West Coast of Scotland Dec 18 2019 Do you only have a week to spare? For those of us who are time poor but who want to seize the moment, either on our own boat or on a charter, it's reassuring to know that there are plenty of cruising hubs from where we can enjoy some of the best of the region in only a few days. Imray Pocket Pilots are a new series of affordable PDF books, companions to the Yachting Monthly series A Week Afloat.

They visit some ideal destinations and suggest a one week itinerary, and include expanded sailing directions for cruising each area based on printed Imray pilot books. Familiar Imray chartlets cover marina detail and approaches, and photos add both information and colour to the downloads. This Imray Pocket Pilot covers the region between Marseille and St Tropez. A growing list of Imray Pocket Pilots will include: Seven Mediterranean titles by Lucinda Heikell including The South of France and The Ionian, Greece. The west coast of Scotland by Norman Kean (Clyde Cruising Club) Southwest Ireland by Norman Kean (Irish Cruising Club Galicia by Norman Kean (Royal Cruising Club Pilotage Foundation) Morbihan and La Rochelle, Atlantic France by Nick Chavasse (Royal Cruising Club Pilotage Foundation) The Stockholm Archipelago by Nigel Wollen (Royal Cruising Club Pilotage Foundation)

The Shell Channel Pilot Jan 19 2020 For more than 80 years The Shell Channel Pilot has been the ultimate authority on English Channel navigation and pilotage. Following the pioneering work of the legendary Adlard Coles, the book was passed to Captain John Coote RN in 1982. In his comparatively short, ten-year tenure, John Coote expanded the coverage from the English coast to include northern France. He also applied a characteristic humour to the shoreside aspect of the text which has been enthusiastically adopted by Tom Cunliffe, the present and third compiler of this unique work. Upgraded and updated regularly, this is the 8th edition published by Imray under Cunliffe, hand. The Shell, is more than a harbour guide. It also provides a reassuring hand on the shoulder for Channel navigation, with useful passage notes gleaned from the compiler, personal experience of more than 40 years running the tides and finding the eddies. His frank remarks regarding harbour and recreational facilities have long been relied upon by sailors of all generations and

nationalities. While leading to some enlightening secrets, they have been known to cause landlords whose establishments fall short of the required standard to lose the will to live. Working with harbourmasters and a dedicated group of carefully selected yachtsmen and women, Cunliffe has kept this pilot as up to date as is humanly possible. More than being technically sound, which is to be expected from a Yachtmaster Examiner, the book is also a thoroughly enjoyable read. 2017 edition.

Arctic and Northern Waters Jan 11 2022 Do you only have a week to spare? For those of us who are time poor but who want to seize the moment, either on our own boat or on a charter, it's reassuring to know that there are plenty of cruising hubs from where we can enjoy some of the best of the region in only a few days. Imray Pocket Pilots are a new series of affordable PDF books, companions to the Yachting Monthly series A Week Afloat. They visit some ideal destinations and suggest a one week itinerary, and include expanded sailing directions for cruising each area based on printed Imray pilot books. Familiar Imray chartlets cover marina detail and approaches, and photos add both information and colour to the downloads. This Imray Pocket Pilot covers The Ionian, Greece.

The Pacific Crossing Guide 3rd edition Feb 12 2022 The Pacific Crossing Guide is a complete reference for anyone contemplating sailing the Pacific in their own boat. From ideal timing, suitable boats, routes, methods of communication, health and provisioning to seasonal weather, departure and arrival ports, facilities, likely costs and dangers, the comprehensiveness of this new edition will both inspire dreamers and instil confidence in those about to depart. This new edition has been completely restructured with Part 1 covering thorough preparation for a Pacific crossing and Part 2 covering Pacific weather patterns, major routes and landfall ports, with useful website links throughout. There are

completely new sections on rallies, coral atolls and atoll navigation, the cyclone season and laying up, use of electronic charts, satellite phones versus HF radio, ongoing maintenance, and Pacific festivals. Completely updated, expanded and refreshed for the new generation of Pacific cruisers, this is the definitive reference, relied upon by many thousands of cruisers.

