In her first book, *My Father In Heaven, My Father On Earth*, Sandra openly shared moments of her life when she was bad & desperate and finally declared righteous by the grace of God. Maybe today you are in a good, bad, or desperate situation because of choices that were made by you or someone else. In this study, Sandra, with her warm, genuine style directs our focus not to the women, but to a good God who is faithful in all circumstances of life. Though Bible times have changed, our Eternal God has not, and because of this we learn and grow from the women in the Bible. Do we really differ from these women in the Bible? Will you take the journey with us and find out how we can make a difference today? Sandra Gollihar is a trusted friend, wife and mother of 4 sons, one of which is a pastor in Southern California, the grandmother of 12 and great-grandmother of 2. She has touched many lives with her wit and wisdom from God's word. She has faithfully served in a Fundamental Independent Baptist Church for the last 19 years. She has taught ladies meetings and Sunday school classes of all ages; and is an active part of the visitation and soul-winning ministry. We Evangelicals struggle with mysteries. Answers are sought, meanings defined, and theology put in nice, neat boxes for clarification, or simply to justify our denominational notions. As Augustine notes, we are talking about God, after all. Why is it surprising that we do not understand? If we did understand, then it would not be God. Mysteries remind us that God is bigger than our preconceived ideas about his involvement with those created in his image. *Divine Mysteries: Concise and Thoughtful Ancient Biblical Wisdom* addresses some of these mysteries in a provocative and succinct manner. This 3-book collection

includes *The Lights Under the Lake*, *The Curse in the Candlelight* and *The Last Secret*. Scarlet and Ivy return to Rookwood School – in their second spine-tingling mystery adventure! "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston

Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power. Harper lives in the City of Clouds with her Great Aunt Sassy and her beloved cat Midnight. When Midnight goes missing - together with all the cats of the neighbourhood - Harper realises that only her magical scarlet umbrella can help her find him... A beautifully written, lyrical tale created by CBeebies' presenter Cerrie Burnell. "We walked toward the part of the library where the air smelled as if it had been interred for years..... Finally, we got to the hallway where the wooden floor was the creakiest, and we sensed a strange whiff of excitement and fear. It smelled like a creature from a bygone time. It smelled like a dragon."

Thirteen-year-old Juan's favorite things in the world are koalas, eating roast chicken, and the summer-time. This summer, though, is off to a terrible start. First, Juan's parents separate and his dad goes to Paris. Then, as if that wasn't horrible enough, Juan is sent away to his strange Uncle Tito's house for the entire break! Uncle Tito is really odd: he has zigzag eyebrows; drinks ten cups of smoky tea a day; and lives inside a huge, mysterious library. One day, while Juan is exploring the library, he notices something inexplicable and rushes to tell Uncle Tito. "The books moved!" His uncle drinks all his tea in one gulp and, sputtering, lets his nephew in on a secret: Juan is a Princeps Reader—which means books respond magically to him—and he's the only person capable of finding the elusive, never-before-read Wild Book. Juan teams up with his new friend Catalina and his little sister, and together they delve through books that scuttle from one shelf to the next, topple over unexpectedly, or even disappear altogether to find The Wild Book and discover its secret. But will they find it before the wicked, story-stealing Pirate Book does? "My name is Scarlet Stone, and my biggest fear is that someday I will find what I want most in life, and it will be impossible to steal." What happens when life just stops? When one moment makes you question your entire existence? Scarlet Stone is a third-generation thief who has everything: a doting fiancée, a

spacious London flat, and a legitimate job offer. In a single breath, everything becomes nothing, and she finds herself on a plane to Savannah, Georgia in search of the meaning of life. After securing a six-month lease for a beachfront house on Tybee Island, Scarlet changes the way she looks, thinks, eats-basically her entire outlook on life. She needs peace, but what she gets is a housemate who looks like Thor, acts like a warden, and smells her proximity like a Bloodhound. Theodore Reed is a carpenter and perfectionist with a body built of steel, a black, hollow heart, and a hunger for revenge. He doesn't like company, girly-smelling crap, and British accents. He resents every breath she takes. She's fascinated by his every move. In time, they discover their coexistence is toxic, their physical attraction is electric, the secrets they keep mean the difference between life and death, and the only truth they share is that everything is a lie. "Over eighty-five percent of the world's population believes in a higher power, yet, very few people believe in miracles." Do you believe?" Green meadows, blue wild flowers, and yellow ducklings danced across the canvas. But not anymore. When Scarlet moves to the city, her days are no longer filled

with the joys that she's used to. Instead, darkness dominates her world. The grey seems never-ending, and frightening shadows creep through the cracks in the walls. The people of Scarlet's new world are not as frightening as they seem, and through the power of connection and some enchanting gifts, colour slowly returns to her world. Originally published in 1898, "The Ballad of Reading Gaol" is a poem written by Oscar Wilde.
