Support for the really tough stuff that will get you higher grades The perfect companion... GCSE 9-1 Geography Practice Book * 100s of practice questions * Exam techniques explained * Matches 9-1 specification

Songs of Ourselves: the University of Cambridge International Examinations Anthology of Poetry in English contains work by more than 100 poets from all parts of the English speaking world. A new OCR specific edition of the best selling textbook for GCSE Modern World History

Gastrointestinal stomas constitute an evident anatomical modification, but their perception by patients represents a serious and unacceptable alteration of the body schema. Esophagostomy, gastrostomy, and jejunostomy are usually temporary, but ileostomy and colostomy are permanent in many cases. Two purposes characterize the two types of intestinal stomas: to divert intestinal content and to allow enteral nutrition. The purpose of the stoma in the therapeutic program is surrounded by many misunderstandings and this notice given by surgeons is horrifying to patients. In this therapeutic scenario the enterostomal therapist plays a central role. This book pays great attention to the care of the stoma and its therapeutic role, but overall the need is to prevent diagnostic and therapeutic procedures for this surgical alteration to the body's anatomy. "World class targeted revision and practice, with lots of specific tips and tricks on how to excel in the exam." John Dabell, Teach Secondary magazine New combined revision and practice books for Animal Farm to get you top marks in your GCSE English Literature essays. Introducing our study guides, specifically written to support your revision for the closed book AQA GCSE English Literature examination. Each study guide is written by experts in teaching English and uses an active, stepped approach to revision to maximise learning. This study guide covers the chronology of the text and focuses on key events, characters, themes, context, language and structure to help you demonstrate your knowledge and understanding and achieve higher marks. With loads exam-style practice questions (and answers) you can't go wrong! Books in this series cover the following: Paper 1 Section A - Shakespeare (Romeo and Juliet, Macbeth) Paper 1 Section B - Nineteenth-century novel (The Sign of Four, A Christmas Carol, The Strange Case of Dr Jekyll and Mr Hyde) Paper 2 Section A - Modern texts (Blood Brothers, An

Inspector Calls, Animal Farm, Lord of the Flies) Paper 2 Sections B and C - Poetry (Love and Relationships anthology, Power and Conflict anthology and Unseen) The accompanying app uses cutting-edge technology to help you revise on-the-go to: Use the free, personalised digital revision planner and get stuck into the quick tests to check your understanding Download our free revision cards which you can save to your phone to help you revise on the go Implement 'active' revision techniques - giving you lots of tips and tricks to help the knowledge sink in Active revision is easy with the following features included throughout the study guides: Snap it! Short activities to consolidate your knowledge and understanding of the text Stretch it! Support for the really tough stuff that will get you higher grades Define it! Definitions of unfamiliar language in the text and important subject terminology This book argues that Asia's population aging and stagnation needs to be viewed through a multi-dimensional lens, serving as a useful resource for government workers, stakeholders, and scholars in sociology, demography, geography, and economics.--Adapted from dust jacket. Dennis Kelly's play DNA centres on friendship, morality and responsibility in odd circumstances. When a group of young friends are faced with a terrible accident, they deliberately make the wrong choices to cover it up and find themselves in an unusually binding friendship where no one will own up to what they've done. The play began life as a National Theatre Connections commission in 2008 and has subsequently been produced, studied and toured around the world. DNA is published for the first time in the Methuen Drama Student Edition series with commentary and notes by Clare Finburgh

Delijani, which look at the play's context, themes, dramatic form, staging possibilities and production history, plus offers suggestions for further reading. Revision is serious business... and we're serious about revision. A student-friendly and engaging resource for the 2016 Edexcel GCSE Geography B specification, this brand new course is written to match the demands of the specification. As well as providing thorough and rigorous coverage of the spec, this book is designed to engage students in their learning and to motivate them to progress. Advertising matter included in pagination.

What does Jesus have to do with ethics? There are two brief answers given by believers: "everything" and "not much." While evangelical or fundamentalist Christians would find authoritative guidance in the words and commands of Jesus as recorded in the New Testament, many mainstream Christian ethicists would say that Jesus is too concrete or narrowly particular to have any direct import for ethics. In this book, Williams Spohn takes a middle way, showing how Jesus is the "concrete universal" of Christian ethics. By forming a bridge from the lives of contemporary Christians to the words and deeds of Jesus, Jesus' story as a whole exemplifies moral perception, motivation and Christian identity. In addition, Spohn shows how the practices of Christian spirituality--specifically prayer, service, and community--train the

imagination and reorient emotions to produce a character and a way of life consonant with Christian New Testament moral teaching. Revision is serious business... and we're serious about revision. Building on our successful GCSE Grades 9-1 series of Revision and Exam practice books, Scholastic has now created a brand new series of study guides especially for the closed book AQA GCSE English Literature examination. Books in this series cover the following: *