Radar Log Book Nov 16 2019

Cruising Guide to the Canary Islands Aug 06 2021 This lively cruising guide to the Canary Islands, compiled by Oliver Solanas Heinrichs and Mike Westin, offers a useful combination of cruising information, sightseeing recommendations and tips from local sailors about the beautiful islands of this Spanish archipelago. Well researched texts give full detail of marinas and anchorages in a friendly and accessible style, with spectacular aerial photographs detailing the rugged volcanic scenery and black- and white-sand beaches of the islands of Tenerife, Fuerteventura, Gran Canaria, Lanzarote, La Palma, La Gomera, El Hierro and La Graciosa. The authors' invaluable network of contacts has added an extra dimension, with tips and recommendations from locals. Imray's clear and informative plans include the usual pilotage information plus details of wind acceleration zones, useful facilities and attractions in the areas surrounding each harbour. A handy guide for those who want to explore the Canary Islands in depth or simply pass through on their way across the Atlantic.

The Morbihan, West France Nov 09 2021 Do you only have a week to spare? For those of us who are time poor but who want to seize the moment, either on our own boat or on a charter, it's reassuring to know that there are plenty of cruising hubs from where we can enjoy some of the best of the region in only a few days. Imray Pocket Pilots are a new series of affordable PDF books, companions to the Yachting Monthly series A Week Afloat.

They visit some ideal destinations and suggest a one week itinerary, and include expanded sailing directions for cruising each area based on printed Imray pilot books. Familiar Imray chartlets cover marina detail and approaches, and photos add both information and colour to the downloads. This Imray Pocket Pilot covers The Morbihan area of west France and is based on the Royal Cruising Club Pilotage Foundation Atlantic France cruising guide. It follows a one-week cruise out of La Trinité, into the River Auray and Gulf of Morbihan, then out across Quiberon Bay to Île Houat before returning via the Quiberon Peninsula. A growing list of Imray Pocket Pilots will include: Seven Mediterranean titles by Lucinda Heikell including Corsica, The South of France and The Ionian, Greece. The west coast of Scotland by Norman Kean (Clyde Cruising Club) Southwest Ireland by Norman Kean (Irish Cruising Club) Galicia by Norman Kean (Royal Cruising Club Pilotage Foundation) Morbihan and La Rochelle, Atlantic France by Nick Chavasse (Royal Cruising Club Pilotage Foundation) The Stockholm Archipelago by Nigel Wollen (Royal Cruising Club Pilotage Foundation)

Heavy Weather Sailing Feb 18 2020

Atlantic Spain and Portugal Apr 14 2022

Atlantic France May 03 2021 From Ouessant in the north to Hendaye on the Spanish border, the third edition of this comprehensive sailing guide to the Atlantic coast of France has, once again, been thoroughly revised and updated by Nick Chavasse aboard his Bowman 40, Wild Bird. His coastal explorations have taken him over drying causeways and under mast-height bridges, up tranquil rivers and around sand-strewn islands and this first-hand familiarity is evident in the extent and depth of coverage. Plans have been revised and updated throughout and there are numerous new photographs to help the navigator identify key features. Atlantic France is the authoritative cruising guide for this most

popular coastline of historic ports and idyllic anchorages with its sometimes-challenging tides, currents and pilotage.

The Atlantic Crossing Guide Sep 19 2022 From deciding which route to take, to what time of year would be best to cross, The Atlantic Crossing Guide answers you need to know about: -- Choosing and equipping a boat -- Route planning, provisioning -- Navigation and safety -- Landfalls and port details -- Details of winds and currents and a great deal more. This newest edition is completely overhauled, and new route, landfall, and port descriptions have been added.

Isles of Scilly Jul 05 2021 This comprehensive guide to the Isles of Scilly has been completely revised and updated. The background information on the islands, their history and flora and fauna has been expanded and this new edition also sees the introduction of useful waypoints. This guide is a must for anyone planning an extended visit to this beautiful archipelago on the edge of the Atlantic.

