living for yourself.” In this three part book Idleman helps you to discover whether you are a fan or a follower, how to recognize the invitation Jesus has given, and what following Jesus looks like in your daily life. With humor and real life examples to draw you closer to Jesus, Kyle Idleman compels each and every one of us to Not Be A Fan A

choice lies before you: Either waste your life or live with risk. Either sit on the sidelines or get in the game. After all, life was no cakewalk for Jesus, and he didn’t promise it would be any easier for his followers. We shouldn’t be surprised by resistance and persecution. Yet most of us play it safe. We pursue comfort. We spend ourselves to get more stuff. And we prefer to be entertained. We are all tempted by the idea of security, the possibility of a cozy Christianity with no hell at the end. But what kind of life is that really? It’s a far cry from adventurous and abundant, from truly rich and really

full, and it's certainly not the heights and the depths Jesus calls us to. Discover in these pages a foundation for fearlessness. Hear God's promise to go with you into the unknown. And let Risk Is Right help you see the joys of a faith-filled and seriously rewarding life of Jesus-dependent abandon! Risk Is Right is a significantly expanded version of a chapter previously published in the book Don't Waste Your Life (chapter 5). Jesus gave his followers a command: "Follow me." And a promise: "And I will equip you to find others to follow me." We were made

to make disciples. Designed for use in discipleship relationships and other focused settings, Multiply will equip you to carry out Jesus's ministry. Each of the twenty-four sessions in the book corresponds with an online video at www.multiplymovement.com, where New York Times bestselling author David Platt joins Francis in guiding you through each part of Multiply. One plus one plus one. Every copy of Multiply is designed to do what Jesus did: make disciples who make disciples.... Until the world knows the truth of Jesus Christ. Personal study guide for this 6 session, small

group Bible study by David Platt that looks at what Jesus said about being His disciple. This series affirms that the Bible is a Christ-centered book, containing a unified story of redemptive history of which Jesus is the hero. It's presented as sermons, divided into chapters that conclude with a "Reflect & Discuss" section, making this series ideal for small group study, personal devotion, and even sermon preparation. It's not academic but rather presents an easy-reading, practical and friendly commentary. The series is projected to be 48 volumes. With more than 300,000 copies in

print, *When Helping Hurts* is a paradigm-forming contemporary classic on the subject of poverty alleviation. Poverty is much more than simply a lack of material resources, and it takes much more than donations and handouts to solve it. *When Helping Hurts* shows how some alleviation efforts, failing to consider the complexities of poverty, have actually (and unintentionally) done more harm than good. But it looks ahead. It encourages us to see the dignity in everyone, to empower the materially poor, and to know that we are all uniquely needy—and that

God in the gospel is reconciling all things to himself. Focusing on both North American and Majority World contexts, *When Helping Hurts* provides proven strategies for effective poverty alleviation, catalyzing the idea that sustainable change comes not from the outside in, but from the inside out. *Follow Me* is the preteen Bible study based on the adult book by David Platt. *The Great Commission* commands us to go and make disciples. In this question-and-answer study, preteens are asked tough questions about discipleship and challenged to make disciples. Includes six daily devotions to

encourage preteens throughout the six-week study. Features: 6 daily devotions 6-week study Teaching plan is in the back of the book Challenges preteens to make disciples New York Times bestseller What is Jesus worth to you? But who do you know who lives like that? Do you? In *Radical*, David Platt

challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple-- then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to

In this companion piece to his bestselling book Counter Culture, David Platt offers sound Biblical support and practical action steps to help Christians take a courageous and compassionate stand against same-sex marriage. Drawing heavily on personal stories and Scripture, Platt encourages Christians to get involved and highlights a wide variety of ministries and organizations currently countering same-sex marriage that need your help. The stage is set for the God of the universe

It's time to take a stand for Christ, join the fight against same-sex marriage, and counter culture! A veteran pastor challenges and motivates churches and their leaders to radically commit their best resources to the mission of spreading the gospel worldwide. This eight-session Bible study will take teens on a journey in search of answers to the question: What does it mean to follow Jesus in a world full of urgent physical and spiritual needs? Through a nationwide survey,

the authors of this study conclude that US Evangelicals may actually be preserving the racial chasm, not through active racism, but because their theology hinders their ability to recognise systematic injustice. See how the gospel compels followers of Christ to counter culture on a wide variety of social issues in the world around them. A call to the challenging and spiritually rewarding field of discipleship lays out what it means to be a true follower of Christ and discusses how to lead a purposeful life by becoming a disciple. God's Heart for the Nations rips apart the old, traditional

understandings of God's plan and purpose for our lives. In eight lessons, author and global activist, Jeff Lewis, lays bare the heart and mind of God as he combines powerful Bible passages with challenging and provocative questions. Each lesson is followed by a time of meditation (Selah) and a focus on an unreached people group. If you really knew the heart and mind of God, would you dare to follow him? Author Jeff Lewis is a global activist connecting followers of Christ with his global mandate. Jeff is Assistant Professor of Intercultural Studies at California Baptist University. He also

teaches and consults with churches on seamlessly integrating God's heart for the nations into their church framework. passages in Radical Together, the follow up to Radical, to show readers that church is not built on places, performances, programs, or professionals, but on people. Platt argues that those of us in the pews are meant to be active and intentional in spreading the good news of the gospel because when ordinary believers mobilize in everyday ministry, communities and church families change dramatically. "The goal of the church is never for one person to be equipped and empowered to lead as many people as possible to Christ. The goal is always for all of God's people to be
