Developed especially for the TVET student at N6 level, Succeed in Entrepreneurship and Business Management N6 provides students with the necessary theoretical knowledge to write their exams and the practical application to enter the workplace confidently. The first edition of The Action Research Dissertation: A Guide for Students and Faculty was a first-of-its-kind reference, distilling the authors' decades of action research experience into a handy guide for graduate students. The Second Edition continues to provide an accessible roadmap that honors the complexity of action research, while providing an overview of how action research is defined, its traditions and history, and the rationale for using it. Authors Kathryn Herr and Gary L. Anderson demonstrate that action research is not only appropriate for a dissertation, but also is a deeply rewarding experience for both the researcher and participants. This practical book demonstrates how action research dissertations are different from more traditional dissertations and prepares students and their committees for the unique dilemmas they may face, such as validity, positionality, design, write-up, ethics, and dissertation defense. • Best Selling Book in English Edition for IDBI Bank Executive Exam with objective-type questions as per the latest syllabus given by the IDBI Bank. • Compare your performance with other students using Smart Answer Sheets in EduGorilla's IDBI Bank Executive Exam Practice Kit. • IDBI Bank Executive Exam Preparation Kit comes with 17 Tests (8 Mock Tests + 6 Sectional Tests + 3 Previous Year Papers) with the best quality content. • Increase your chances of selection by 14X. • IDBI Bank Executive Exam Prep Kit comes with well-structured and 100% detailed solutions for all the questions. • Clear exam with good grades using thoroughly Researched Content by experts.