North Brittany & Channel Islands Cruising Companion May 23 2020 The long-awaited update of this best-selling pilot guide covering the whole spectacular North Brittany coast, the Channel Islands and the fascinating harbours on the west side of the Cherbourg peninsula. Packed with comprehensive pilotage and nautical information as well as suggestions of where to eat and what to do ashore: an authoritative guide designed to help you make the most of your visit to this fabulous area. It is enhanced with colour charts and detailed photography, including spectacular aerial shots of ports, harbours and anchorages. Share Peter & Jane's joy of cruising in this fabulous area which has enabled them to create a text which will inspire and inform you and help you love the area as much as they do. Reading Peter's wonderful prose in advance of your cruise you will almost feel you are there already. When you do make

landfall, you will be reassured by the pilotage descriptions which will give you the confidence to tackle even the most challenging approaches. And once you have berthed you will know where to head for that celebratory meal of incomparable French cuisine. And that's only the start of your cruise! This third edition is fully updated for publication and further updates are provided every Spring on the Fernhurst Books' website.

Channel Islands, Cherbourg Peninsula and North Brittany

Mar 01 2021 This revision of the RCC Pilotage Foundation's pilot updates the combined volume for this area which encompasses the Channel Islands and extends from St Vaast La Hougue on the east of the Cherbourg peninsula, and works westwards along the Normandy and Brittany coasts to Ouessant. Coverage includes the Plateau des Roches Douvres as well as detailed sections on the navigable rivers. The navigator benefits enormously from the painstaking approach with which Peter Carnegie has documented his own explorations of these, his home waters. His numerous annotated photographs and the many accompanying charts detail the network of transits between the off-lying rocks and islands of the region. Waypoints are used judiciously to further inform, but the emphasis remains on time-proven and trusted methods of safe navigation in these waters of high tidal range and fast-moving currents. The Channel Islands, Normandy and Brittany coasts can seem a daunting sailing area for those unaccustomed to their ways, but 'Carnegie's book provides reassurance and so much practical advice that anyone using it will feel confident of success.' (Yachting Monthly). It is the definitive pilot for anyone interested in the challenge of exploring the less frequently used passages and anchorages.

The Black Sea Aug 26 2020 Based on previously published cruising notes this guide provides sailing directions for all the countries surrounding the Black Sea. Packed

with useful background information and supported by the RCCPF's access to the latest and often changing information this is an essential companion for anyone venturing north from the Bosphorus.

The Atlantic Crossing Guide Aug 18 2022

Atlantic France Jun 16 2022 'North Biscay' has been renamed 'Atlantic France' to reflect the extended coverage to the Spanish border. Jeremy Parkinson has revisited the West coast of France and, from his research over the past two years has produced this new renamed edition. Throughout, the harbour plans have been revised and in many cases improved. In particular, the coverage of Brest now includes the new Marina du Chateau, large scale plans of the marinas at Lorient have been added and plans are provided of the small harbours in the Gironde. At the north end the Brittany harbour of L'Aberwrac'h, the key to entering the Chenal du Four, is now included and in the south Arcachon, Capbreton, Bayonne, St Jean de Luz and the Rada de Higuier up to the Spanish border are included. Many of the photographs are new and at the end of 2009 Patrick Roach was commissioned to produce a new set of aerial photos and amongst these is unique coverage of Brest. 'Atlantic France' is the authoritative cruising companion for this long and varied coastline and its publication will be welcomed by both first time visitors and old West coast of France hands.

Mediterranean Almanac 2021-22 Oct 16 2019 The essential marine data resource for yachts sailing the Mediterranean, the Imray Mediterranean Almanac is published biennially with updates available in a downloadable supplement at the end of the first year. It includes: Data, waypoints and contacts for all major harbours and marinas throughout the Mediterranean Sea plus Atlantic Islands. Weather sources for radio, internet and apps Information on lights and buoys Maritime regulations, marine reserves and traffic

schemes Coast radio stations and frequencies GMDSS safety and distress communications Harbour plans throughout, with the familiar Imray cartography which adds clarity to their use. There are the usual detailed revisions throughout this edition, plus many new harbour plans.

Coal, Steam and Ships Sep 07 2021 An innovative account of the trials and tribulations of first-generation Victorian mail steamship lines, their passengers and the public.

Atlantic Spain and Portugal Mar 13 2022 'Atlantic Spain and Portugal' is the classic guide to this varied coast which includes the rias of Galicia, the estuaries of the Douro and Tejo with Lisbon, the Algarve and then the coast of Andalucia down to Gibraltar. It's the essential companion for yachts making passage to the Mediterranean or onwards to the Canaries before an Atlantic crossing and also a comprehensive cruising companion for anyone visiting the delightful cruising grounds of Galicia and beyond.

The Atlantic Crossing Guide Oct 20 2022

The RCC Pilotage Foundation Atlantic Crossing Guide Jan 23 2023 The Atlantic Crossing Guide is a complete reference for anyone planning an Atlantic passage in their own boat. It is described by Yachting World magazine as 'An invaluable mixture of planning manual and pilot book, and an essential investment if you're planning to cross the Pond.' From ideal timing, suitable boats, routes, methods of communication and provisioning to sources of regional weather information, hurricane tracks, currents and tides, departure and arrival ports, facilities on arrival and documentation required, the comprehensiveness of this new edition will both inspire dreamers and instill confidence in those about to depart. This is the definitive reference on the subject, relied upon by many thousands of cruisers crossing the Atlantic in both directions and packed with all the

information they need. 'I cannot imagine setting sail without it' - SAIL magazine (US)

Atlantic France Jul 17 2022 Covering the whole Atlantic coast of France, from Ouessant in the north to Hendaye on the Spanish border, this second edition of the RCC Pilotage Foundation's guide has been thoroughly revised and updated by Nick Chavasse who has taken his Bowman 40, Wild Bird, into every main port and a multitude of anchorages, including explorations up the numerous navigable rivers. The plans have been revised and improved throughout and the coverage has been extended to include large scale detail for key areas including Lorient and the Gironde. Coverage of the Brittany coast west from L'Aberwrac'h, so often the gateway to the Chenal du Four, is now extended to include the islands of Ouessant and Molène. Many of the new photographs are on-the-water images which are invaluable to the navigator, but this edition also continues to benefit from Patrick Roach's unique and informative aerial coverage. 'Atlantic France' is the authoritative cruising companion for this long and varied coastline with its sometimes-daunting tides and currents, and its publication has been welcomed both by first time visitors who are enjoying their first taste of the region and by old hands who are revisiting their favourite haunts.

The RCC Pilotage Foundation Atlantic Crossing Guide Nov 21 2022 The Atlantic Crossing Guide is a complete reference for anyone planning an Atlantic passage in their own boat. From ideal timing, suitable boats, routes, methods of communication and provisioning to sources of regional weather information, hurricane tracks, currents and tides, departure and arrival ports, facilities on arrival and paperwork required, the comprehensiveness of this new edition will both inspire dreamers and instill confidence in those about to depart. This is the definitive reference on the subject,

relied upon by many thousands of cruisers crossing the Atlantic in both directions and packed with all the information they need.

Cruising Guide to Germany and Denmark Oct 28 2020

Covering the North Sea and Baltic coasts of Germany and Denmark, this guide is based on selected routes and provides all the necessary details and plans of ports along them. Now in its third edition, this text provides more detailed coverage of the coasts of Mecklenburg and Vorpommern to the Polish border, an area that has seen many changes in the last decade.

Cape Horn and Antarctic Waters Apr 21 2020 This stylish handbook from the RCC Pilotage Foundation covers the spectacular cruising grounds around Cape Horn, including Chile, the Beagle Channel, the Falkland Islands and the Antarctic Peninsula. Including some of the most dangerous waters in the world, from the treacherous Cape Horn to the icebound anchorages of Antarctica, it offers not only inspiration and encouragement but enough detail to plan the voyage of a lifetime. Broadcaster and author Paul Heiney has incorporated a strategic range of navigational information from his voyage to the area alongside that gathered by other experienced sailors. Key passages, harbours and anchorages are described in an informative and enlightening way alongside useful sketch plans. Full-colour photographs and lively texts give a strong sense of the drama and magnificence of an area that is increasingly of interest to cruising yachts. This book is not only a vital practical resource for these waters but also a source of inspiration for those considering a future visit.

The RCC Pilotage Foundation Atlantic Crossing Guide Dec 22 2022 The Atlantic Crossing Guide is a complete reference for anyone planning an Atlantic passage in their own boat. From ideal timing, suitable boats, routes, methods of communication and provisioning to regional weather, hurricanes, currents and tides,

departure and arrival ports, facilities and paperwork, the comprehensiveness of this new edition will both inspire dreamers and instil confidence in those about to depart. This is the definitive reference on the subject, relied upon by many thousands of cruisers crossing in both directions and packed with all the information they need.

Atlantic Spain and Portugal Jul 25 2020

The Pacific Crossing Guide Jun 23 2020 This book will be invaluable for anyone planning a Pacific crossing, whether as part of a circumnavigation or merely to explore the Pacific islands. A sister volume to *The Atlantic Crossing Guide*, this book follows a similar format by giving first hand advice on a wide range of practical matters.

Atlantic Spain and Portugal Dec 30 2020

Your First Atlantic Crossing Oct 08 2021 Answering all of the important questions, this book attempts to allay and novices' fears - not just about how to sail an ocean and survive - but also how to sail one and enjoy it. Here are insights into the social as well as nautical reality of fitting out, the comfort of highly detailed plans, the norm of impulsive decisions, the inside story of life with a crew, coping with unexpected gales and calms, the live-or-die decision to keep watches or not and the ports from Spain to Tobago via the Atlantic islands and west Africa.

South China Sea Jan 31 2021 This first edition of *South China Sea* is the successor to Stephen Davies and Elaine Morgan's *Cruising Guide to Southeast Asia, Volume I* (Imray). Building on the earlier work, this new edition has been updated and expanded to include coverage of Cambodia and Taiwan. For the past 12 years, Jo Winter has been cruising these waters in her 45' *Island Packet*, *Brother Wind*, and she describes it as one of the most diverse, beautiful, unspoilt and undiscovered sailing areas in the world. The book covers thousands of miles

of coastline, a multitude of islands and inland up many of the region's navigable rivers. Along with a comprehensive range of information to help with planning a cruise in this region, the introductory section details weather information, including coverage of typhoons, and also indicates piracy risk areas to be avoided. Sailing directions include small scale area plans to orientate the navigator and larger scale plans to show details of harbours and anchorages. Full colour throughout, the plans and numerous photographs illustrate key features and places. Whether transiting the region or planning a more extended cruise along any of the coastlines bordering the South China Sea, this guide is an essential companion.

Italian Waters Pilot Jun 04 2021 Italian Waters Pilot is the only guide for yachtsmen in English that covers the coasts of the Tyrrhenian Sea, Sardinia, Sicily, the Ionian 'heel' and Malta in one volume. This new tenth edition builds on first-hand research by the authors through the Tuscan islands, along the Tyrrhenian and Ionian coasts, to Sardinia and Sicily, Malta and Gozo. Numerous revisions have been made throughout, with the text, plans and photographs undergoing a complete overhaul. Care has been taken to research the details of marina developments. Where it has been available information is given on proposed changes and extensions to yacht harbours. Marine reserves are now an important feature of the coasts and off-lying islands, particularly in Sardinia and Sicily, and this edition provides updated details of the latest regulations. Climate change and extreme weather events are becoming a major issue and this edition includes a section on the how climate change might affect sailing in the Mediterranean. Italian Waters Pilot is the last word on the area for yachts cruising there and on their way between western and eastern parts of the Mediterranean.

Islas Baleares Apr 02 2021 This eleventh edition of

Islas Baleares, covering Ibiza, Formentera, Mallorca, Cabrera and Menorca, has been revised and updated for the RCC Pilotage Foundation by David and Susie Baggaley, whose Beneteau 42, Kookaburra has been based in Addaya, Menorca for several years. In their research for this edition, over two seasons, the authors confess to having enjoyed a new purpose to their cruising in the islands, and they share their knowledge enthusiastically and authoritatively. A selection of completely new plans is included, and pre-existing plans have been updated throughout. There are also many attractive new photographs which are informative to the navigator. The only fully comprehensive pilot guide to the islands in English, Islas Baleares remains the best-selling RCC Pilotage Foundation cruising guide, which is testament to the lasting appeal of this popular cruising ground, both to those cruising their own boats and to those who are visiting the islands on a yacht charter.

The Atlantic Crossing Guide 7th Edition Feb 24 2023 The essential reference for anyone contemplating sailing the Atlantic. It offers invaluable advice on all the issues involved, including ideal timing, routes, suitable boats, on board power, methods of communication, provisioning, health, weather, departure and arrival ports, facilities, likely costs, and dangers.

Atlantic Islands Dec 10 2021 Atlantic Islands is a long-established cruising guide to the five island groups of the North Atlantic, commonly visited by those sailing the popular Atlantic crossing routes but increasingly enjoyed as cruising destinations in their own right. From the sun-baked lagoons of Bemuda to the verdant slopes of the Azores and Madeira, from the fiery landscapes of the Canaries to the less visited coastlines of the Cape Verdes, this seventh edition has thoroughly updated text and plans and is illustrated with numerous new photographs. Co-authors of the sixth edition, Anne Hammick and Hilary Keatinge, have been

joined by Linda Lane Thornton who lives on and cruises in the Azores. Together they enrich the coverage overall with their first-hand knowledge of each of the island groups. An essential companion for those planning a cruise any of the North Atlantic island groups, even more so for anyone planning an Atlantic crossing or circuit. The seventh edition of Atlantic Islands builds on solid foundations...The co-authors know their group of islands inside-out and it shows in the depth of content and recommendations within the guide....If you are planning on crossing the Atlantic and don't yet have a copy, then this new seventh edition should be on your pre-departure shopping list. "It is difficult to fault this pilot. It is clearly and consistently laid out- the navigational directions are concise and accurate, the Introductions and History of each archipelago and each island are interesting and whet one's appetite for exploration. It is an excellent, informative and enjoyable companion for any Atlantic cruising sailor." Flying Fish Magazine (Ocean Cruising Club)

Cape Horn and Antarctic Waters Nov 28 2020 This stylish handbook from the RCC Pilotage Foundation covers the spectacular cruising grounds around Cape Horn, including Chile, the Beagle Channel, the Falkland Islands and the Antarctic Peninsula. Including some of the most dangerous waters in the world, from the treacherous Cape Horn to the icebound anchorages of Antarctica, it offers not only inspiration and encouragement but enough detail to plan the voyage of a lifetime. Broadcaster and author Paul Heiney has incorporated a strategic range of navigational information from his voyage to the area alongside that gathered by other experienced sailors. Key passages, harbours and anchorages are described in an informative and enlightening way alongside useful sketch plans. Full-colour photographs and lively texts give a strong sense of the drama and magnificence of an area that is increasingly of interest to cruising

yachts. This book is not only a vital practical resource for these waters but also a source of inspiration for those considering a future visit.

Mediterranean Spain May 15 2022 The second edition of this well-received title from the Royal Cruising Club Pilotage Foundation covers the entire Mediterranean mainland coast of Spain from Gibraltar to the French border. This is the only detailed pilot for the Spanish Mediterranean coast running up from Gibraltar to the border with France. It covers a varied cruising area that includes the mountain-backed Costas del and Sol and Blanca, the expansive lagoon of the Mar Menor, the low-lying Ebro delta and the rugged Costa Brava. In between are several great cities including Malaga, Valencia, Tarragona and Barcelona, the Catalan capital. The volume opens with Gibraltar and La Línea. With Imray charts for the same coast, *Mediterranean Spain* provides all the data necessary for anyone based in Spain, transitting to and from areas further East or the Balearics, or just exploring this rich and varied coast and its hinterland. The coverage has been revised with the text updated, new plans added and other plan updates based on the latest information. This edition has been enhanced by the addition of over 100 aerial photographs showing coastline and harbour approaches.
